

# Office Lab Seating

# Better office and lab seating.

Brewer Design, the most trusted name in health care seating, combines the latest technology with superior materials and workmanship to bring you the most innovative products available today.

Since 1947 Brewer Design has been the leading manufacturer of ergonomic seating. Brewer Design carries a full line of ergonomic seating for laboratory and office environments. Designed with comfort and safety in mind, these stools improve productivity in the workplace by minimizing the risk of musculoskeletal and repetitive strain injuries.

Available in cloth, vinyl, and polyurethane, each stool is crafted to meet your performance and durability needs.

Please contact your local equipment dealer or call us today at 1.800.558.8934 for more information.
