

SEWING & QUILTING 2011

SCISSORS

The Original Orange-Handled Scissors™

Fiskars® Original Orange-Handled Scissors™ were first introduced in 1967 as a top-quality fabric scissors. Not only did our ground blades far out perform forged scissors, they were also much lighter and more comfortable. This innovative design and our exacting standards of quality have helped us sell over 1 billion orange-handled scissors worldwide.

A Tradition of Quality Since 1649

Fiskars® Original Orange-Handled Scissors™ are an extension of a centuries-old tradition of craftsmanship from the small Finnish village where Fiskars began in 1649. The ironworks in this village were famous for manufacturing scissors, cutlery and other industrial products of unparalleled quality and performance, and the same standards of excellence guide Fiskars today.

OUR FINEST SCISSORS

When it comes to cutting fabric, Our Finest Scissors are unmatched. Proudly crafted in Finland, all of these scissors begin with blades made from specially formulated Swedish stainless steel. The blades are then ground with a proprietary technique to produce a lasting sharp edge that cuts all the way to the tip, essential for cutting fabric. Smooth, ergonomically designed handles add comfort, sensitivity and control beyond other scissors on the market. Best of all, each of our sewing and quilting scissors feature a lifetime warranty, guaranteed to provide your customers with the very best cutting performance.

Stitcher Scissors (No. 5) 01-005435: \$14.99 (3/18)

Only our Stitcher Scissors provide precision and control that meet the needs of the most demanding sewers and quilters. Micro-Tip® blades make it easy to cut the intricate details cleanly, cutting all the way to the tip through multiple layers of fabric.

Knitter Scissors (5") 01-005436: \$14.99 (3/18)

Our Knitter Scissors feature rounded tips that won't accidentally harm knitting project, whether your customers are hard at work or the scissors are just tossed into a knitting bag. In addition, their professional-grade edge is perfect for making clean, precise snips without tearing yarn.

Seamstress Scissors (8") 01-005437: \$19.99 (3/18)

Our Seamstress Scissors are the perfect all-purpose scissors for anyone who cuts fabric frequently. The smooth action of these premium Seamstress Scissors will provide long, crisp cuts every time — even through multiple layers of fabric.

Dressmaker Shears (9") 01-005438: \$29.99 (3/18)

Choose our Dressmaker Shears for long, smooth cuts through multiple layers of medium to heavy fabrics. Extra-long blades maximize efficiency, and larger, bent handles provide comfortable use and improved leverage while holding fabric flat.

Tailor Shears (10") 01-005439: \$39.99 (3/18)

Our Tailor Shears feature extra-long, heavy-duty blades ideal for cutting patterns for sewing projects. They're also the perfect choice for long, clean cuts through tough fabrics and materials. In addition, a bent-handle design helps keep difficult material flat and prevent twisting while cutting.

CLASSIC SCISSORS

As the world's leading supplier of quality scissors, we offer a wide range of styles so sewing and quilting enthusiasts can always find the right tool for the job. All feature high-grade, stainless-steel blades with a precision-ground edge that stays sharp longer and cuts all the way to the tip — essential for anyone who cuts fabric. As a promise of quality, all of our scissors include a lifetime warranty.

Folding Scissors (4") 01-005434: \$12.99 (3/18)

Perfect for the sewer or quilter on the go, these scissors fold up for convenient storage in a purse or sewing kit. Precision-ground, stainless-steel blades make clean cuts and stay sharp, and blunt blade tips help prevent snags when transporting. A double-loop handle design accommodates both right- and left-handed users.

Short Cut Snip 01-004014: \$8.40 (3/72)

Make short work of loose thread with our Short Cut Snip. Razor-sharp blades made from top-quality steel make clean cuts, and pointed tips provide unmatched control when trimming in tight spaces or at awkward angles. Short Cut Snip includes a spring-action design to reduce hand fatigue and a finger loop for comfort when cutting.

Curved Scissors (No. 4) 98087097: \$13.90 (3/36)

Curved blades enable precise trimming flush against the surface, ideal for a vast array of craft and sewing needs. A compact design makes quick clips in tight spaces a breeze. Precision-ground, stainless-steel blades make clean cuts, stay sharp and cut all the way to the tip. A double-loop handle design accommodates both right- and left-handed users.

Detail Scissors (4") 95077097: \$13.90 (3/36)

Detail Scissors provide excellent control for cutting tight patterns and intricate details. A compact design makes quick clips in tight spaces a breeze. Precision-ground, stainless-steel blades make clean cuts, stay sharp and cut all the way to the tip. A double-loop handle design accommodates both right- and left-handed users.

Forged Embroidery Scissors (4") 12-92977097: \$11.55 (6/36)

Embroidery Scissors with a slender profile and sharp blades make cutting in tight spaces easy. Fine-point blades are perfect for snipping embroidery threads, clipping delicate cross stitch or trimming quilts. Durable forged steel blades can be sharpened over and over for years of clean, precise trimming. A double-loop handle design accommodates both right- and left-handed users.

