

The Diamond Range

The standard for innovative design

The diamond range has built a sound reputation in the industry as the standard for innovative design.

- S.A.B.S. certified and guaranteed for complete confidence.
- Completely modular system for flexibility.
- Modern attractive design.
- Extensive range to fit standard 100mm x 50mm and 100mm x 100mm wall boxes.
- Switches rated at 20 Ampere for durability.
- Impulse and rotary type dimmers for standard and low voltage applications.
- Screwless clip-on cover plates:
 - Cover plates are manufactured from durable ABS.
 - Standard cover plates are white high gloss finish.
 - Decorative coloured cover plates are available.
 - Switch modules are available in white or black.

Switch and other Modules 20 Ampere 250 Volts A.C.
