

## FLOOR AND WINDOW CLEANING TOOLS

## PROFESSIONAL PRODUCTS

### Moerman A Reliable Partner

Moerman has been in business since 1885 and is considered a world leader in floor squeegee production. Our unique natural Dura-Flex™ rubber is the best rubber in the world and offers excellent wiping results coupled with superior durability. For decades, Moerman floor squeegees have been considered the universal benchmark in the cleaning industry.

Although Moerman is best known for its floor squeegees, we have been producing window squeegees for many years. In keeping with our OEM origins, we created a private line of professional window cleaning tools that are presently sold to key players in the world cleaning market. Extensive market research and end user focus groups have reconfirmed which tools and features are essential to professional users. Moreover, we used all our knowledge of rubber compounds and our experience in product design as a basis to develop a product line of professional window cleaning tools.

Today we take the next step in our evolution and proudly present Moerman's newest product line, Moerman ProClean Window Cleaning Tools. These tools are all about durability, design, performance, ergonomics and quality materials presented with an optimal price/quality equation.

Years of research and development in rubber compounding has allowed us to create a superior window cleaning rubber for the professional. We are proud to introduce Dura-Flex™ window cleaning rubber. Blind and comparative tests with hundreds of professional window cleaners have shown that our natural rubber is considered as being one of the best in the market.

Moerman is committed to continuous product development always keeping in mind our motto: "Moerman... Durable Tools that Perform."

Get more value for your money and contact us to experience Moerman ProClean window cleaning tools today.

## FLOOR SQUEEGEES

### Moerman, the Worldwide Standard

In 1950 Moerman was one of the first companies to produce floor squeegees with double moss rubber blades.

Featuring our proprietary Dura-Flex™ rubber, Moerman has a proven track record for producing floor squeegees for all types of surfaces.

## FLOOR CLEANING

### The Unique Knowhow of Natural Rubber

The Dura-Flex™ moss rubber used in our floor squeegees is the best rubber in the world for floor cleaning. The moss rubber blades have been especially developed to fit the job.

With over more than 50 years of experience, the production process is perfectly managed and includes inspection of every square inch of the rubber blade.

#### Dura-Flex™ Natural Moss Rubber

- Durable: Natural skin adds strength and lasts longer
- Strong & Flexible: Extreme high resistance to tearing and abrasion
- Excellent Elasticity: Blades dig deep into uneven surfaces and recover shape after use
- Closed Sell Rubber: Has perfect density and does not absorb water
- Multi-Surface Work: Use on polished tile, marble, concrete, brick and uneven surfaces
- Double Rubber Blades: Leaves surfaces dry to the touch

### A Specific Rubber for Every Application

GENERAL

#### Black Dura-Flex™ Rubber

Use this all-purpose rubber when resistance to heat and oils is not required. Popular in light commercial, schools and public facilities.

OIL RESISTANT

#### Red Dura-Flex™ Rubber

Contains Neoprene to give excellent resistance to oils, acids, greases and solvents. Preferred in factories, auto care and maintenance facilities.

US FDA APPROVED

ULTRA HYGIENIC

#### Green Dura-Flex™ Rubber - Unique Rubber

Recommended when hygiene is extremely important – food service and health care facilities. The green blade is produced with materials approved by USFDA. It's easy to inspect for cleanliness and wear.

## FLOOR SQUEEGEES

#### STANDARD FLOOR SQUEEGEE

- For lighter work, basements, kitchens, decks
- Superior, economical blades
- Page 6

#### HEAVY-DUTY FLOOR SQUEEGEE

- For heavy-duty jobs
- Reinforced handle socket
- Taller blades for longer wear
- Page 7

#### TRADITIONAL FLOOR SQUEEGEE

- Industrial strength construction
- Handle socket is bolted to frame
- Replaceable neoprene blade
- Page 8

#### PROFESSIONAL FLOOR SQUEEGEE

- Professional plastic frames
- ACME thread socket
- Natural rubber blades

#### SCRUB & DRY FLOOR SQUEEGEE

- Professional plastic frame
- Natural rubber blades
- Stiff plastic bristles are fused to block
- Page 9

#### HYGIENIC FLOOR SQUEEGEE

- Industrial strength poly frame
- Green rubber blade
- Replacement cartridge / blade system
- Page 9

## STANDARD FLOOR SQUEEGEES

### Applications

Moerman Standard Squeegees are the best choice for removing water and other liquids from smooth and uneven surfaces like concrete, tile/grout and stone surfaces. Use for kitchens, decks, pool side and patio, garage, basement and driveways.