BESTSELLER Micro-Tip® Scissors (No. 5) 94817897: \$13.90 (3/36)

Unique Micro-Tip® blades enable the most precise cuts on patterns and intricate details. A compact design makes quick clips in tight spaces a breeze. Precision-ground, stainless-steel blades make clean cuts, stay sharp and cut all the way to the tip. A double-loop handle design accommodates both right- and left-handed users.

Softgrip® Micro-Tip® Scissors (No. 5) 98887097: \$15.25 (6/36)

Unique Micro-Tip® blades enable the most precise cuts on patterns and intricate details, and a Softgrip® handle design reduces hand fatigue while cutting. A compact design makes quick clips in tight spaces a breeze. Precision-ground, stainless-steel blades make clean cuts, stay sharp and cut all the way to the tip. A double-loop handle design accommodates both right- and left-handed users.

No. 5 Non-stick Scissors 99947097: \$14.45 (6/36)

Great detail scissors for projects using glue, tape, or other sticky items. Compact, double finger loop design gives maximum control. Non-stick coating on blades prevent sticky build-up. Hardened, stainless steel blades for lasting sharpness.

Softgrip® Micro-Tip® Scissors 94767097: \$17.35 (6/36)

Micro-Tip® Scissors with extra-large, Softgrip® handle loops make cutting details and intricate patterns easy and comfortable. High-grade, stainless-steel blades with a precision-ground edge that stays sharp longer and cut all the way to the tip. The symmetrical handle design accommodates both right- and left-handed users.

BESTSELLER Easy Action™ Micro-Tip® Scissors (No. 5) 99217097: \$16.30 (3/36)

Micro-Tip® Easy Action Scissors feature an easy-to-squeeze spring-action design and blades ideal for cutting details or intricate patterns. These scissors are so easy to squeeze, they've earned the prestigious Ease-of-Use Commendation from the Arthritis Foundation®.

Titanium Easy Action™ Micro-Tip® Scissors (No. 5) 12-71777097: \$18.90 (3/36)

Micro-Tip® Easy Action Scissors feature an easy-to-squeeze spring-action design and durable, titanium-coated blades ideal for cutting details or intricate patterns. These scissors are so easy to squeeze, they've earned the prestigious Ease-of-Use Commendation from the Arthritis Foundation®.

Titanium Craft Snip 12-79277097: \$21.70 (6/36)

Our Titanium Craft Snip features a spring-action design and ultra-durable blades that make it easy to cut a range of crafting materials with less hand strain than other snips. Blade feature a titanium coating that is three times harder than steel and a serrated edge for superior grip when cutting slippery materials. It also features ribbed, Softgrip® handles, built-in wire cutter and thumb-activated lock.

All-purpose Craft Scissors (8") 94667097: \$13.15 (6/72)

All-purpose Craft Scissors feature high-grade, stainless-steel blades with a precision-ground edge that stays sharp longer and cuts all the way to the tip — essential for anyone who cuts fabric. A lightweight, ergonomically sculpted handle provides unmatched cutting control, and a straight-handle design is ideal for easy freehand cutting.

BESTSELLER The Original Orange-Handled Scissors™ (8") 94517397: \$16.10 (6/36)

Introduced to the world as a fabric scissors, the Original Orange-Handled Scissors redefined the standard for cutting performance. High-grade, stainless-steel blades feature a precision-ground edge that stays sharp longer and cuts all the way to the tip — essential for anyone who cuts fabric. A lightweight, ergonomically sculpted handle provides unmatched cutting control, and a bent-handle design keeps materials flat for precise cuts every time.

Left-hand Scissors (8") 94507397: \$16.10 (3/36)

Left-hand Scissors feature reversed blades to provide easy, mistake-free cutting for left-handers. In addition, they include high-grade, stainless-steel blades with a precision-ground edge that stays sharp longer and cuts all the way to the tip — essential for anyone who cuts fabric. A lightweight, ergonomically sculpted handle provides unmatched cutting control, and a bent-handle design keeps materials flat for precise cuts every time.

Titanium Scissors (8") 12-75817097: \$17.25 (6/36)

Our innovative Titanium Scissors feature blades with a titanium coating that is three times harder than steel for lasting durability. In addition, they include high-grade, stainless-steel blades with a precision-ground edge that stays sharp longer and cuts all the way to the tip — essential for anyone who cuts fabric. A lightweight, ergonomically sculpted handle provides unmatched cutting control, and a bent-handle design keeps materials flat for precise cuts every time.

Non-stick Scissors (8") 99977097: \$18.90 (6/36)

Non-stick Scissors feature a non-stick blade coating to cut cleanly through materials with sticky adhesives. In addition, they include high-grade, stainless-steel blades with a precision-ground edge that stays sharp longer and cuts all the way to the tip — essential for anyone who cuts fabric. A lightweight, ergonomically sculpted handle provides unmatched cutting control, and a bent-handle design keeps materials flat for precise cuts every time.

