the Right Solutions™

Since 1988 NOVA has been providing the right furniture solutions for the working and learning environments. From cutting edge technology integration options to the solid craftsmanship of quality laminate casegoods, NOVA is more than just another furniture manufacturer. Partnering with the customer and always keeping the end-user top-of-mind, allows us to provide solutions that are timely, economical, practical, functional, and stylish. From the corporate office or executive suite to the elementary or higher education classroom — NOVA has “The Right Solutions™” for you.

Integrated Solutions

NOVA's Commitment

NOVA Solutions is committed to providing "The Right Solutions™" for working or learning environments in multiple market segments. We're focused on using innovation, creativity, and extensive capabilities to produce quality furniture to fit almost any end-user's needs. Integrating the latest Visual Display Options into our product lines gives NOVA the exceptional value of providing unique technology solutions.

Audio/Visual Lecterns

Providing a complete solution for instructors, presenters, facilitators, and trainers is the goal of the Audio/Visual Lecterns series. NOVA has designed a unique set of multi-functional lectern products (standing and seated height) that accept today's latest technology products. Incorporating document cameras, visual presenters and digital projectors is now easier than ever. Add one of NOVA's patented Visual Display Options to create the most comprehensive A/V lectern solution available.

Computer-based Training

Computer-based Training products were designed with both the user and the network administrator in mind. With three distinct styles (workstations with Total Access™ modesties; workstations with iMod™ modesties; and tables with iMod™ modesties), these products are ideal for the classroom and training facility environments. The Total Access™ removable modesty, provides network professionals complete access to computer cables and wiring. The iMod™ is a unique built-in wire management compartment. With a removable modesty cover in laminate or metal, the iMod™ provides full access to the back of your computer hardware. Cables and wires for your computer's electrical and data requirements are neatly tucked inside the compartment. Both modesty options provide easy access, making networking a breeze. With every square foot of space so valuable, adding a Visual Display Option allows you to create flexible, multi-tasking learning centers. The Downview Technology or The Trolley™ Personal Monitor Arm System with Intelligent Motion Technology™ secures your flat panel monitor below your work surface, which is the ideal solution for any reconfigurable, space-constrained workspace.

Tables

Do you need flexible, lightweight solutions for your learning, training, or conference room environments? NOVA's Table solutions, ranging from nesting to conference tables, give you the tools and flexibility to create ideal configurations for any need. You'll discover an extensive list of diverse products that include a mix of laminate and metals to create the perfect design for all types of environments, from traditional to trendy.

Library

From study carrels to bookshelves, the Library series offers an extensive array of products specifically selected for learning resources facilities. Add one of NOVA's patented Visual Display Options to study carrels or a circulation desk, and you've created a comprehensive, clutter-free work center. Choose from a number of options and styles to meet the specific needs of students, staff, faculty, and other library patrons.

Office

Our Office series demonstrate our commitment to offer quality laminate furniture layouts, with or without Visual Display Options. From entry level to the executive office, you can tailor your work space to fit your specific needs and budget. Select from a variety of suggested layouts and upgrades or create your own unique office environment.

Retrofit

Wish you could add Visual Display Options to your existing furniture environment? Retrofits allow you to integrate the Downview or The Trolley™ technologies into your existing furniture. Productive, flexible, and secure working or learning environments are available to everyone.

Environmental Accountability

NOVA Solutions takes our environmental accountability seriously with regards to our daily processes and products we produce. It is our corporate responsibility to our employees, customers, and community. We maintain the highest sensitivity and follow-through in preserving our natural resources today, and more importantly, for our future generations.

We have chosen suppliers that share this same commitment. Particleboard, the foundation of our furniture design, is manufactured from 100% recycled post-industrial materials. We ensure it is low formaldehyde emission particleboard, use water-based adhesives that are non-toxic in lamination, and band any exposed edges to seal the substrate.

To reduce materials in landfill sites, we integrate remaining cuttings into smaller products or packaging material. Our sawdust is recycled for use on local farms. We use recycled cardboard in all our packaging. NOVA also recycles cardboard, paper, plastics, steel, and aluminum. Even our Visual Display Options (Downview technology and The Trolley™) are completely recyclable.

NOVA continually evaluates all initiatives for improving our environmental accountability while providing the highest quality products to our customers.

