UNEQUALLED CUSTOMER SERVICE

IN THE USA

WE ARE GPI

Great Plains Industries is a leading manufacturer of fuel transfer pumps, diesel pumps and hand pumps. GPI has become the supplier of choice for vane and gear pumps including truck mounted pumps, fleet fueling and cabinet pumps. GPI is the #1 brand of fuel transfer pumps sold at retail.

GPI offers a full line of gasoline transfer pumps, diesel transfer pumps and fuel meters designed specifically for agricultural fueling, construction fueling and fleet fueling applications. We also have specific products for use with oil and chemicals.

GPI products are designed, engineered and tested to exacting standards before being introduced to the market. Products built by GPI are 100% functionally tested to ensure years of dependable service.

Most products from GPI carry a full, two-year warranty. We are proud to provide you with a quality product and excellent support after the sale. Should you have a problem with any GPI product or need replacement parts, contact our Technical Support staff at the factory for assistance.

HAND PUMPS FOR CHEMICALS

WHAT'S DIFFERENT ABOUT PUMPING CHEMICALS?

Harsh chemicals require a different kind of pump. Chemicals can damage internal seals and pit the internals of a pump that is not specifically designed for chemicals. Our products are tested inside and out to resist the damage caused by chemicals. Contact GPI Customer Service at **1-800-835-0113** if you have questions about chemical compatibility.

PUMP SPECS	WORLD'S HIGHEST FLOW HAND PUMP		
MODEL	HP-100C-2TC	LP-50

REBUILT PRODUCTS

GPI SELLS REBUILT PRODUCTS

All GPI Rebuilt Products have been thoroughly evaluated based on our strict quality standards. Rebuilt pumps always contain new gears, seals and motors. GPI replaces other components as necessary when we refurbish and test the products. GPI Rebuilt Products include new accessories like the nozzle, power cord, suction pipe and hardware kits.

E85 PUMPS

GPI Offers two pumps specifically designed for use with E85.

Choose the
M-3120-E85-P0 pump
with a one-year
warranty, or the
nickel plated
M-3120-E85NP-P0
pump with a
two-year warranty.

Both motors are U.L. Listed to U.S. and Canadian safety standards.

Both pumps are 115-volt AC Vane Pumps and deliver 20 GPM (75 LPM).