NEW Softgrip® Scissors (8") 01-009881: \$20.50 (3/18)

Our Softgrip® Scissors feature a Softgrip® handle to reduce hand fatigue. In addition, they include high-grade, stainless-steel blades with a precision-ground edge that stays sharp longer and cuts all the way to the tip — essential for anyone who cuts fabric. A lightweight, ergonomically sculpted handle provides unmatched cutting control, and a bent-handle design keeps materials flat for precise cuts every time.

Non-stick Softgrip® Scissors (8") 12-74917097: \$22.60 (3/36)

Our Non-stick Softgrip® Scissors feature a non-stick blade coating to cut cleanly through materials with sticky adhesives, plus a Softgrip® handle to reduce hand fatigue. In addition, they include high-grade, stainless-steel blades with a precision-ground edge that stays sharp longer and cuts all the way to the tip — essential for anyone who cuts fabric. A lightweight, ergonomically sculpted handle provides unmatched cutting control, and a bent-handle design keeps materials flat for precise cuts every time.

Razor-edge Softgrip® Scissors (8") 12-75807097: \$24.70 (3/36)

Our Razor-edge Softgrip® Scissors make it easy to cut through multiple layers of heavy material with minimum hand fatigue. Hardened stainless-steel blades feature a steep-ground edge for maximum sharpness, tested to cut all the way to the tip — essential for anyone who cuts fabric. An ergonomically sculpted Softgrip® handle provides unmatched cutting control and comfort, and a bent-handle design keeps materials flat for precise cuts every time.

Forged Scissors (8") 12-92987097: \$26.20 (6/36)

Forged Scissors offer a long cut ideal for cutting patterns, trimming seams or cutting long swaths of fabric. These versatile shears feature precision-ground blades that cut multiple layers of heavy fabric easily, all the way to the tip. A double-plated chrome-over-nickel blade finish is both striking and durable, and the bent-handle design helps hold fabric flat on a tabletop or counter for smooth, comfortable, mistake-free cutting.

BESTSELLER Easy Action™ Scissors (No. 8) 99117097: \$21.75 (3/36)

Easy Action™ Scissors feature an easy-to-squeeze spring-action design that has earned the prestigious Ease-of-Use Commendation from the Arthritis Foundation®. In addition, they include high-grade, stainless-steel blades with a precision-ground edge that stays sharp longer and cuts all the way to the tip — essential for anyone who cuts fabric. An easy-to-grip bent-handle design keeps materials flat for precise cuts every time.

Titanium Easy Action™ Scissors (No. 8) 12-71787097: \$27.65 (3/36)

Easy Action™ Scissors feature an easy-to-squeeze spring-action design that has earned the prestigious Ease-of-Use Commendation from the Arthritis Foundation®, plus a titanium blade coating that is three times harder than steel. In addition, they include high-grade, stainless-steel blades with a precision-ground edge that stays sharp longer and cuts all the way to the tip — essential for anyone who cuts fabric. An easy-to-grip bent-handle design keeps materials flat for precise cuts every time.

Razor-edge Easy Action™ Scissors (No. 8) 12-99167097: \$31.45 (3/36)

Ideal for cutting multiple layers of heavy-duty materials, Easy Action™ Scissors feature an easy-to-squeeze spring-action design that has earned the prestigious Ease-of-Use Commendation from the Arthritis Foundation®. Hardened stainless-steel blades feature a steep-ground edge for maximum sharpness, tested to cut all the way to the tip — essential for anyone who cuts fabric. An easy-to-grip bent-handle design keeps materials flat for precise cuts every time.

Dressmaker Shears (9") 94417297: \$24.50 (3/36)

Dressmaker Shears offer a longer cut ideal for cutting patterns, trimming seams or cutting long swaths of fabric. High-grade, stainless-steel blades feature a precision-ground edge that stays sharp longer and cuts all the way to the tip — essential for anyone who cuts fabric. A lightweight, ergonomically sculpted handle provides unmatched cutting control, and a bent-handle design keeps materials flat for precise cuts every time.

Razor-edge Dressmaker Shears (9") 94467097: \$27.65 (3/18)

Razor-edge Dressmaker Shears offer a longer cut and razor-sharp blades ideal for cutting patterns, trimming seams or cutting long swaths of heavy-duty fabric. Hardened stainless-steel blades feature a steep-ground edge for maximum sharpness, tested to cut all the way to the tip — essential for anyone who cuts fabric. A lightweight, ergonomically sculpted handle provides unmatched cutting control, and a bent-handle design keeps materials flat for precise cuts every time.

Classic Scissors Set (2-piece) 67517197: \$29.95 (3/18)

Set features two of our most popular scissors — The Original Orange-Handled Scissors™ and our Micro-Tip® Scissors (see descriptions on pages 4 and 5). A great starter set.

DONNA DEWBERRY COLLECTION

Fiskars® partnered with artist Donna Dewberry in 2006 to help develop a line of sewing and quilting scissors that combine Fiskars' tradition of quality with her signature flair. Customers can choose from several specialized designs to find the scissors that fit their needs and their distinctive style. Be sure to check out her complementary quilting tools on pages 16–17. All include a lifetime warranty.