Product Benefits

Integrated Furniture Features

Extensive Product Portfolio

NOVA Solutions is proud to offer a diverse product portfolio in high-quality laminate, targeting markets that include office, education, training, hospitality, and health care. GSA and State Contracts allow government agencies to participate in NOVA's extensive offering. Architects and designers are critical contacts and liaisons for specifying "The Right Solutions™" from NOVA's unique product portfolio.

Exceptional Quality

Quality furniture shipped complete and on time is the standard of excellence required with customers to even be considered a viable offering. NOVA partners with quality suppliers that demand this same philosophy. NOVA's extensive investment in the latest state-of-the-art machining technology provides unlimited flexibility while insuring we exceed our promised fit and finish. Attention to detail at every level in the manufacturing process is a requirement. "Would I spend my money to buy that finished product?" is the final quality check.

Durable Construction

Durability and strength are necessities for utmost value in quality furniture. Our durable thermofused laminate components provide that strength, coupled with our metal-to-metal hardware assembly. Added rigidity is integrated through framed and recessed back panels. Our first-class engineering ensures every product's design includes maximum durability and strength.

Integrated Technology

Visual Display Options are now unique solutions that differentiate NOVA from every furniture manufacturer. The Trolley™ Personal Monitor Arm System with Intelligent Motion Technology™ is the latest addition to the family. The Trolley is a mainstream solution allowing you to view your flat panel display in its normal position. With the pull of the lever or push of a button, your monitor emerges from below the work surface. The Downview technology positions your flat panel display or CRT monitor below the work surface at the natural 34° reading angle. In our many of our series, we offer the Surface Mount Arm that allows you to secure your display in an upright position.

Quality Look

Attention to detail integrated throughout our product portfolio creates a quality look. Overlapped drawer and door designs in our office solutions products ensure the proper fit for every function. Matching edge banding on all surfaces allows a seamless view that accentuates the product's clean lines. Our Computer-based Training Series gets high marks for providing a clear, crisp design that allows our Visual Display Options to blend in perfectly.

Multiple Selections

NOVA Solutions' comprehensive product portfolio confirms your only limitation is your imagination. Impress others with a vast variety of components with multiple options that fit your every need — from the back room to the boardroom. Now you can maintain a consistent company image that matches your facility and its function. Make your furniture an essential element of your productive environment!

Unlimited Flexibility

Throughout each product offering, unlimited flexibility gives you colors and shapes that can be mixed or matched to fit your style in any working or learning environment. Enjoy the freedom to create your own environment!

Customer Friendly

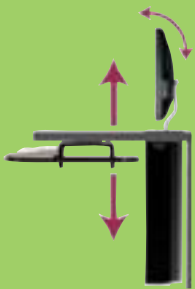

The majority of NOVA Solutions' furniture is shipped assembled, ready-to-install in your working or learning environment. Those components that require some assembly are designed to fit together with simplicity and minimal effort.

Raise your expectations.

The Trolley™ E-Class

- ① Push the “up” button and ② the display emerges from its self-contained housing beneath the work surface with all cables and cords neatly hidden. ③ A retractable, automatic access door closes around the base, providing a clean, uncluttered work space.

The Trolley™ E-Class

This unique “Personal Monitor Arm System” (featured in the photos above) provides innovative security, privacy, and flexibility in any working or learning environment.

Downview Solutions

Downward Gaze™ technology options recess your computer screen beneath the work surface at a natural viewing angle. Solutions available for flat panel and CRT displays.

Visual Display Options

Display Option

Features, Benefits and Options

The Trolley™ E-Class Personal Monitor Arm Systems

- Available in all series
- Low voltage electrical motor to lift and lower monitor
- Intelligent Motion Technology™ provides operational intuition
- Optional keyboard choices
- Suitable for most flat panel displays up to 21" diagonal or 20" widescreen
- Display submerges into desktop when not in use
- Tamper-guard security hardware
- Access door automatically opens and closes
- Provides vertical tilt adjustment in "up" position
- Ideal for secure environments
- Durable metal enclosure under desktop
- Available retrofit kit
- Flush mount trim ring available

Downview - Flat Panel Display

- Available in all series except Tables
- Monitor size varies by Visual Display Option selected
- Places display at a natural viewing angle
- Saves valuable desktop space
- Tamper-guard security hardware
- Tinted, tempered glass viewport
- Protects valuable hardware
- Available retrofit kit
- Optional keyboard choices

Surface Mount - Flat Panel Display

- Available in all series except Office
- Height and tilt adjustable
- Easily accommodates up to 24" diagonal wide screen monitor
- Provides added security and control in any environment
- Secures flat panel to desk to protect valuable hardware
- Optional keyboard choices

Dimensions & Tolerances

- Minimum work surface depth: 24"
- Minimum knee space width: 25"
- E-Class Work surface footprint: 24.5"W x 8.5"D
- Monitor, viewport and keyboard sizes vary by Series. For specifications, refer to Visual Display Options in each selected Series.

