Coleman Cable Inc.

# A tradition of excellence...

## Exceptional Performance.

**Coleman Cable Inc.** is a worldwide leader in the development, design, manufacture, marketing & distribution of wire and cable products. A Broad Range of Products, Innovative Solutions, Recognized Brands, and a Solid Service Platform are the foundation that Coleman Cable's Dedicated, Professional People build upon to create Customer Value. These characteristics, combined with strategic acquisitions, such as Copperfield, establish and strengthen Coleman Cable's leadership position as a one of the premier US-based manufacturers of electrical, electronic and assembled wire and cable products.

The **Coleman Cable Baron®** brand is one of the most trusted names in the irrigation and pump markets for reliability, innovation and quality performance. Our product offering provides cable solutions for virtually every application. Coleman Cable's technical expertise and commitment to innovation ensure the most advanced and highest quality cable on the market.

The Baron Baro-Pak™ self-dispensing package is the only irrigation wire package in the market today that is engineered to save you time and money. It eliminates the need for heavy cumbersome reels while offering superior protection, effortless payout and efficient storage for unused wire. Baro-Pak's unique stacking ability allows you to pull 2, 3 or more constructions at the same time, with minimal set up.

Whatever your application, you'll find a Coleman Cable product that meets your needs. The list of applications is virtually endless...from the factory floor to mining and heavy-duty construction... from welding to diesel locomotives...from portable lighting for theaters to the harsh demands of the process industries and oil and gas drilling rigs... you'll find Coleman Cable industrial products on the job, performing well, day-in and day-out.