All-purpose Scissors (8") 12-39837097: \$16.10 (6/36)

Donna Dewberry All-purpose Scissors feature high-grade, stainless-steel blades with a precision-ground edge that stays sharp longer and cuts all the way to the tip — essential for anyone who cuts fabric. A lightweight, ergonomically sculpted handle provides excellent cutting control, and a bent-handle design keeps materials flat for precise cuts every time.

Non-Stick Scissors (8") 12-39847097: \$18.90 (6/36)

Student Sewing Scissors (7") 97047397: \$7.35 (3/36)

These easy-to-handle sewing scissors are perfect for students or anyone who's just getting started. High-grade, stainless-steel blades feature a precision-ground edge that stays sharp longer and cuts all the way to the tip — essential for anyone who cuts fabric. A lightweight, ergonomically sculpted handle provides unmatched cutting control, and a bent-handle design keeps materials flat for precise cuts every time.

Floral Take-apart Shears (7") 25037097: \$17.15 (6/72)

Perfect for clean cuts through live or faux stems, our Floral Take-apart Shears feature high-grade, stainless-steel blades with a serrated edge to grip while cutting. A notched pivot is perfect for holding stems, and lightweight handles provide excellent cutting control. These take-apart shears are also dishwasher-safe for easy cleaning.

Easy Action™ Rag Quilt Snip 12-99367097: \$21.75 (3/36)

Perfect for rag quilting and heavy-duty fabric cutting needs, this snip features a spring-action design that has earned the prestigious Ease-of-Use Commendation from the Arthritis Foundation®. Stainless-steel serrated blades grip all manner of difficult-to-cut materials and provide lasting sharpness. A contoured, bent-handle design keeps materials flat for precise cuts every time.

Desktop Scissors Sharpener 98617397: \$11.15 (2/12)

Customers can restore blades to the perfect cutting edge with this compact, easy-to-use, easy-to-store sharpener. Sharpener is adaptable for use with right- or left-handed scissors. Not recommended for Razor-edge Scissors or Pinking Shears.

Sewsharp™ Scissors Sharpener 98547097: \$3.70 (6/36)

This portable and lightweight sharpener is small enough for customers to take with them wherever they go. The ceramic sharpening rod restores scissors to a precise cutting edge and lasts a lifetime. Works with both left- and right-handed scissors. Not recommended for Razor-edge Scissors or Pinking Shears.

CUTWORKS® SERIES

In order to provide a comprehensive solution for our customers, we offer CutWorks® scissors at competitive price points. Seven of the most common models are featured in addition to a great-value pack.

Stork Embroidery Scissors (3 1/2") 01-005021: \$6.00 (6/36)

The unique Stork design of these Embroidery Scissors includes slender blades and finely ground points perfect for cutting thread or making precise snips. A double-plated chrome-over-nickel blade finish is both striking and durable.

Thread Snip 01-005023: \$3.15 (6/36)

Perfect for trimming loose threads, our Thread Snip features pointed tips for unmatched control when trimming in tight spaces or at awkward angles. A spring-action design reduces hand fatigue.

Titanium Cushion Grip Scissors (5") 01-005027: \$7.95 (6/36)

Ideal for cutting details, these compact scissors feature blades with a titanium coating that is three times harder than steel. A cushion grip, symmetrical handle provides extra comfort and accommodates right- and left-handed users.

Basic All-purpose Scissors (8") 01-005022: \$3.70 (6/36)

Economical all-purpose scissors provide excellent cutting performance on a wide variety of materials. The straight handle design is a great choice for freehand cutting.

Titanium Cushion Grip Scissors (8") 01-005026: \$11.50 (6/36)

All-purpose scissors feature blades with a titanium coating that is three times harder than steel. A cushion grip handle provides extra comfort and reduces hand fatigue while cutting.

Cushion Grip Pinking Shears (8") 01-005024: \$15.00 (6/36)

Value-priced Pinking Shears feature sawtooth blades that leave a zigzag pattern to limit the length of frayed threads to keep projects looking crisp, clean and professional. A cushion grip handle provides extra comfort and reduces hand fatigue while cutting.

Cushion Grip Scissors (9") 01-005025: \$10.50 (6/36)

Cushion Grip Scissors feature longer blades for fast, smooth cutting, and cushion grip handles for comfortable use. A bent-handle design keeps materials flat for mistake-free cutting.

Scissors and Snip Set (4-Pack) 01-005028: \$18.40 (6/36)

Value-priced mix of scissors offers solutions for a wide range of cutting needs. Includes 5" scissors for detail cutting, 7" scissors for lightweight cutting, 8" scissors for all-purpose cutting and a snip for heavy-duty cutting.

SEWING & QUILTING TOOLS

Rotary cutters let customers lay fabric flat while they cut for a whole new level of precision. Available in a wide range of styles with 28 mm, 45 mm or 60 mm rotary blades to help customers find the rotary cutter that fits their project and their hand. Accessories like cutting mats, rulers and more help customers make the most out of their sewing and quilting time.

