## The Wipes Advantage

Premoistened wipes are readily accepted by workers for hand hygiene, skin protection and work area cleaning. Here's why:

- Premeasured delivery of formula is always right – no messy dispensing, dilution or mixing; no mistakes
- Clean and fresh – eliminate and remove contaminants and reduce risk of cross contamination
- Faster – save time and labor by eliminating steps
- Portable and convenient – easy to dispense, carry and use

**ANYWHERE, ANYPLACE, ANYTIME!™**

### SCRUBS® Hand Cleaner Towels

**ALWAYS  
BLUE®**

- Thoroughly cleans hands without water
- Genuine SCRUBS® Hand Cleaner Towels offer the effectiveness of pumice soap away from the sink and are "Always Blue"
- Removes dirt, oil, grease, tar, adhesive, paint, ink and more
- Citrus-based, patented formula loosens, dissolves and traps soil
- Locks in dirt; will not transfer soils back onto hands
- Leaves hands clean and conditioned without rinsing
- Recyclable bucket and canister

U.S. Patent # 5,683,971 NSF® Certified - E4

Blue,  
dual texture

Product # 42272 - 72 Towels  
# 42230 - 30 Towels  
# 42210 - 10 Towels  
# 42201 - 100 Single Packs

### SCRUBS® Hand Sanitizer Wipes

- Kills, absorbs and *removes* 99.9% of disease-causing germs
- Combines highly effective anti-microbial formula and dual-texture towel
- Dissolves and *removes* contaminated bio-film
- Helps reduce the risk of infection when soap and water are not available
- Low alcohol formula is gentle to skin; reduces drying and chapping
- Recyclable bucket and canister

Kills in 10 seconds: *Candida albicans*; *Pseudomonas aeruginosa*; *Salmonella enterica*; *Methicillin-resistant Staphylococcus aureus* (MRSA); *Staphylococcus aureus*; *Streptococcus pyogenes*

Kills in 20 seconds: *Escherichia coli*

U.S. Patent # 5,962,001 NSF® Certified - E3, FDA-Regulated

Blue,  
dual texture

Product # 90978 - 200 Wipes  
# 90985 - 85 Wipes  
# 90956 - 50 Wipes  
# 90910 - 10 Wipes  
# 90901 - 100 Single Packs

## Hand Hygiene

Clean hands are safer hands. SCRUBS® Brand Hand Cleaner Towels and Hand Sanitizer Wipes combine the most effective cleaning and sanitizing formulas with strong, absorbent dual-textured substrates to provide powerful yet gentle hand cleansing and germ-fighting protection.

### SCRUBS® Lemon Hand Sanitizer Wipes

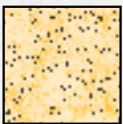

- Kills, absorbs and *removes* 99.9% of disease-causing germs
- Combines highly effective anti-microbial formula and dual-texture towel
- Dissolves and *removes* contaminated bio-film
- Helps reduce the risk of infection when soap and water are not available
- Low alcohol formula is gentle to skin; reduces drying and chapping
- Refreshing lemon scent
- Recyclable bucket and canister

Kills in 10 seconds: *Candida albicans*; *Pseudomonas aeruginosa*; *Salmonella enterica*; Methicillin-resistant *Staphylococcus aureus* (MRSA); *Staphylococcus aureus*; *Streptococcus pyogenes*

Kills in 20 seconds: *Escherichia coli*

U.S. Patent # 5,962,001 NSF® Certified - E4, FDA-Regulated

Yellow,  
dual texture

Product # 92991 - 120 Wipes  
# 92901 - 100 Single Packs

### SCRUBS® Foaming Hand Sanitizer

- Kills 99.9% of disease-causing germs
- Highly effective anti-microbial formula
- Helps reduce the risk of infection when soap and water are not available
- Low alcohol formula conditions and moisturizes hands
- Light lemon scent
- Large pump head is easy to depress with fingertips or palm
- Pump head twists to lock closed
- 150+ applications per container
- Recyclable container

Kills in 10 seconds: *Candida albicans*; *Pseudomonas aeruginosa*; *Salmonella enterica*; Methicillin-resistant *Staphylococcus aureus* (MRSA); *Staphylococcus aureus*; *Streptococcus pyogenes*

Kills in 20 seconds:  
*Escherichia coli*

FDA-Regulated

Product # 92908 -  
8.5 oz. Dispenser

## Outdoor Worker Protection

Construction and utility workers, surveyors and route drivers are just a few of the many trades that are exposed to the damaging effects of the sun's UV rays as well as biting and stinging insects. SCRUBS® Brand Wipes offer controlled one-step application of effective sunscreen and insect repellents. And stinging insects and their nests are kept in check with THE End.™ aerosol.

