CENTAUR STEEL

Centaur Steel is located in Port Saint Lucie, Florida with distribution centers strategically placed in Florida and Nevada to better serve our customers with timely shipments and exceptional turn around times. We offer a full range of steel boxes, covers and accessories for most construction applications. All of our steel products are engineered in the United States. Over the past 4 years our goal has been to provide our customers with an extensive product line, at very competitive pricing, with the highest degree of customer service. This process, coupled with our relentless drive to be the best, makes us a strong competitor in the steel market.

All of our steel products are held to strictest of standards for our industry. Every box is made of 16 gauge steel and are UL Listed with a 2 hour Fire Rating and complies with NEC Table 314.16(a); All fan boxes and brackets adhere to the standards listed for NEC code 314.27 (a)(b)(d), allowing for 70lb fixtures or 70lb ceiling fan loads. In essence, our customers can rest assured they are using only the best materials when working on the job.