Locks on all units except for hutches
(locks on hutches optional), storage units without pedestals or files.

- All panels are laminate finished on both sides (except worksurfaces) and constructed with mar-resistant high-performance laminate (45 lbs/ft³) and PVC edgebanding
- All levelers allow up to a 3/4" height adjustment. Full width wire access under hutches, and grommets wherever optional lighting units to be installed
- Hutch clearances from 17" to 23", depending on the model. Standard lock on hanging file pedestals, cabinets, mobile pedestals and lateral files.
- File drawers are mounted on full extension, ball bearing suspensions. Drawer construction is black finish.
- All knock-down (KD) furniture have metal to metal fittings to maintain product integrity and ease of assembly and reconfiguration.
- All modesty panels are recessed 8" on 36" deep desks and 6" on 30" deep desks.
- Aluminum framed hutch doors with frosted glass inserts available, call Customer Support for quote.

Computer-based Training

Workstations with Total Access

How To Order

1. Select model number

Ex: 45-SD243630RX

- For **ADA Height** unit, change height from 30 to **32** in model number and add \$168 for single desk and \$252 for double desk. Ex: 45-SD2436**32**RX

2. Select laminate colors for base and work surface (see page 96)

Ex: 227 **044**
base work
surface

OPTIONS

3. Upgrade to Postform work surface edge detail

Add **P** to the model number and add 20% to List Price

4. Select visual display options (see page 39)

Ex: TE0721NK (The Trolley E-Class with Nova keyboard drawer)

5. Select essential accessory options (see page 20)

Ex: 11205DP (Standard data port)

- All locking units can be keyed alike. Please note on purchase order.

Miscellaneous

Contoured end panels

Available on specified units

- Not available in combination with Locking CPU Doors

-S \$84/Single desk
\$126/Double desk

Casters

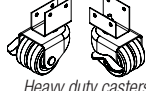

Includes stabilization bracket.

Single Workstation / Set of 4

2 5/8 x 1 3/4 x 3 1/4 -C \$84/set

Double Workstation / Set of 6

2 5/8 x 1 3/4 x 3 1/4 -C \$126/set

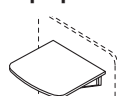

Heavy duty casters

Teacher Standup / Set of 4.

Heavy duty caster. Will increase height by 2 3/4"

3-1/2 x 03 x 4 -C \$315/set

Flip-up shelf

Shipped Separately. Color matches work surface of unit ordered. Located 3" down from work surface.

Attaches to the LEFT side panel of desk.

22 x 20 x 01 1.0 / 14 45-SH222001L \$440

Attaches to the RIGHT side panel of desk.

22 x 20 x 01 1.0 / 14 45-SH222001R \$440

Locking CPU Doors

To specify, replace "X" in the model number with "D" and add \$302 for a single desk and \$604 for a double desk.

Example: 45-SD243630RX becomes 45-SD243630RD

- Not available on workstations 30" or 32" wide, or double monitor workstations 59" or 63" wide
- Not available in combination with Contoured End Panels (-S)

-D \$302/Single desk
\$604/Double desk

- Suitable for flat panel displays up to 24" diagonal wide screen
- Wire management system and power strip included

- For details and installation specifications, refer to pages 83-87
- For CRT applications, please contact Customer Support: 1-800-730-6682

Computer-based Training Workstations with iMod

Features, Benefits and Solutions

- Solutions for all learning environments
- Visual Display Options available
- Work surface thickness: 1 1/8"
- Standard edge detail: 2mm Flat PVC
- Two edge details: Flat or Postform
- ADA compliant desks available
- iMod compartment with removable modesty panels for easier networking
- Matching edge banding colors
- Wire management system and power strip included
- Manufactured with recycled post-industrial materials

How To Order

1. Select model number

Ex: 46-SM263630RX

- To specify an **ADA Height** unit, change height from 30 to **32** in model number and add \$168 for single workstation or \$252 for double workstation. Ex: 26-RM2636**32**TL