### SCRUBS® SOLAR GUARD™ Sunscreen Wipes

- SPF 30+ broad-spectrum formula protects from UVA and UVB rays
- Greaseless – leaves no residue or greasy feel
- Sweat- and water-resistant – won't run into eyes
- Helps develop a daily skin protection habit
- Easy to dispense, carry and use
- Facial quality wipe speeds application
- Cool liquid formula absorbs quickly
- Does not interfere with ability to grip tools or controls
- Does not contain 4-Aminobenzoic acid (PABA)

**FDA-Regulated**

**Passes Lineman's Glove Test**

**Product # 91201 - 100 Single Packs**

### SCRUBS® INSECT SHIELD™ Insect Repellent Wipes

- 30% DEET formula provides safe, highly effective protection from mosquitos, chiggers, ticks, flies, fleas\*
- Sweat- and water-resistant – won't run into eyes
- Greaseless – leaves no residue or greasy feel
- Eliminates risk of chemical inhalation from mists or sprays
- Easy to dispense, carry and use
- Cool liquid formula absorbs quickly
- Does not interfere with ability to grip tools or controls

**EPA-Registered**

**Passes Lineman's Glove Test**

**Product # 91401 - 100 Single Packs**

*\*Insects known to carry West Nile Virus and Lyme Disease*

### SCRUBS® SUN SKEETER™ Insect Repellent + Sunscreen Wipes

- SPF 25 broad-spectrum formula protects from UVA and UVB rays
- 20% DEET formula provides safe, highly effective protection from mosquitos, chiggers, ticks, flies, fleas\*
- Sweat- and water-resistant – won't run into eyes
- Greaseless – leaves no residue or greasy feel
- Only product that combines broad spectrum sunscreen and the power of DEET to repel insects in a single application
- Easy to dispense, carry and use
- Cool liquid formula absorbs quickly
- Does not contain 4-Aminobenzoic acid (PABA)

**EPA-Registered**

**Passes Lineman's Glove Test**

**Product # 91501 - 100 Single Packs**

*\*Insects known to carry West Nile Virus and Lyme Disease*

### THE End.™ Wasp & Hornet Killer

- Instant knockdown of wasps, hornets, yellow jackets and bees
- Range up to 20 feet
- Residual action prevents return of insects and new nests
- Non-conductive to 40,700 volts
- Powerful and effective protection

**EPA-Registered**

**Passes Lineman's Glove Test**

**Product # 18320 - 20 oz. Aerosol  
(12 oz. net)**

*Crawling Insect and DRY FOG™ Flying Insect Formulas also available*

## PPE & Work Area Hygiene

Personal protective equipment that is well maintained and cleaned enhances worker productivity and safety. Keep eye and face protection free from contaminants with SCRUBS® Brand Wipes. And "highly touched objects" and work surfaces also benefit from positive steps toward infection control from SCRUBS® germicidal and disinfectant formulas.

### SCRUBS® Safety Lens Wipes

- Wall-mounted canister dispenser and single packs eliminate queuing at lens cleaning station
- Streak-free formula includes anti-static and anti-fog properties
- Will not harm lens coatings and films
- Saturated wipe eliminates overspray and drips
- Large wipe is easy to handle and effectively cleans safety lenses, goggles and face shields
- Removes fingerprints, smoke film, skin oils, smudges, spatters
- Ammonia-free
- Recyclable canister

White,  
lint-free

**Product # 98491 - 120 Wipes**  
**# 98401 - 100 Single Packs**

### SCRUBS® Green Cleaning Wipes

- Effectively cleans water-safe hard surfaces without phosphates or toxic chemicals
- Non-flammable; low VOC
- Biodegradable, flushable, disperses in water
- Fragrance and dye-free
- Recyclable canister

White,  
smooth

**Product # 91828 - 90 Wipes**  
**# 91801 - 100 Single Packs**

### SCRUBS® MEDAPHENE® Disinfectant Deodorizing Wipes

- Effective germ-killing disinfectant combined with tough, abrasive wipe cleans hard, non-porous surfaces and eliminates odors
- Low pH water-based formula keeps surfaces wet longer to optimize disinfecting time
- Dual-texture wipe loosens and absorbs surface contaminants
- Fungicidal, pseudomonacidal, bactericidal, virucidal, tuberculocidal (see kill claims below)

Blue,  
dual texture

**EPA-Registered**

**Product # 90378 - 200 Wipes**  
**# 90365 - 65 Wipes**  
**# 90356 - 50 Wipes**

*Aerosol and trigger spray formulas also available*

Effective against: Adenovirus-2, Coxsackie virus B5a, Cytomegalovirus, Herpes Simplex Type 1 & 2, HIV-1, Influenza A2, Poliovirus 1 & 2, Respiratory Syncytial Virus, Rhinovirus, Rotavirus SA-11, Vaccinia virus, Mycobacterium tuberculosis, Pseudomonas aeruginosa, Salmonella enterica, Staphylococcus aureus, Trichophyton mentagrophytes. Contact times may vary.

