### WE ARE GPI

Great Plains Industries is a leading manufacturer of fuel transfer pumps, diesel pumps and hand pumps. GPI has become the supplier of choice for truck mounted pumps, fleet fueling pumps, vane pumps and cabinet pumps. GPI is the #1 brand of fuel transfer pumps sold at retail.

GPI offers a full line of gasoline transfer pumps, diesel transfer pumps and fuel meters designed specifically for agricultural fueling, construction fueling and fleet fueling applications. We also have specific products for use with oil and chemicals.

GPI products are designed, engineered and tested to exacting standards before being introduced to the market. Products built by GPI are 100% functionally tested to ensure years of dependable service.

Most products from GPI carry a full, two-year warranty. We are proud to provide you with a quality product and excellent support after the sale. Should you have a problem with any GPI product or need replacement parts, contact our Technical Support staff at the factory for assistance.

## HAND PUMPS FOR CHEMICALS

### WHAT'S DIFFERENT ABOUT PUMPING CHEMICALS?

Harsh chemicals require a different kind of pump. Chemicals can make mush of internal seals and pit the internals of a pump that is not specifically designed for chemicals. Our products are tested inside and out to resist the damage caused by chemicals. Contact GPI Customer Service at **1-800-835-0113** if you have questions about chemical compatibility.
