About Camco

Quality, innovation and customer service aren't just catch phrases at Camco - they're our goals. And we work toward them every day, in every department from the front office to shipping. Each of our more than 800 employees stands behind the products that bear the Camco name.

When Camco began in 1968 with one employee and one product, there was little indication that we would experience the phenomenal growth that resulted in our being named to the North Carolina Top 100 by Business North Carolina for six years in a row. Hard work, determination and adherence to these ideals have enabled us to achieve great success.

We take pride in providing outstanding service. Most orders received by noon are shipped the same day. Our friendly, knowledgeable customer service staff stands ready to assist our customers with any questions.

Camco is a small, privately-held company with big aspirations. When you place an order with us, we'll demonstrate this with our actions. Let us help make your business as successful as it can be.