### SCRUBS® do-it ALL™ Germicidal Wipes

- Cleans, disinfects and deodorizes hard, non-porous surfaces and "highly touched objects" in one step
- Pseudomonacidal, bactericidal, virucidal, tuberculocidal (see kill claims below)
- Saturated wipe delivers measured amount of germicidal formula without mixing or diluting
- Fresh light lemon scent
- Recyclable canister

White,  
smooth

**EPA-Registered**

**Product # 98028 - 90 Wipes**

*Aerosol and trigger spray formulas also available*

Effective against: Feline calicivirus (FCV); Human Immunodeficiency Virus Type 1 (HIV-1); Norovirus; Escherichia coli (E. coli); Methicillin-resistant Staphylococcus aureus (MRSA); Mycobacterium bovis BCG (Tuberculosis); Pseudomonas aeruginosa; Salmonella enterica; Staphylococcus aureus; Vancomycin intermediate resistant Staphylococcus aureus (VISA); Vancomycin-resistant Enterococcus (VRE). Contact times may vary.

## Security Marking Products

Clear, permanent identification marks and color-coding provide added security as well as protection against tampering or changes in settings and controls. DYKEM® marking products are carefully formulated and built to deliver vivid color and durability.

### DYKEM® BRITE-MARK® Paint Marker

#### Oil-Based Marker with Valve Action Mechanism

- General purpose felt-tip permanent marker
- Heavy duty aluminum body with large paint capacity
- Quick-drying oil-based paint withstands indoor and outdoor conditions without fading, chipping or losing opacity
- Makes clear, bold markings on most surfaces, including metal, rubber, plastic, glass, concrete, stone, wood and more
- Does not contain reportable amounts of xylene
- Valve-action medium point tip will not dry out and is replaceable
- Drying time: 25-35 seconds

Also available with threaded cap and barrel, and fine fiber tip.

Box of 12 Markers	Color
84001	Blue
84002	Black
84003	White
84004	Yellow
84005	Orange
84006	Red
84007	Green

Box of 12 Markers	Color
84008	Lt. Blue
84009	Pink
84010	Brown
84019	Violet
84022	Lt Green
84050	Silver
84051	Gold

### DYKEM® BRITE-MARK® H<sub>2</sub>O Paint Marker

#### Water-Based Marker with Valve Action Mechanism

- General purpose felt-tip permanent marker for applications where low VOC levels are required
- Makes clear, opaque markings on most surfaces, including metal, rubber, plastic, glass, concrete, stone, wood and more
- Does not contain reportable amounts of xylene
- Valve-action medium point tip will not dry out and is replaceable
- Low odor
- Flash point >212° F
- Drying time: 60-90 seconds

Box of 12 Markers	Color
91425	White
91426	Black
91427	Yellow
91428	Red
91602	Green
91603	Blue
91604	Orange

## Accessories & Merchandisers

**SCRUBS in-a-Bucket® Header #42296**  
Easily build a point-of-sale display by stacking SCRUBS in-a-Bucket® cases, cutting the top case along the dotted line and sliding the header behind the buckets.

**SCRUBS® Accessory Wall Bracket – Product #42293**

- Makes dispensing SCRUBS® Brand Wipes convenient and easy
- Mounts to any flat vertical surface – walls, vehicles, equipment, utility carts
- Heavy duty powder-coated steel frame is easy to install with two fasteners

**Single Pack Dispenser Box**  
Tear off the perforated flaps and front scoop of the SCRUBS® Single Packs carton to create a dispenser and merchandiser.

**BRITE-MARK® Paint Marker Canister – Product #84060**  
Dispense and display 36 BRITE-MARK® Paint Markers in a handy cylinder that includes 12 each Black, White and Yellow Markers.

### DYKEM® SAFE-MARK Marker

#### Food-Safe Marker

- General purpose, quick-drying permanent ink marker
- Only marker certified by NSF International as safe for marking food contact surfaces in processing or holding food products
- Metal-detectable barrel and cap
- Valve-action tip will not dry out; locked nib cannot separate from marker
- Metal barrel is threaded to retain cap during use
- Effective on metal, glass, plastic, cardboard, rubber, shrink film, stretch wrap and more
- Withstands temperatures from -20° F to 475° F
- Color: Black

#### NSF® Certified-R1

#### US Patent Pending

**Product** # 40907 - Box of 12 Black Markers  
 # 82907 - Bulk Ink, 1 gal.

### DYKEM® CROSS-CHECK™

#### Positive Visual Tamper-Proof Indicator

- Leaves a bright colored mark to safeguard instrument and control settings
- Ensures factory settings are maintained for warranty protection
- When tampering occurs, broken mark is easy to see
- Allows easy visual detection of loose fasteners and torque that is out of alignment
- Highly visible under ambient light and fluorescent under UV light
- Colors conform to HACCP for use in food processing and handling