### Frames

- Frames are strong and lightweight
- Rust-resistant galvanized steel frame
- Economical

### Blades

- 1-½" Twin Dura-Flex™ moss rubber blades are tough yet flexible
- Offers twice the cleaning power
- Black general duty blades
- Digs down into grout lines and uneven surfaces

## HEAVY-DUTY FLOOR SQUEEGEES

### Applications

Moerman Heavy-Duty Squeegees are the best choice for moving heavier soils, water and other liquids from industrial floors and uneven surfaces. Recommended for factories, warehouses, gas stations, supermarket, schools and restrooms.

### Frames

- Rust-resistant galvanized steel frame
- Reinforced handle socket for extra strength, prevents twists and bends
- Metal splash guard helps direct water flow

### Blades

- 2" Twin Dura-Flex™ moss rubber blades are tough yet flexible
- Black general duty and red oil resistant blades
- Digs down into grout lines and uneven surfaces
- Offers twice the cleaning power

For Rougher Floors  
and Heavier Soils

## TRADITIONAL FLOOR SQUEEGEES

### Frames

- Rust-resistant galvanized steel frame with built-in scraper blade
- Handle socket is securely mounted to frame
- Socket is drilled to hold handle in place with one wood screw
- Use with 1-1/8" tapered tip handle

### Blades

- 1/4" thick, 2" tall, oil and chemically resistant black neoprene rubber blades
- Blades are pre-drilled with mounting holes for easy assembly with locking strip and bolts

Use with 1-1/8"  
tapered tip handle

### Applications

Moerman Traditional Floor Squeegees are designed for moving large amounts of water, mud, slush, snow and debris. Use on coated and uncoated concrete and asphalt. Recommended for use in factories, garages, construction sites and agriculture facilities.

## WINDOW CLEANING

## WINDOW SQUEEGEES

**NEW**

### Introducing ProClean Window Cleaning Tools

We present our new professional window cleaning tools. These tools are all about durability, design, performance and ergonomics.

Comfort Grip Handle For Use With Quick Change Notched Channels

- Ergonomic, two-component material
- Quick change for replacing rubber
- Locks to the pole tip for safety

WHBC01 - 10 per Case

Quick Change Pro Stainless Steel Handle

- Ergonomic rubber grip
- Brushed stainless steel
- Use with Quick Change Channels

WHSS01 - 10 per Case

Traditional Brass Handle

- Solid brass construction
- Use with Traditional Brass Channels
- Backplate with screws locks firmly onto channel

WHBR01 - 10 per Case

Quick Change Channels With Dura-Flex™ Rubber

- Stainless steel is strong and rust-free
- Notched channels for quick rubber change
- Works with Comfort Grip and Quick Change Pro Handle

WCHS10 10"/25 cm WCHS18 18"/45 cm  
WCHS12 12"/30 cm WCHS22 22"/55 cm  
WCHS14 14"/35 cm 10 per Case

Traditional Brass Channels With Dura-Flex™ Rubber

- Solid brass construction
- End Clips for quick rubber replacement
- For use with Traditional Brass Handle
- Packed 10 per case

WCHB10 10"/25 cm WCHB18 18"/45 cm  
WCHB12 12"/30 cm WCHB22 22"/55 cm  
WCHB14 14"/35 cm

Dura-Flex™ Precision Cut Rubber Replacement Blades

- Guaranteed streak-free performance
- Precision cut
- Glides across glass
- 10 pieces per pack, 10 packs per case

WRBR10 10"/25 cm WRBR18 18"/45 cm  
WRBR12 12"/30 cm WRBR22 22"/55 cm  
WRBR14 14"/35 cm

## WINDOW WASHERS

### Comfort Grip T-Bar

- Ergonomic
- Two Component Non-slip Surface
- Locks Onto Pole Tip for Safety

WTBB10 10"/25 cm, 10 per box  
WTBB14 14"/35 cm, 10 per box  
WTBB18 18"/45 cm, 10 per box

### Standard T-Bar

- Lightweight Plastic
- Ergonomic Shape
- Locks Onto Pole Tip for Safety

WTBM10 10"/25 cm, 10 per box

WTBM18 18"/45 cm, 10 per box

### Premium Microfiber Sleeve

- Superior Cleaning Power
- Double Sewn End Seams
- Edge Scrub Pad

WSLM10 10"/25 cm, 10 per bag  
WSLM14 14"/35 cm, 10 per bag  
WSLM18 18"/45 cm, 10 per bag

### Comfort Grip T-Bar Complete

- Tough & Durable
- Great for Windows and Screens
- T-Bar Included with Standard Sleeve

WWWB10 10"/25cm, 10 per box  
WWWB14 14"/35cm, 10 per box  
WWWB18 18"/45cm, 10 per box

### Standard T-Bar Complete

- Strong, Lightweight Plastic
- Great for Windows and Screens
- T-Bar Included with Standard Sleeve

WWWM10 10"/25cm, 10 per box  
WWWM14 14"/35cm, 10 per box  
WWWM18 18"/45cm, 10 per box