2. Select laminate base and work surface color (see page 96)

Ex: 227 044
Base Worksurface

3. Select metal color for metal iMod modesty or laminate base color for laminate iMod modesty

Ex: PSL (Polished silver metal color for metal modesty)
227 (Fashion Grey laminate color for laminate modesty)

OPTIONS

4. Upgrade to Postform work surface edge detail

Add **P** to the model number and add 20% to List Price

5. Select visual display options (see page 47)

Ex: TE0721NK (The Trolley E-Class with Nova keyboard drawer)

6. Select essential options (see page 20)

Ex: 11205DP (Standard data port)

Please Note:

Power strip, wire management and CPU storage shelf are included in iMod workstations.

Miscellaneous

Flip-up shelf

Shipped Separately. Color matches work surface of unit ordered. Located 3" down from work surface.

For 24" & 26" Deep Workstations—

Attaches to the LEFT side panel of desk.

20 x 20 x 01 1.0 / 14 45-SH202001L \$440

Attaches to the RIGHT side panel of desk.

20 x 20 x 01 1.0 / 14 45-SH202001R \$440

For 30" Deep Workstations—

Attaches to the LEFT side panel of desk.

22 x 20 x 01 1.0 / 14 45-SH222001L \$440

Attaches to the RIGHT side panel of desk.

22 x 20 x 01 1.0 / 14 45-SH222001R \$440

Casters

Includes stabilization bracket.

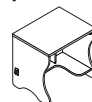

Single Workstation / Set of 4

2 5/8 x 1 3/4 x 3 1/4 -C \$84/set

Double Workstation / Set of 6

2 5/8 x 1 3/4 x 3 1/4 -C \$126/set

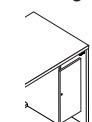

Contoured end panels

Not available on workstations with Locking Door option (-D)

-S \$84/Single desk
\$126/Double desk

Locking Doors

To specify, replace "X" in the model number with "D" and add \$302 for a single desk and \$604 for a double desk.

Example: 46-SM243630RX becomes 46-SM243630RD

- Not available on workstations 32" or 63" wide
 - Not available in combination with Contoured End Panels (-S)
- D \$302/Single desk
\$604/Double desk

Computer-based Training

Workstations with iMod

How To Order

1. Select model number

Ex: 46-SM263630RX

- To specify an **ADA Height** unit, change height from 30 to **32** in model number and add \$168 for single workstation or \$252 for double workstation. Ex: 26-RM263632TL

2. Select laminate base and work surface color (see page 96)

Ex: 227 044

Base Worksurface

3. Select metal color for metal iMod modesty or laminate base color for laminate iMod modesty

Ex: PSL (Polished silver metal color for metal modesty)

227 (Fashion Grey laminate color for laminate modesty)

OPTIONS

4. Upgrade to Postform work surface edge detail

Add **P** to the model number and add 20% to List Price

5. Select visual display options (see page 47)

Ex: TE0721NK (The Trolley E-Class with Nova keyboard drawer)

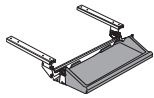

6. Select essential options (see page 20)

Ex: 11205DP (Standard data port)

Rectangular Wire Grommet

Black plastic grommet cover is removable for easy wire management. If Installed (available for work surface only):

Please provide sketch to indicate placement location

17/8 x 3 1/4 x 1 1/4 (cutout dimensions)	WG1080	\$61
--	--------	------

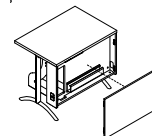

If Sold Separately (not part of base model):

17/8 x 3 1/4 x 1 1/4 (cutout dimensions)	AC-WG1080	\$31
--	-----------	------

For other grommet options, see page 21.

Computer-based Training Tables with iMod

Features, Benefits and Solutions

- Solutions for all learning environments
- Visual Display Options available
- Work surface thickness: 1 1/8"
- Standard edge detail: 2mm Flat PVC
- Two edge details: Flat or Postform
- ADA compliant desks available
- iMod compartment with removable modesty panels for easier networking
- Matching edge banding colors
- Wire management system and power strip included
- Manufactured with recycled post-industrial materials

How To Order

1. Select model number

Ex: 26-RM263630TL

- To specify an **ADA Height** unit, change height from 30 to **32** in model number and add \$168 for single table or \$252 for double table. Ex: 26-RM2636**32**TL

2. Select metal color for legs and laminate color for work surface (see page 96)

Ex: PBL 044
Base Worksurface

3. Select metal color for metal iMod modesty or laminate base color for laminate iMod modesty

Ex: PSL (Polished silver metal color for metal modesty)
227 (Fashion Grey laminate color for laminate modesty)

OPTIONS

4. Upgrade to Postform work surface edge detail

Add **P** to the model number and add 20% to List Price

5. Casters or height-adjustable legs:

For casters, add **-C** to the model number and add \$42 list, per leg.