ROTARY CUTTERS

Rotary cutters save time for sewers and quilters because they allow the fabric to lay flat while cutting and eliminate the need to mark and cut individual pieces of fabric. But they won't only speed up projects — they'll also improve cutting accuracy. Customers can choose from a wide variety of blade styles, handle types and other features to find the rotary cutter that fits the way they work. All rotary cutters include a lifetime warranty.

Classic Stick Rotary Cutter (18 mm) 12-97977097: \$10.50 (6/36)

Our Classic Stick Rotary Cutter with an 18 mm blade is ideal for cutting precise details, curves and patterns on light materials. A symmetrical design provides comfortable use and control for right- or left-handed users, and a sliding button extends a blade guard for safety when not in use.

Classic Stick Rotary Cutter (28 mm) 12-97987097: \$10.50 (6/36)

Our Classic Stick Rotary Cutter with a 28 mm blade is ideal for cutting curves and patterns on light- to medium-weight materials. A symmetrical design provides comfortable use and control for right- or left-handed users, and a sliding button extends a blade guard for safety when not in use.

Classic Stick Rotary Cutter (45 mm) 12-97957097: \$17.00 (6/36)

Our Classic Stick Rotary Cutter with a 45 mm blade is ideal for crisp, controlled cuts on a wide variety of materials. A symmetrical design provides comfortable use and control for right- or left-handed users, and a sliding button extends a blade guard for safety when not in use.

NEW Titanium Comfort Stick Rotary Cutter (45 mm) 01-005828: \$18.00 (3/18)

Our Titanium Comfort Stick Rotary Cutter features a 45 mm blade with a titanium coating that is three times harder than steel for improved durability and lasting sharpness. It also includes an ergonomically sculpted, Softgrip® handle to fit your customer's hand more comfortably than other stick rotary cutters. A symmetrical design provides comfortable use and control for right- or left-handed users, and a sliding button extends a blade guard for safety when not in use.

BESTSELLER Comfort Loop Rotary Cutter (45 mm) 95217097: \$17.00 (6/36)

Our Comfort Loop Rotary Cutter with a 45 mm blade makes cutting a wide variety of quilting materials comfortable and easy. A curved shape with loop handle provides a natural fit for your customer's hand to improve comfort and control, and a versatile design provides excellent blade visibility for right- or left-handed users. It even includes a sliding button that extends the blade during use and retracts it for safe storage.

Fashion Comfort Loop Rotary Cutter (45 mm) 12-92637097: \$17.00 (6/36)

Assorted fashion colors.

NEW Titanium Comfort Loop Rotary Cutter (45 mm) 01-005874: \$20.00 (3/18)

Our Comfort Loop Rotary Cutter with a 45 mm blade makes cutting quilting materials a breeze, and an updated blade and handle make every job even easier. The blade features a titanium coating that is three times harder than steel for improved durability and lasting sharpness, and the handle includes Softgrip® to reduce hand fatigue. A curved shape with a loop handle provides a natural fit for your customer's hand to improve control, and a versatile design provides excellent blade visibility for right- or left-handed users. It even includes a sliding button that extends the blade during use and retracts it for safe storage. *Available in June 2011.*

Ergo Control Rotary Cutter (45 mm) 12-97937097: \$21.00 (6/36)

Our Ergo Control Rotary Cutter features a smooth-rolling 45 mm rotary blade that extends when the handle is squeezed and automatically retracts for safety when the handle is released. A thumb lock feature lets your customer lock the blade in the open or closed position for convenience. An ergonomically sculpted handle fits your customer's hand comfortably, and a longer handle design than other rotary cutters offers improved control. A unique blade design gives both right- and left-handed users excellent blade visibility.

Classic Stick Rotary Cutter (60 mm) 12-97967097: \$19.95 (6/36)

Our Classic Stick Rotary Cutter with a durable 60 mm blade offers precise cuts through thick quilting materials and multiple layers of fabric. A symmetrical design provides comfortable use and control for right- or left-handed users, and a sliding button extends a blade guard for safety when not in use.

NEW Titanium Comfort Loop Rotary Cutter (60 mm) 01-005875: \$23.00 (3/18)

Our Comfort Loop Rotary Cutter with a 60 mm blade offers precise cuts through thick quilting materials and multiple layers of fabric, and an updated blade and handle make every job even easier. The blade features a titanium coating that is three times harder than steel for improved durability and lasting sharpness, and the handle includes Softgrip® to reduce hand fatigue. A curved shape with a loop handle provides a natural fit for your customer's hand to improve control, and a versatile design provides excellent blade visibility for right- or left-handed users. It even includes a sliding button that extends the blade during use and retracts it for safe storage. *Available in June 2011.*

Ergo Control Rotary Cutter (60 mm) 12-97947097: \$31.50 (6/36)

Our Ergo Control Rotary Cutter features a heavy-duty 60 mm rotary blade that cuts smoothly through heavy materials. The blade extends when the handle is squeezed and automatically retracts for safety when the handle is released. A thumb lock feature lets your customer lock the blade in the open or closed position for convenience. An ergonomically sculpted handle fits your customer's hand comfortably, and a longer handle design than other rotary cutters offers improved control. A unique blade design gives both right- and left-handed users excellent blade visibility.