### Standard Sleeve

- Thick Synthetic Pile
- Double Sewn End Seams
- Hook and Loop Closure

WSLP10 10"/25cm, 10 per bag  
WSLP14 14"/35cm, 10 per bag  
WSLP18 18"/45cm, 10 per bag

## SCRAPERS

### Premium Scraper

- 4" / 10 cm wide scraping edge
- Ergonomic two-component material
- Simple blade change - No tools needed
- Locks to pole tip for safety
- Unique integrated blade guard

WSCB01- Premium Scraper  
10 per box

### Premium Scraper with 12 inch Aluminum Handle

- 4" / 10 cm wide scraping edge
- Comfortable grip
- Simple blade change - No tools needed
- Unique integrated blade guard

WSCL12 - 12" Premium Scraper  
10 per box

### Premium Scraper with 48 inch Aluminum Handle

- 4" / 10 cm wide scraping edge
- Comfortable grip
- Simple blade change - No tools needed
- Unique integrated blade guard

WSCL48 - 48" Premium Scraper  
10 per box

### Double-Edge Scraper Blades

- 4"/10 cm wide scraping edge
- Made of sharp, coated carbon steel
- Handy dispenser pack

WSCB02 – 25 blades per pack,  
10 packs per box

### Pocket Scraper & Blades

- Removes stickers, tape and paint
- Easy release and change of blades
- Safety locking mechanism
- Ergonomic rubber cover
- Uses 1.5" / 3.8 cm single edge blades, 5 blades per dispenser

WSCP01 Pocket Scraper 20 per box  
WSCP02 Replacement Blade  
Dispenser 20 per box

### Moerman Premium Scrapers

- Removes stickers, tape, paint, gum and wax buildup
- Great for flat smooth surfaces like tile, stone and vinyl
- Easy blade change - no tools necessary

## EXTENSION POLES & DUSTERS

### 2 Section Extension Pole

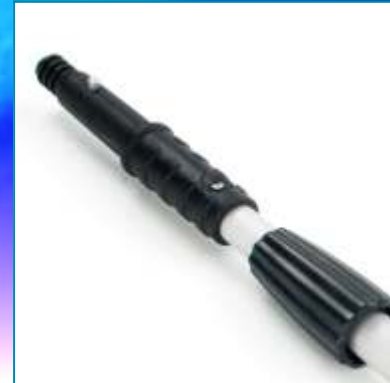

- Push button locking tip
- Ergonomic grip
- Strong, lightweight aluminum
- Packed 5 per box

WPEX08 - 2 sections, 8 ft. / 2.4m  
WPEX12 - 2 sections, 12 ft. / 3.6m

### 3 Section Extension Pole

- Push button locking tip
- Bi-component ergonomic grip
- Strong and lightweight
- Packed 5 per box

WPEX03 - 3 sections, 9.3 ft. / 3m  
WPEX05 - 3 sections, 16.4 ft. / 5m

### Locking Tip

- Push Button Locking Tip/Quick Tool Change
- Safe & Secure. Holds squeegees, washers and dusters
- ACME thread for dusters and painting accessories

### Curved Duster Brush

- Great for ducts, pipes and other round surfaces
- 12" Long, poly bristles
- ACME thread connection

WDSC02 - Curved Duster Brush - 10 per box

### Ceiling Fan / Wall Duster Brush

- Great for ceiling fan blades and flat surfaces
- Poly bristles
- ACME thread connection

WDSC01 - Ceiling Fan Wall Duster Brush - 10 per box

### Moerman Extension Poles

- Works with all Moerman squeegees, washers and dusters
- Work safely without ladders
- Pole sizes up to 16 ft. long

## WINDOW WASHING TOOLS / ACCESSORIES

### ProClean Tool Holder

- Holds up to 2 squeegees and 1 washer up to 18"
- Strong, durable impact resistant plastic
- Reinforcing grommet prevents tear out
- Unique clip-on belt system

WBHG01 - ProClean Tool Holder  
5 per box

### Tool Belt

- Durable nylon
- Quick release buckle
- Extra loops for cloths and tools

WBHG02 - Tool Belt - 5 per box

### ProClean Bucket

- Heavy-duty plastic construction
- 6 Gal. / 22 L capacity
- Handles 18" / 45 cm washers and squeegees

WBKP22 - ProClean Bucket  
10 per case

### ProClean Bucket Locking Casters

- Locking Casters make bucket easy to roll and safer.

WBKC04 - Locking Casters  
4 per pack

### ProClean Bucket Tool Holder Clips

- Tool Holder clips to edge to store washers and squeegees

WBKH01 - Tool Holder Clips  
2 per pack

### ProClean Neoprene Gloves

- Protects hands from cold and wet
- Provides additional grip
- Hook / loop wrist strap
- 10 per box

WGLV01 - Small Gloves  
WGLV02 - Large Gloves  
WGLV03 - Extra Large Gloves