Ex: 26-RM244830AL-**C**

For height-adjustable legs, add **-H** to the model number and add \$121 list, per leg.

Ex: 26-RM244830AL-**H**

6. Select visual display options (see page 47)

Ex: TE0721NK (The Trolley E-Class with Nova keyboard drawer)

7. Select essential options (see page 20)

Ex: 11205DP (Standard data port)

8. Select end caps for iMod table with metal modesty

Ex: 26-ENDCAP01 (End caps)

Specify metal color for end caps

Ex: PSL (Polished silver metal color)

Please Note:

Power strip, wire management and CPU holder are included in iMod tables.
CPU holder accommodates CPUs up to 7.5"W x 18"H

Visual Display Options To order, see page 47.

The Trolley™ Personal Monitor Arm System

Maximum dimensions for flat panel display:

E-Class: 2¾" D x 18½" W x 14" H (70mm D x 470mm W x 356mm H)

NOTE: Maximum distance from center of wall mount VESA plate to bottom of monitor is 6 ¾" (171mm)

Downview - Flat Panel Display for Widescreen Format

Maximum dimensions for flat panel display-

16x21 widescreen viewport: 19½"W x 12½" H (495mm W x 318mm H)

18x21 widescreen viewport: 20½"W x 14½" H (511mm W x 368mm H)

18x18 viewport: 17"W x 14½" H (432mm W x 368mm H)

21x21 viewport: 20½"W x 19"H (511mm W x 483mm H)

Surface Mount Flat Panel Display

Maximum weight for flat panel display: 21 lbs.

Maximum dimensions for flat panel display: Up to 24" diagonal wide screen

For CRT applications, please call Customer Support: 1-800-730-6682

Computer-based Training

Tables with iMod

How To Order

1. Select model number

Ex: 26-RM263630TL

• To specify an **ADA Height** unit, change height from 30 to **32** in model number and add \$168 for single table or \$252 for double table. Ex: 26-RM263632TL

2. Select metal color for legs and laminate color for work surface (see page 96)

Ex: PBL 044

Base Worksurface

3. Select metal color for metal iMod modesty or laminate base color for laminate iMod modesty

Ex: PSL (Polished silver metal color for metal modesty)

227 (Fashion Grey laminate color for laminate modesty)

OPTIONS

4. Upgrade to Postform work surface edge detail

Add P to the model number and add 20% to List Price

5. Casters or height-adjustable legs:

For casters, add **-C** to the model number and add \$42 list, per leg.

Ex: 26-RM244830AL-C

For height-adjustable legs, add **-H** to the model number and add \$121 list, per leg.

Ex: 26-RM244830AL-H

6. Select visual display options (see page 47)

Ex: TE0721NK (The Trolley E-Class with Nova keyboard drawer)

7. Select essential options (see page 20)

Ex: 11205DP (Standard data port)

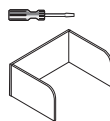

8. Select end caps for iMod table with metal modesty

Ex: 26-ENDCAP01 (End caps)

Specify metal color for end caps

Ex: PSL (Polished silver metal color)

Privacy Panels for Single Table

----------------	----	----	-------

Factory Installed Center Mount Articulating Keyboard Mechanism & Tray

Keyboard length to fit casegoods ordered

28", 30", 34" wide	15	CK	\$220
--------------------	----	----	-------

To order, specify:

1. Model number
2. Metal leg color & laminate worksurface colors
3. Metal iMod color -or- Base color for laminate iMod
4. Optional - Ht.-Adjustable Legs or Casters

5. Optional - Select visual display option(s)
6. Optional - Add essential accessory options
7. Optional - Specify End caps for metal iMod & specify color
8. Optional-Upgrade to Postform work surface

Visual Display Options available:

- The Trolley™ E-Class
- Downview-Flat Panel Display
- Surface Mount Flat Panel Display

Visual Display Options for Workstations and Tables with iMod

Factory installed keyboard-only options available on page 42 for Workstations with iMod, and page 46 for Tables with iMod.