Straight Rotary Blades (18 mm, 2 pack) 01-005243: \$4.25 (3/18)

The smallest rotary blade sold in a convenient 2 pack. Blades fit most 18 mm rotary cutters on the market. High-quality steel with razor-sharp edge grind.

Straight Rotary Blades (28 mm, 2 pack) 95417097: \$6.75 (6/36)

Razor-sharp replacement rotary blades fit most 28 mm rotary cutters on the market. High-quality steel with razor-sharp edge grind.

Straight Rotary Blade (45 mm) 95317097: \$6.75 (6/36)

This high-quality, razor-sharp steel rotary blade fits most 45 mm rotary cutters on the market. Sharper than ever, with improved edge grind that gives the blade a longer life.

Straight Rotary Blades (45 mm, 5 pack) 95287097: \$26.50 (6/36)

NEW **Straight Titanium Rotary Blade (45 mm)** 01-005872: \$8.00 (3/18)

Fiskars' high-quality, razor-sharp replacement blades are now available with a titanium coating that is three times harder than steel. Fits most 45 mm rotary cutters. *Available in June 2011.*

Straight Titanium Rotary Blade (45 mm, 2 pack) 01-005829: \$13.00 (3/18)

Straight Rotary Blade (60 mm) 12-93737097: \$9.50 (6/36)

This high-quality, razor-sharp steel rotary blade fits most 60 mm rotary cutters on the market. Sharper than ever, with improved edge grind that gives the blade a longer life.

Straight Rotary Blade (60 mm, 5 pack) 01-004013: \$38.00 (6/36)

NEW **Straight Titanium Rotary Blade (60 mm)** 01-005895: \$10.50 (3/18)

Fiskars' high-quality, razor-sharp replacement blades are now available with a titanium coating that is three times harder than steel. Fits most 60 mm rotary cutters. *Available in June 2011.*

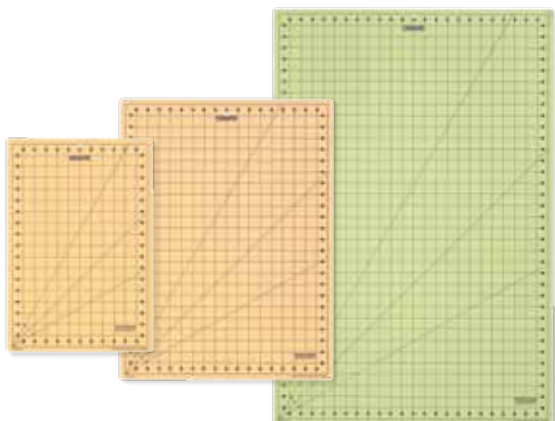

Straight Rotary Blade (65 mm) 95467097: \$9.50 (6/36)

A high quality, razor-sharp blade for our 65 mm rotary cutter.

Note: Our 65 mm rotary cutter is no longer available. However, we continue to offer the replacement blade as a convenience to our loyal customers.

CUTTING MATS

Help customers improve their next sewing or quilting project with cutting mats designed to make measuring and cutting quick, easy and accurate. A wide selection of cutting mats are available in different sizes for at-home or portable use. Our premium Cutting Mats feature self-healing surfaces and measuring grids on both sides of the mat to provide twice the life of other cutting mats. Our new self-healing Eco Cutting Mats are made of 100% polypropylene, so they can be recycled after both sides are worn out.

Cutting Mat (24" x 36") 12-83727097: \$43.05 (-/3)

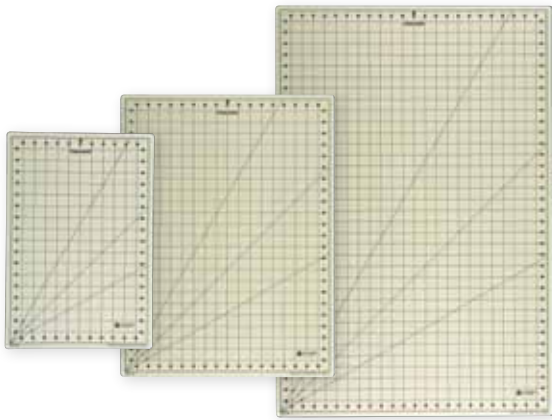

Our largest Cutting Mat is perfectly sized for cutting full widths of fabric right off the bolt, extra-large fabric squares and long fabric strips. A self-healing mat with measuring grids on both sides gives customers a work surface that outlasts other mats. Included bias lines make shape cutting and cutting at angles a breeze.

Cutting Mat (18" x 24") 12-83717097: \$22.05 (-/3)

This high-quality Cutting Mat is ideal for cutting full widths of fabric right off the bolt. It's perfectly sized for the job, and a self-healing mat with measuring grids on both sides outlasts others. Included bias lines make shape cutting and cutting at angles a breeze.

