VERSION 12

TRADITION. INNOVATION. PERFORMANCE.

KEY-BAK® has been providing **American Made Products and Innovation for over 60 years**. Developed to help railroad linemen from snagging large, dangling key chains on trains, KEY-BAK® reels have become an **invaluable tool in the daily lives of countless professionals in just about every industry**. Not only are KEY-BAK® reels safer than traditional key chains, they're also more practical and convenient—and even **work great for small hand tools, gauges, flashlights, law enforcement and outdoor gear!**

From **the First Retractable Key Reel, the Original KEY-BAK® in 1948**, to our full line of Duty-Gear products in 2010, KEY-BAK® continues to be a **Leading Innovator** in manufacturing and distributing the **Highest Quality Secure Access Control Products.**

Every KEY-BAK® product is backed by a Lifetime Service Policy.
