Brass Georgian	12
Storm	14
Metal Clad	16
Product Range	18

Sleek and slim with softly rounded corners and gently curved rockers, the range combines quality with stunning good looks

Moulded

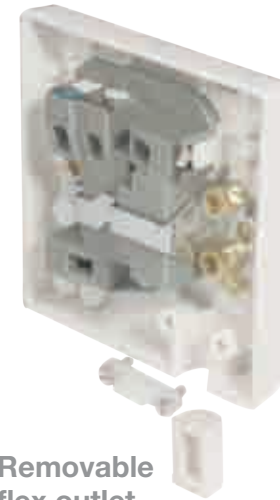

Screw covers
for sleek
appearance

Flush neon,
& inlaid red rocker
indicator

Modern slim
profile

Removable
flex outlet

Angled in-line,
colour coded,
captive terminals

Extensive Range

10 Ax Switches

13 Amp Sockets

45 Amp Switches

RCD Protection

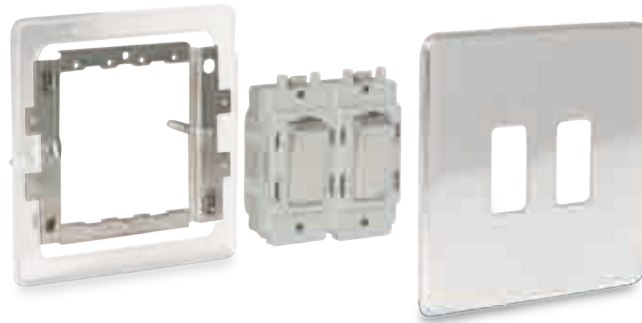

Unique and versatile with a stunning appearance that provides a seamless blend with regular products. Ideal for domestic, commercial and industrial applications

Grid

No visible plastic
around switches

Easy to install,
with cantilever module
to frame installation

Interchangeable
rockers, providing
flexibility

Clearly printed
terminal markings,
with captive screws

A wide selection
of module and
plate options

Finishes Available

Moulded

Metal Clad

*Metal

*Flatplate

* Available in
Brushed Steel or
Polished Chrome

A stunning range of slim line screwed and screwless accessories in a range of different finishes, adding the perfect compliment to any interior space

Flatplate

No visible plastic
around switches

Screwless front,
secure & easy
"clip on/off" plate

Sleek flat profile

Integral gasket
for moisture
protection

Angled in-line,
colour coded,
captive terminals

Finishes Available

Brushed Steel

Polished Chrome

Polished Brass

Black Nickel

Sleek & slim with softly rounded corners, in a range of superior quality finishes that will compliment any interior décor

Metal

No visible plastic
around switches

Lightly lacquered
surface to reduce
fingerprint marks

Modern slim profile

Integral gasket
for moisture
protection

Angled in-line,
colour coded,
captive terminals

Finishes Available

Brushed Steel

Polished Chrome

Polished Brass

Black Nickel

An extensive range of the highest quality accessories with a cast brass plate and an attractive roped edge design

Brass Georgian

No visible plastic
around switches

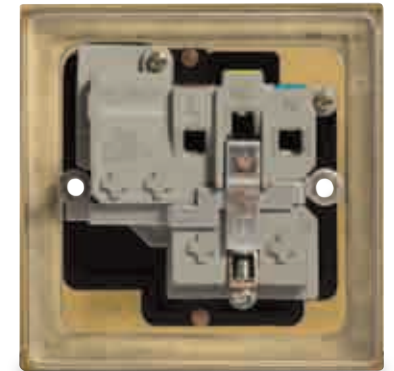

Flush neon lens

Cast brass plate,
with classic
Georgian rope edge

Integral gasket
for moisture
protection

Angled in-line,
colour coded,
captive terminals

Extensive Range

10 Ax Switches

13 Amp Sockets

45 Amp Switches

Fused Connection Units

A range of IP rated accessories designed to protect the potentially dangerous electricity supply in the most arduous of conditions

Storm

Robust, high impact,
UV stable housing

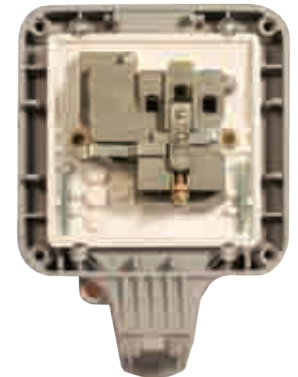

Ergonomic design,
see-through cover on
switched sockets allows
visible indication of power

Stay open socket cover

Multiple gland
entry positions

Angled in-line,
colour coded,
captive terminals

Extensive Range

20 Ax Switches

13 Amp Sockets

RCD Protection

IP Accessories

A rugged, scratch resistant range, suitable for everyday use
in commercial and industrial environments

Metal Clad

No visible plastic
around switches

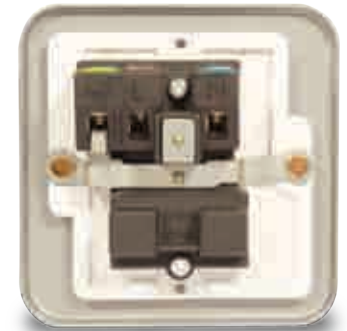

Durable, powder coated finish

Tough and
impact resistant

Integral gasket
for moisture
protection

Angled in-line,
colour coded,
captive terminals

Extensive Range

10 Ax Switches

20 Amp Switches

13 Amp Sockets
