design is a choice.

Davis' design philosophy is best expressed as a marriage of two ideals: beautiful form and practical functionality. We commit significant time and resources in developing our products with award winning designers. These designs are handcrafted in North Carolina by Davis Furniture, a company rich in tradition, owned and operated by the Davis family for 67 years.

Designers

Martin Ballendat *ch@t*

Martin Ballendat has been a successful designer for over 20 years. After having held leading positions in the furniture sector for 10 years, he set up his own company. Now he has 12 staff members and two offices, one in Austria and one in Germany. In addition to projects in 12 different countries, i.e. Germany, Austria, Italy, England, Netherlands, Switzerland, United States, Ballendat is a visiting professor at the University of Design in Graz and Salzburg. He has received more than 70 awards, such as Best of NeoCon ; reddot ; IF Award ; Best of Best Cologne; and Focus Green, to name a few.

Dante Bonuccelli *Tix*

Dante Bonuccelli's focus is designing buildings, interiors, and products in Europe, United States, and Asia. In 1998 he founded his architecture and design office, Avenue Architects, in Milan where he works today. He is a design consultant for Unifor, Dada, Mobimex, Schoenbuch. Bonuccelli has received numerous awards for his architecture and products. His designs have been shown in exhibitions in Italy, Argentina, United States, Germany, the Netherlands, Switzerland, Japan, and Singapore.

Justus Kolberg *Sola*

Justus Kolberg has quickly established himself as a well-known designer. His remarkable career is the result of his intelligent designs, which he incorporates into modern technical architecture. Kolberg earned his industrial design degree from Muthesius School in Kiel, Germany in 1990 and held positions in Spain and Germany before striking out on his own. He has since become a successful freelance designer working with a multitude of international companies. He has received many awards such as, 1st prize Design Champion ; 1st prize Design-Week-Award Great Britain ; IDEA-Gold Industrial Design Excellence Award ; and reddot nine times.

Jehs + Laub *Tune, Ginkgo, Soft*

Markus Jehs and Jürgen Laub met each other during the academic studies of industrial design at the Hochschule für Gestaltung Schwaebisch Gmuend and became friends after an internship in New York in 1990. After they graduated in 1992 they set up Jehs + Laub in 1994. From that time on they started to design furniture and lamps for Italian companies, such as Cassina, Ycami and Nemo. Year by year they expanded the cooperation with international brands like Thonet, Fritz Hansen, Belux, Renz, Stelton, Fambuena, Schoenbuch and Cor.

PearsonLloyd *PLC Chair & Lounge*

Tom Lloyd and Luke Pearson founded PearsonLloyd in 1997 and have since completed a wide breadth of projects which looks into the relationship between people and their built environments. The work spans across different sectors such as Workplace, Aircraft, Public Realm, and Healthcare. The studio has created investigative and research based work that balances build, efficiency, user needs and ergonomics, resulting in products that are not only beautiful, but functionally appropriate. Recent awards include the Gold DBA Design Effectiveness award for Virgin Atlantic's Upper Class and Premium Economy Seat. In 2008, Tom and Luke were awarded the distinction of Royal Designers of Industry.

Wolfgang C.R. Mezger *Zeno, Palette, Gemini, Lipse, Polar, Radius, Meo, Method, Milano, Kirkos, Radius, Radius Meeting, Fenix, Ekko, Lipse Too, Kontour, Ekko*

Wolfgang C.R. Mezger, after years of working as a freelance designer opened his own design studio in 1983 in Eislingen near Stuttgart, Germany. Mezger and his team work in Goppingen for internationally renowned companies in the United States, Italy, The Netherlands, Belgium, Austria, Great Britain, Switzerland, and Germany. So far his studio has received more than 50 international Design Awards such as Best of NeoCon and Good Design Award, Chicago; Roter Punkt and reddot; Dutch Furniture Award, Amsterdam; Roscoe Design Award, New York, Design Center, Stuttgart.

Designers

Lievore Altherr Molina Aero

The Lievore Altherr Molina studio was created in 1991 by the merging of three partners: Alberto Lievore, Jeannette Altherr, and Manel Molina. Since its founding, the studio has been devoted to product design, consulting and the art direction of various companies, always offering individualized solutions. The studio has been awarded many national and international awards, including Spain's National Design Award in 1999.

Jonathan Prestwich Sketch

After finishing school Jonathan Prestwich started his design career in Boston, Massachusetts where he stayed briefly before heading to France to work with one of Davis' veteran designers Burkhard Vogtherr. After six years with Burkhard as a mentor, Jonathan moved to London where he opened his own studio. Jonathan has brought his experience together with a desire to make products for the next generation of users, fusing influences from nature and modern technology, with a goal to create simple, elegant, innovative products.

Jess Sorel Site

Jess Sorel has been in the contract furniture industry for nearly twenty years. Based on his extensive experience he established **sorel**studio. The studio was founded on the idea that collaboration is a powerful tool that drives projects to become more than just limited thoughts of a single individual. Jess holds numerous design and utility patents and his work has been featured in Abitare, Azure, Blueprint, Contract, Domus, Dwell, Fast Company, I.D. Magazine, Interior Design, and Metropolis.

Burkhard Vogtherr Body, Lucid, Motion, Webb, Loop, Mikado Lounge, Sketch
Webb Lounge, Webb Meeting

As one of the most well known European designers, Burkhard Vogtherr has won about every award in Europe and the United States for seating design. Davis' relationship with Burkhard goes back to the mid 80's when he designed Motion, a new type of ergonomic chair. Since then he has worked with multiple international companies such as Arco, Cappellini, Sellex, and Girsberger and won many awards. Some of the awards he has received are Best of NeoCon; reddot; Furniture of the Year; and IF.

Otto Williams Site

Otto Williams founded his California-based studio in 2008 to design furniture, consumer products, lighting, and environments that are rooted at the intersection of art and industry. As a graduate of the Rhode Island School of Design, Williams explores the relationship between work style and lifestyle. Williams responds to new attitudes about work, but takes inspiration from objects and environments that surprise and delight in our broader human context.
