The Pros Know

Quality. Dependability. Confidence. When the caliber of the tools is just as important as the skills of the professionals employed, businesses trust Mayhew to get the job done. Since 1856, our punches, chisels, and pry bars have been the go-to tools for OEMs and professional mechanics throughout the country. And while our company has grown to meet the needs of the professional market, as well as those of the do-it-yourself automotive enthusiast, our focus has never changed—leveraging our strength to build your business.

Leverage Your Time Right… Now

This isn't about casual tinkering or an occasional repair. Professionals depend on their tools to work properly each and every time they pick them up—anything less than that amounts to lost time and revenue. The MayhewPro™ series is for the men and women who understand and depend on effectiveness, reliability, and durability for their livelihood. Backed by a lifetime warranty and more than 150 years of manufacturing experience, MayhewPro professional-grade tools are designed for unmatched, unwavering performance, ensuring you always have what you need to get the job done.

- High-grade S-2 steel for superior tensile strength, toughness, and long life
- Full shank heat treating and parabolic head to reduce mushrooming and chipping of struck end
- Professional black oxide finish for enhanced corrosion resistance
- Full, unconditional lifetime warranty

The Dominator®

Go Ahead and Whack It!

Dominator tools mean business. With a hardened and tempered steel shaft extending through the handle and strikeable capped end, Dominator delivers the prying power and force you need to take on the toughest jobs.

Some Jobs are Tough; These Tools are Tougher

Dominator is the workhorse of the MayhewPro™ series. Uniquely designed for unparalleled strength and durability, this exclusive collection of professional-grade capped end pry bars and specialty tools stands up to punishment just as easily as it dishes it out.

- Capped end is in direct contact with the shaft and allows the user to strike the tool without damaging the handle
- Patented two-composite handle is ergonomically designed, providing superior comfort and grip
- Hardened, tempered-steel shaft runs from the cutting edge through the handle, delivering maximum durability and prying power

The Dominator® Go Ahead and Whack It!

Ripping Chisel

- Used to rip apart building materials and pull apart studs
- Has handy nail slots to help remove stubborn nails when separating wood
- Black oxide finish for additional rust protection
- Made in the USA

The Dominator® Go Ahead and Whack It!

Carbon Scrapers
– Straight

- Used for a multitude of applications, such as removing gaskets, rust, paint, carbon buildup, and floor tile
- Blades are ground for a sharp edge and can be resharpened after heavy use to return the cutting edge to its original sharpness
- Capped end in direct contact with the tempered steel shaft
- Patented, two-composite ergonomically designed handle provides a comfortable and secure grip
- Black oxide finish for additional rust protection
- Made in the USA with U.S. and global components

Carbon Scrapers
– Angled

- U.S. Patent No. D594720
- Used for a multitude of applications, such as removing gaskets, rust, paint, carbon buildup, and floor tile
- Blades are ground for a sharp edge and can be resharpened after heavy use to return the cutting edge to sharpness
- Blade is offset for hand clearance and better scraping force in hard-to-reach places
- Capped end in direct contact with the tempered steel shaft
- Patented, two-composite ergonomically designed handle provides a comfortable and secure grip
- Black oxide finish for additional rust protection
- Made in the USA with U.S. and global components

Hollow Punches (Imperial)

- Used to create precise gaskets and washers in softer materials; e.g. cloth, vinyl, leather, light sheet metal, and gasket material
- Wide array of sizes available for numerous ID and OD configurations
- Available in kits or sold individually; various mandrels and handles available to use with striking tools
- Dual cutting heads allow the user to punch concentric circles in one strike
- Made in France

Bolt Extractors

- 17 piece set includes sizes 4.00mm-8.00mm in 0.25mm increments. 16 piece set includes sizes 8.25mm-12.00mm in 0.25mm increments
- Removes rounded or damaged fasteners with any head configuration (hex, round, square)
- One-quarter millimeter increments between sizes ensures coverage, regardless of fastener head condition or manufacturer's tolerance
- Manufactured from heat-treated alloy steel
- No hammering required to install socket over fastener; twist socket tightens as more torque is applied
- Additional applications include exhaust manifold nuts, studs, pipe nipples and corroded marine fasteners.
- Each set comes packaged on sturdy, professional-grade locking socket rail
- All product, including socket rails, made in USA

From the Seasoned Pros to the Regular Joes

Just because it's not what you do for a living doesn't mean you don't want professional quality tools. From the car enthusiasts who take repair as seriously as the professional to the home improvement folks with a new deck under way, the MayhewSelect series offers high-quality tools that allow you to perform mechanical and tradesman-specific work as well as the men and women who do it for a living. Backed by the same experience and insights that have made Mayhew the professionals' choice for more than 150 years, as well as a two-year quality warranty on every tool, MayhewSelect turns weekend projects into weekend passions.

Mason Chisels

- Used in a multitude of masonry applications, from brick to stone to concrete
- Allows for specific cuts, sizes, and scores. Different cutting-edge lengths provide the perfect sized tool for the perfect finished look
- Shot-blasted finish
- Made in the USA

The 150 Line™

Exceptional, Reliable, Tough—The Essence of an American Legacy

For more than 150 years, professionals across the country have turned to Mayhew for tools guaranteed to perform as intended, each and every time. To celebrate this legacy of quality, Mayhew has released The 150 Line™: a unique collection of professional-grade tools, crafted with the same knowledge and expertise that has made Mayhew the industry's best kept secret.

- High-grade S-2 steel for superior tensile strength, toughness, and long life
- Full shank heat treating and parabolic head to reduce mushrooming and chipping of struck end
- Professional black oxide finish for enhanced corrosion resistance
- Full, unconditional lifetime warranty

Product Catalog

Since 1856

MayhewPro:

If this Mayhew hand tool ever fails to provide complete satisfaction, it will be replaced free of charge. Return product to original retailer for replacement.

MayhewSelect:

FOR TWO YEARS from the date of purchase, if this MayhewSelect hand tool ever fails to provide complete satisfaction, it will be replaced free of charge. Return product to original retailer with proof of purchase for replacement.

Exclusions

Warranties do not cover cables and cable assemblies, brass, hollow punches, lights, or batteries, which are expendable parts that can wear out from normal use within the warranty period.