Cutting Mat (12" x 18") 12-83707097: \$13.65 (-/3)

This compact Cutting Mat is the ideal size for easy transport, convenient storage or cutting fabric in a small workspace. It features a self-healing mat with measuring grids on both sides to outlast other cutting mats. Included bias lines make shape cutting and cutting at angles a breeze.

NEW Eco Cutting Mat (24" x 36") 01-005901: \$43.05 (-/3)

Extra-large Cutting Mat is perfectly sized for cutting full widths of fabric right off the bolt, extra-large fabric squares and long fabric strips. A self-healing mat with measuring grids on both sides gives your customers a work surface that outlasts other mats. 100% recyclable. *Available in June 2011.*

NEW Eco Cutting Mat (18" x 24") 01-005900: \$22.05 (-/3)

This high-quality Cutting Mat is ideal for cutting full widths of fabric right off the bolt. It's perfectly sized for the job, and a self-healing mat with measuring grids on both sides outlasts others. 100% recyclable. *Available in June 2011.*

NEW Eco Cutting Mat (12" x 18") 01-005899: \$13.65 (-/3)

This compact Cutting Mat is the ideal size for easy transport, convenient storage or cutting fabric in a small workspace. It features a self-healing mat with measuring grids on both sides to outlast other cutting mats. 100% recyclable. *Available in June 2011.*

RULERS

Rulers specifically sized for different fabric cutting tasks add a new level of precision to cutting fabric strips, small squares or large blocks, even when cutting full widths of fabric directly from the bolt. Constructed of durable, clear acrylic, each includes easy-to-read measurements with 30°, 45° and 60° bias lines on the 6" x 24" size.

Fashion Acrylic Ruler (3" x 18") 12-87567097: \$7.35 (3/18)

Make quick work of cutting strips and smaller squares with this easy-to-handle ruler. Measurements in Fiskars® fashion colors.

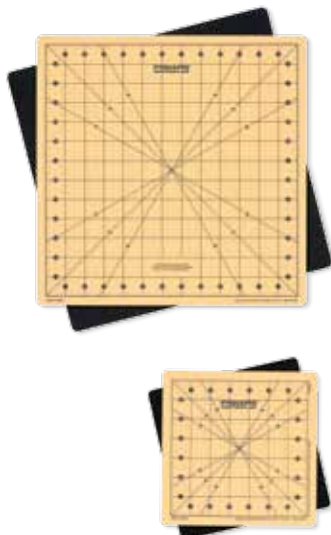

Fashion Acrylic Ruler (6" x 24") 12-87577097: \$13.65 (3/18)

A must have ruler for every sewer or quilter, this ruler is perfectly sized for cutting full widths of fabric right from the bolt. Measurements in Fiskars® fashion colors.

ROTATING MATS

Cutting mats that rotate 360° make squaring off large quilting blocks up to 12.5" or cutting out appliqué quicker and more convenient. Both features self-healing mats with easy-to-read measuring grids, plus 30°, 45° and 60° bias lines to make accurate shape cutting hassle-free.

Rotating Cutting Mat (14" x 14")

01-000059: \$33.60 (-/3)

Rotating Cutting Mat (8" x 8")

01-001625: \$12.99 (-/3)

STARTER KITS & TOOLS

Capture maximum sales with these all-in-one sets. Our portable Rotary Cutting Sets include everything customers need to cut fabric on the go, and our Sew Taxi provides a convenient carrying case for essential tools.

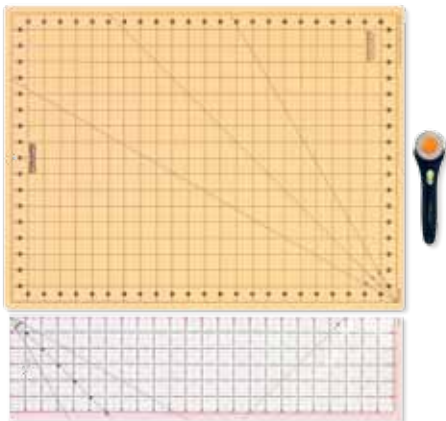

Sew Taxi 12-59777097: \$13.65 (3/36)

Our Sew Taxi offers a wide range of sewing tools in a compact carrying case, perfect for a sewing box or carry-all. It includes a thread cutter, magnifying glass, seam ripper, piercing punch, punch needle, stuffing tool, knit picker, tweezers, safety pin, measuring tape, needle threader and long needle threader. The clear, shatter-resistant cover keeps all the tools organized and protected.

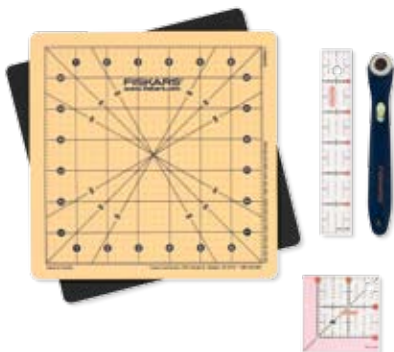

Rotary Cutting Set (2-piece) 95227097: \$23.80 (-/2)

This cutting set has everything your customers need to cut fabric, and it's perfectly sized for easy storage and transport. Set includes 45 mm Classic Stick Rotary Cutter and 6" x 18" Self-healing Cutting Mat.

