Havells Switches About Us

Havells India Ltd is a billion-dollar-plus organization, and is one of the largest & India's fastest growing electrical and power distribution equipment manufacturer with products ranging from Industrial & Domestic Circuit Protection Switchgear, Cables & Wires, Energy Meters, Motors, Fans, Power Capacitors, CFL Lamps, Luminaries for Domestic, Commercial & Industrial applications, Modular Switches & Bathfittings covering the entire gamut of household, commercial and industrial electrical needs.

Havells owns some of the prestigious global brands like Crabtree, Sylvania, Concord, Luminance, Linolite, & SLI Lighting.

With 91 branches / representative offices and over 8000 professionals in over 50 countries across the globe, the group has achieved rapid success in the past few years. Its 11 state-of-the-art manufacturing plants in India located at Haridwar, Baddi, Samepur Badli, Noida, Sahibabad, Faridabad, Bhiwadi, Alwar, Neemrana, and 10 state-of-the-art manufacturing plants located across Europe, Latin America & Africa churn out globally acclaimed products. Havells India Ltd is a name synonymous with excellence and expertise in the electrical industry. Its 20000 strong global distribution network is prompt to service customers.

The company has acquired a number of International certifications like CSA, KEMA, CB, CE, ASTA, CPA, SEMKO, SIRIUM (Malaysia), SPRING (Singapore), TSE (Turkey), SNI (Indonesia) and EDD (Bahrain) for various products. Today, Havells and its brands have emerged as the preferred choice of electrical products for discerning individuals and industrial consumers both in India and abroad.

In an attempt to transform itself from an industrial product company to a consumer products company, Havells launched the consumer electrical products such as CFLs, Fans, Modular Switches & Luminaries. The company has been consistent in its brand promotion with sponsorship of Cricket events like T20 World Cup, India-Australia Series and IPL. The company has also taken the initiative to reach directly to the consumers through "Havells Galaxy" – a one stop shop for all electrical and lighting needs.

Social and environmental responsibility has been at the forefront of Havells operating philosophy and as a result the company consistently contributes to socially responsible activities. For instance, the company is providing mid-day meal in government schools in Alwar district, covering 15000 students per day. Besides this, the company has acquired land for constructing a larger kitchen with all the modern facilities to serve freshly cooked food to 50000 students in the area. Havells runs a mobile Medical Van, equipped with a trained doctor and necessary medicines in the rural areas of Delhi & NCR for the very poor and needy villagers. We also set up free medical check-up camps. In the past also, the company has generously contributed to the society during various national calamities like the Bihar Flood, Tsunami and Kargil National Relief Fund etc.

The essence of Havells success lies in the expertise of its fine team of professionals, strong relationships with associates and the ability to adapt quickly and efficiently, with the vision to always think ahead.

Features

- Captive Screws at the terminals
- Sleek design & soft operation of switches
- Available in pure white colour • Glossy finish
- Complete Mega Range

Tips to fit clips of Coral

Install the module into plates

Check if the lock fits the locking position properly

When finish the installation, please check the lock of module into right position of the plates

On this picture, the lock of module is not on the right position

Now it is on the right position

If you find the module lock is not on the right position, please use finger tips to push it to the right position.

You can use screw driver to push it, and bring the lock on right position

Now the lock is on the right position

If you think using finger tip is difficult, please use screw driver to push to the right position. When the lock is at right position, the module will not come out while using plugs

- Features:
- Compact & Flushed Designed Plates
 - Available in pure white colour
 - Glossy finish
 - Electrically excellent switches, sockets & fan regulator

Salient Features

- Vo grade Polycarbonate of G.E. Laxen has been used to manufacture entire range, having best fire retardant and U/V protection properties.
- Arcing not visible at the time of making and breaking in the circuit. TV Sockets have well designed PCB.
- Big terminals in switches & sockets provide less temperature rise at terminal points.
- More volume of Silver Cadmium Oxide (AgCdo) in fixed and moving tips give more life to the switch.
- Switches have circuit diagram printed and visible as markings on the base cover.
- Fan Regulator has a constant speed gap through all the steps & have more life.
- Phosphorus Bronze has been used instead of Brass in the sockets because Phosphorus Bronze has more flexible strength and is more conductive in nature.
- Delrin shutter is used in sockets instead of Nylon, as Delrin has more lubricating properties and better mechanical strength.
- The only range (PEARLZ) which has flushed design plates.
- Captive screws at the terminals (CORAL)
- Well designed knob provides soft touch operation and ultra tech mechanism ensures longevity.

Terms & Conditions :

- All prices are in Indian Rupees.
- The prices are inclusive of all Government levies.
- Goods are despatched by us on purchaser's risk.
- All claims for loss, damage or shortage will be filed by the purchaser directly.
- Disputes, if any, are subject to Delhi Jurisdiction only.
- Prices are subject to change without notice.

Havells shall repair or replace products, at their discretion, if the products are found to be defective, solely as a result of faulty material and/or workmanship, within 10 years from the date of purchase, in the case of Electro-mechanical wiring device products. The guarantee for all mains related Electronic wiring products viz. dimmers, step fan regulators and indicator modules shall be for a period of one year from the date of purchase.

Guarantee does not include Havells mounting boxes. The guarantee defines the Company's entire liability and does not cover consequential loss or damage, or reinstallation cost arising from defective product. The Company reserves the right to change/improve the design, without prior notice. In such cases, replacements shall be carried out, with design of the accessories prevailing at that point in time.

The guarantee for all products shall be rendered null & void:

- 1) If the product is altered, dismantled or rectified.
- 2) If the original Havells mounting boxes have not been used to mount the plates and accessories.

HAVELLS

a design that performs

Features:

- FR grade Poly Carbonate with high impact resistance, shock proof & UV rays stabilized
- Crossed rib construction for better strength
- Child safe. Dust resistant switches
- Perfect blend of aesthetics & performance
- Available in a glossy white finish

Presenting the ORO Range of switches

Built with the perfect mix of a sense of design and rugged performance, ORO switches not only last longer but also fuel your imagination.

The ORO range of switches are made from FR grade Poly Carbonate which makes these switches shock and dust proof and resistant to high impact and UV rays. They are based on crossed rib construction which provides extra strength and shuttered socket for complete child safety. ORO switches have captive screws, IP 20 Protection and their unique terminal contactor's design ensures maximum pin contact and are suitable for any type of plug. They conform to the highest quality standards and have a glossy white finish for a soothing effect.