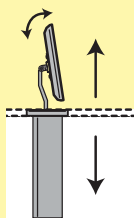

Single monitor workstations require one (1) visual display option. Double monitor workstations require two (2) visual display options.

The Trolley™

Maximum dimensions for flat panel display:

- E-Class — 2¾" D x 18½" W x 14" H (70mm D x 470mm W x 356mm H)

- 26" min. worksurface depth required for Trolley with Center Mount Articulating Keyboard Tray

NOTE: Maximum distance from center of wall mount VESA plate to bottom of monitor is 6 ¾" (171mm)

Model Wt.

E-Class with Nova Keyboard Drawer

Trolley does not come installed in any unit, Nova Keyboard Drawer installed in assembled units only.

TE0721NK 48 \$1,215 ea.

E-Class with Center Mount Articulating Keyboard Mechanism and Tray

Trolley does not come installed in any unit, Center Mount Keyboard Tray installed in assembled units only.

TE0721CK 47 \$1,393 ea.

International Customers: E-Class units include Universal Power Control Units, compatible with all power requirements inside and outside the U.S.

List Price

Qty 2 required for Double Workstations/Tables

- E-Class suitable for flat panel displays up to 21" (diagonal) or 20" (widescreen)
- One-touch activation
- Low voltage motor to lift & lower monitor
- Provides vertical tilt adjustment in "up" position
- Durable metal enclosure under desktop
- Wire management system and power strip included

To add a USB Port Extension to the Trolley, see page 22.

Downview-Flat Panel Display

Maximum dimensions for flat panel display:

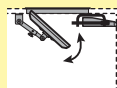

- 18"D x 18"W viewport—
17"W x 14½"H (432mm W x 368mm H)
26" min. work surface depth

- 21"D x 21"W viewport —
20½"W x 19"H (511mm W x 483mm H)
30" min. work surface depth

Widescreen Format

- 16"D x 21"W viewport —
19½"W x 12½"H (495mm W x 318mm H)
24" min. work surface depth

- 18"D x 21"W viewport—
20½"W x 14½"H (511mm W x 368mm H)
26" min. work surface depth

Model Wt.

With Nova Keyboard Drawer

Downview Flat Panel Display & Nova Keyboard Drawer installed in assembled units only.

Hardwiring

How To Order Hardwire-Standard Workstation

1. Select a standard workstation, and add -W to the end of the model number
2. Complete room layout with workstations
3. Select power entry
4. Select jumper length
5. Select receptacle block
6. Select mounting bracket quantities for all receptacle blocks.

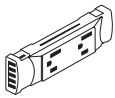

NOTE: Mounting brackets with receptacle block always located behind CPU storage.

Standard Features

4-wires, 2 circuits, 20 Amps each (Circuit 1 and 2 only)
13-Duplex receptacles per circuit, 26-15 Amp Duplex receptacles per power infeed maximum
Easy to specify
Easy to install and reconfigure
Requires less space
UL Listed as a Manufactured Wiring System
More economical than 8-Wire System

Electrical Components

Receptacle Block

Complete the model number by indicating it's circuit number (Circuit 1 or Circuit 2).
Example: a receptacle block for Circuit 1 would be model number BE41917-3-A-7-8B.

Arch base table on casters with folding top

Flat PVC edge detail
thermofused laminate top
laminate and metal base

Tables

How To Order

Tables

1. Select model number and choose leg style

Ex: 25-RT247230AL

2. Select finish color for legs and laminate color for work surface and accent (see page 96)

Accent color applies to top edge banding.

To specify no accent color, use "XXX" for accent color code.

Ex: PBL 044 044
base work accent
surface XXX-No accent color

OPTIONS

3. Castors or height-adjustable legs (Arched or T-legs only)

For castors, add **-C** to the model number and add \$42 list, per leg.

Ex: 25-RT247230AL-C

For height-adjustable legs, add **-H** to the model number and add \$121 list, per leg.