Rotary Cutting Set (3-piece) 95237097: \$53.20 (-/6)

This top-selling rotary cutting set has everything a beginning quilter needs to start measuring and cutting fabric for their first quilt. Set includes 45 mm Classic Stick Rotary Cutter, 18" x 24" Cutting Mat and 6" x 24" Acrylic Quilting Ruler.

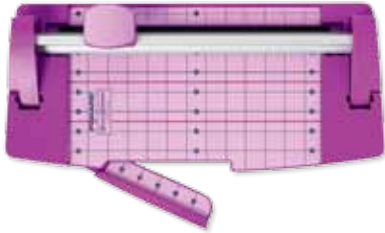

Rotating Mat and Trim Set (4-piece) 01-003907: \$24.99 (6/24)

This take-along tool set is the perfect choice to make trimming half-square triangle quilt pieces or cutting out fabric appliqué easier and quicker than ever. Set includes 18 mm Classic Stick Rotary Cutter, 8" x 8" rotating mat, 2 1/2" x 2 1/2" ruler and 1" x 6" ruler.

DONNA DEWBERRY COLLECTION

In 2006, Fiskars® partnered with artist Donna Dewberry to help develop a line of sewing and quilting tools that combine Fiskars' tradition of quality with her signature flair. A variety of products make it easy for customers to find the tool right for the job and their personal style. Be sure to check out her complementary scissors on page 7.

Fabric Strip Cutter (45 mm) 01-000472: \$55.00 (-/3)

Fabric Strip Cutter combines a cutting surface, ruler and rotary blade to make measuring accurate and cutting through multiple layers of fabric effortless. It also includes a self-leveling, swing-out ruler to extend the deck to a full 13", a cutting bar with magnetic arm and a Softgrip® blade handle for comfortable use.

Ergo Control Rotary Cutter (45 mm) 12-39767097: \$21.00 (6/36)

The Donna Dewberry Ergo Control Rotary Cutter features a sharp, smooth-rolling 45 mm rotary blade and an ergonomically sculpted handle designed to fit your customer's hand comfortably. Other features include a longer handle than other rotary cutters, a blade that retracts when the handle is released, and a specialized design that gives both right- and left-handed users excellent blade visibility.

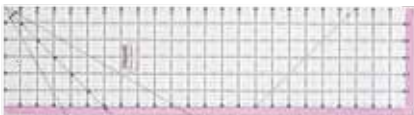

Sew Taxi 12-59787097: \$13.65 (3/36)

Our Donna Dewberry Sew Taxi offers a wide range of sewing tools in a compact carrying case, perfect for a sewing box or carry-all. It includes a thread cutter, magnifying glass, seam ripper, piercing punch, punch needle, stuffing tool, knit picker, tweezers, safety pin, measuring tape, needle threader and long needle threader. The clear, shatter-resistant cover keeps all the tools organized and protected.

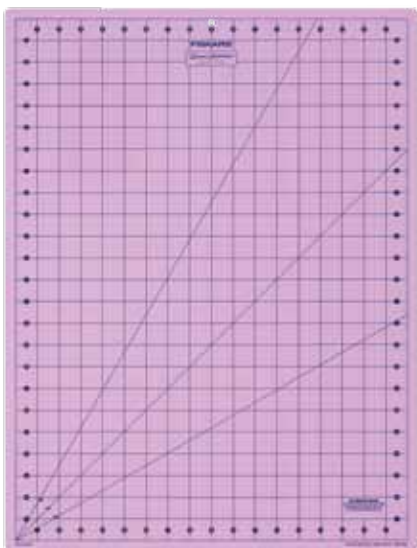

Acrylic Ruler (3 1/2" x 18 1/2") 12-39817097: \$33.60 (3/16)

This ruler is conveniently sized for cutting strips of fabric measuring up to 3 1/2 inches wide. Highlighted 1/2 inch seam allowance measurements. Optional non-slip vinyl feet can be added or removed without damaging the ruler.

Acrylic Ruler (6 1/2" x 24 1/2") 12-39797097: \$17.85 (3/18)

Our Donna Dewberry Acrylic Ruler features a highlighted seam allowance and easy-to-read grid lines to make cutting perfectly sized fabric strips a breeze. Other features include broken grid lines for easy visibility of fabric edges, 45-degree line indicators and optional non-slip vinyl feet.

Cutting Mat (24" x 36") 12-39777097: \$22.05 (-/3)

Our Donna Dewberry Cutting Mat is perfectly sized for cutting full widths of fabric right off the bolt, and a self-healing mat with measuring grids on both sides provides long-lasting performance. It also includes bias lines for easy shape cutting.
