## P-44 LIGHTING CABINET

### IMPORTANT POINTS:

1. All cabinets come with an 80 up label which contains 80 labels of the most popular lamps to affix to the cabinet drawers. Protective label cover one per drawer to protected label on cabinet.

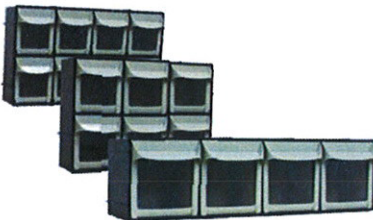

2. All cabinets come with multiple packages of mounting hardware.

3. All cabinets come with a sign and sign holder to attach to the top of cabinet.

4. 100 pcs (10 box of 10) of #194 lamps are included at no charge to help offset the cost of the cabinet to the installer. They are in one of the lower tip out trays.

5. Cabinets can be customized as all of the sections slide together and lock in place. Three sizes of the cabinets used in this P-44 assembly can be purchased as separate units to expand the current cabinet or design a custom cabinet or to sell as individual units. See Form # P44-2 for details.
