

Caulk Master®

■ Air Powered
Dispensing
Guns

The Caulk Master® brand of air powered dispensing guns is an outstanding example of Cooper Hand Tools innovation in the industrial/contractor product arena. The wide line of Caulk Master products includes models designed to answer the highly specialized needs of the automotive, marine, aerospace and maintenance and repair operations markets.

Caulk Master® Table of Contents

Saving time and much more.

Whether you're a do-it-yourselfer or a pro, Caulk Master can dramatically increase your productivity and make it easier for you to produce the perfect bead...all while reducing fatigue and the chance of injury.

Caulk Master air powered dispensing guns give you a level of control simply unattainable with manual guns. The patented trigger mechanism gives you the exact amount of caulk, sealant, or adhesive you need, so you can dispense material at a smooth, steady pace. Even "weep" at the end of a run is a thing of the past...when you stop squeezing the trigger, the flow stops immediately.

It's no wonder that demanding industries such as construction, automotive, marine, and aerospace are loyal users of Caulk Master products.

Air Powered Dispensing Guns

Caulk Master Features and Benefits

- Time Saving - reduces the average caulking job up to 80%

- All Caulk Master dispensing guns come with a 3-foot air hose and standard 1/4" NPT fitting. Easily connects to a high-pressure regulator and air tank or compressor. (purchase separately)

- Caulk Master provides a smooth, even flow of material for a superior bead in a fraction of the time needed by outdated manual methods

- Patented trigger mechanism makes it easy to vary the amount of material being dispensed and reduce operator fatigue

- Unique twist lock bayonet barrel mount

1. Twist barrel to unlock. Remove empty cartridge.

2. Drop in new cartridge and twist barrel to lock.

3. Get back to work. It's that simple.

- High-impact, non-corrosion construction
- Common grip will handle all sealant, caulk and adhesives

Professional Air Powered Dispensing Gun

PG100 - Handles Any 10.3 Oz. Cartridge

- 1/10th gallon (10.3 oz.) barrel
- Ergonomic Valox® grip
- Weight: 14.5 oz.
- 70 PSIG maximum operating pressure
