- + ENTRANCE MATS
- + ANTI-FATIGUE MATS
- + ANTI-SLIP/SAFETY MATS

AKRO®

FLOOR MATS
A SUPERIOR Brand

AKRO® FLOOR MATS

Superior Manufacturing Group is an industry leading supplier of floor mats for the industrial, commercial, food service, and home markets with over 60 years of manufacturing expertise...and counting. The AKRO® line represents the re-emergence of an industry standard brand that epitomizes no-frills quality and functionality, no-nonsense service and support, at a good old fashioned reasonable price.

AKRO® floor mats are perfectly suited for a wide variety of application requirements including entrance mats, anti-fatigue mats, and anti-slip/safety mats. The AKRO® line was developed through years of manufacturing efficiency, quality materials and craftsmanship, combined with effective distribution partnerships and strategies.

We've taken out all of the marketing fluff, removed the unneeded hype, and cut-back on the un-necessary extras. The end result is a quality product, available today, providing value for years to come.

TERMS & CONDITIONS:

TERMS: 1% 10 Days, Net 30 Days. Discount applies ONLY to invoices paid within 10 days of invoice date. Does not apply to credit card payments. (Shipping charges, handling charges and taxes are excluded.)

PAYMENT: Superior Manufacturing Group accepts payments via VISA®, MASTERCARD®, and American Express®.

C.O.D. payments no longer accepted.

*Credit card payments subject to up to 5% processing fee.

PRICING: All prices are manufacturer's suggested list. Pricing quoted only to existing NOTRAX® & AKRO® Distributors. Prices are subject to change without notice.

ORDERING: When ordering, specify product number, size, color, quantity and any special instructions required.

MINIMUM ORDER CHARGE: No minimum order required. However, a \$5.00 small-order handling charge will be added to all orders having a net value of \$25.00 or less.

FREIGHT TERMS: F.O.B. Factory, -IL, GA or MS - No Freight Allowed. A handling charge will be imposed on all shipments.

DAMAGED GOODS AND SHORTAGES: All delivered material should be inspected and counted BEFORE accepting shipment. Any damages or shortages should be documented on freight bill. If any discrepancies occur, please contact our customer service department for assistance in filing a claim.

RETURN GOODS AUTHORIZATION: Factory approval is required prior to product returns. Standard stock items in new saleable condition will be accepted for return, freight prepaid subject to a 15% or 20% (depending on product) restocking charge. Custom sizes, cut lengths or special ordered products are non-refundable and non-returnable. Return shipments must be made to the correct plant as noted on the return goods authorization. Failure to do so will incur a transportation fee deducted from the credit.

510 DIAMOND-TUFF™ MAX

Black

Black/Yellow

Where to Specify:

Areas that require added anti-fatigue relief, sure footing, and durability

- Vinyl diamond-plate top surface combined with dense closed cell foam base
- Full 1" overall thickness
- Available colors: Black, Black/Yellow
- Available sizes: 2' x 3', 3' x 5', 3' x 12'
- Roll sizes: 2' x 75', 3' x 75', 4' x 75'
- Custom sizes: In 2', 3', and 4' widths (up to 75')

Full 1" Thick

501 CUSHION-CONNECT™

Black

Red

Where to Specify:

Wet environments where comfort and durability is critical

- Available in general purpose (Black) and heavy-duty (Red) rubber compounds
- Large hole drainage design keeps liquids and debris away from worker platform
- Modular design allows for longer lengths and custom configurations
- 1/2" overall thickness
- Available colors: Black, Red
- Available sizes: 3' x 3'

502 CUSHION-CONNECT™ SOLID

Black

Where to Specify:

Dry environments where comfort and durability is critical

- Durable rubber compound protects against oils, greases, and machine cutting fluids
- Modular design allows for longer lengths and custom configurations
- Optional ramps (#507) available to reduce trip hazards
- 1/2" overall thickness
- Available colors: Black
- Available sizes: 3' x 3'

503 DRAIN-STEP™

Black

Red

Where to Specify:

Wet environments where comfort and durability is critical

- Available in general purpose (Black) and heavy-duty (Red) rubber compounds
- Large hole drainage design keeps liquids and debris away from worker platform
- Aggressive anti-slip surface for better traction
- 3/4" overall thickness
- Available colors: Black, Red
- Available sizes: 3' x 5'

504 BEVELED DRAIN-STEP™

Black

Red

Where to Specify:

Wet work station environments that require basic fatigue relief

- Available in general purpose (Black) and heavy-duty (Red) rubber compounds
- Large hole drainage design keeps liquids and debris away from worker platform
- Molded-in beveled edges reduces trip hazards
- Low profile for easy cart traffic
- 1/2" overall thickness
- Available colors: Black, Red
- Available sizes: 3' x 5'

505 GRIT-STEP™

Black

Where to Specify:

Wet environments where comfort, durability, and added traction is critical

- Resilient rubber compound offers exceptional fatigue relief
- Silicon Carbide grit surface provides added traction in extremely wet environments
- Large hole drainage design keeps liquids and debris away from worker platform
- Modular design allows for longer lengths and custom configurations
- Beveled ramps available to reduce trip hazards and allow easy access on and off the mat
- 5/8" overall thickness
- Available colors: Black
- Ramp colors: Black, Yellow
- Available sizes: 3' x 3'

506 GRIT-STEP™ SOLID

Black

Where to Specify:

Light to moderately wet environments where comfort, durability, and added traction is critical

- Resilient rubber compound offers exceptional fatigue relief
- Silicon Carbide grit surface provides added traction in extremely wet environments
- Modular design allows for longer lengths and custom configurations
- Beveled ramps available to reduce trip hazards and allow easy access on and off the mat
- 5/8" overall thickness
- Available colors: Black
- Ramp colors: Black, Yellow
- Available sizes: 3' x 3'

MAT ICONS:

Drainage

Open construction allows for moisture to pass through, providing secure footing in a wet environment.

Anti-Slip

Matting designed to provide added traction through aggressive surface patterns and textures.

Custom

Mats available in custom sizes and/or lengths.

Food Service

Matting suitable for use in kitchens, bars and other food service areas where durability, grease resistance and drainage are a priority.

Ergonomic/Anti-Fatigue

Matting that alleviates foot pressure, stimulates blood circulation and helps reduce stress on the lower back, leg joints and major muscle groups.