Ex: 25-RT247230AL-H

4. Select visual display options (see page 58)

Ex: TE0721NK (The Trolley E-Class with Nova keyboard drawer)

5. Select essential accessory options (see page 20)

Ex: 11205DP (Standard data port)

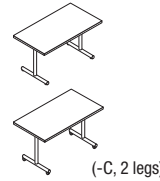

ASSEMBLY REQUIRED FOR ALL TABLES

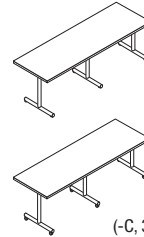

C = Castors for Arched or T-leg table, add \$42 list, per leg

H = Height-adjustable legs, add \$121 list, per leg

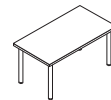

Rectangle tables

(-C, 2 legs)

thermofused laminate top
laminate and metal base

Tables

How To Order

Tables

1. Select model number and choose leg style

Ex: 25-RT247230AL

2. Select finish color for legs and laminate color for work surface and accent (see page 96)

Accent color applies to top edge banding.

To specify no accent color, use "XXX" for accent color code.

Ex: PBL 044 044
base work accent
surface XXX-No accent color

OPTIONS

3. Castors or height-adjustable legs (Arched or T-legs only)

For castors, add **-C** to the model number and add \$42 list, per leg.

Ex: 25-RT247230AL-C

For height-adjustable legs, add **-H** to the model number and add \$121 list, per leg.

Ex: 25-RT247230AL-H

4. Select visual display options (see page 58)

Ex: TE0721NK (The Trolley E-Class with Nova keyboard drawer)

5. Select essential accessory options (see page 20)

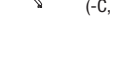

Ex: 11205DP (Standard data port)

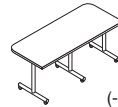

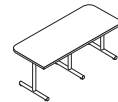

ASSEMBLY REQUIRED FOR ALL TABLES

C = Castors for Arched or T-leg table, add \$42 list, per leg
H = Height-adjustable legs, add \$121 list, per leg

Features, Benefits and Solutions

- Solutions for library and learning resource environments
- Variety of filing and storage options
- Visual Display Options available
- Standard work surface thickness: 1 1/8"
- Standard edge detail: 2mm Flat PVC
- Optional work surface thickness: 1 1/2" available
- Three edge details: Flat, Reeded, Transitional
- Vertical wood graining on full-length modesty panels
- Bookmatched vertical grain on door and drawer fronts
- Matching edge banding colors
- Wire management system and power strip optional
- Optional work surface grommets
- Manufactured with recycled post-industrial materials

How To Order

1. Select model number

Ex: 65-SC303633CS (single sided study carrel)

2. Select laminate base and work surface color, and optional accent color (see page 96)

Accent color applies to drawer/door fronts and edge banding on all tops.

Ex: 008 C24 174 For no accent color, put "XXX" in place of accent
base work accent
surface color code.

3. Select door/drawer pull style and finish (if applicable)

Ex: WN (Wave pull with Nickel finish)

OPTIONS

4. Upgrade to 1 1/2" thick work surface

Add E, R, or I to the end of the model number and add 20% to List Price

5. Select visual display options (see page 64)

Ex: TE0721NK (The Trolley E-Class with Nova keyboard drawer)

6. Select essential accessory options (see page 20)

Ex: 11205DP (Standard data port)

Visual Display Options To order, see page 64.

The Trolley™ Personal Monitor Arm System

Maximum dimensions for flat panel display:

E-Class: 23 1/4" D x 18 1/2" W x 14" H (70mm D x 470mm W x 356mm H)

NOTE: Maximum distance from center of wall mount VESA plate to bottom of monitor is 6 3/4" (171mm)

Downview - Flat Panel Display

Maximum dimensions for flat panel display—

18x18 viewport: 17"W x 14 1/2"H (432mm W x 368mm H)

28 x 55 x 64	65.4 / 140	65-MB285564	\$1,046

Pencil tray

For mobile board. Slate grey metal.

3.5 x 12 x 02	0.2 / 1	65-PT031202	\$73
---------------	---------	-------------	------

How To Order

1. Select model number

Ex: 65-SC303633CS (single sided study carrel)

2. Select laminate base and work surface color, and optional accent color (see page 96)

Accent color applies to drawer/door fronts and edge banding on all tops.

Ex: 008 C24 174 For no accent color, put "XXX" in place of
base work accent
surface No accent-XXX
accent color code.

3. Select door/drawer pull style and finish (if applicable)

Ex: WN (Wave pull with Nickel finish)

OPTIONS

4. Upgrade to 1 1/2" thick work surface

Add E, R, or T to the end of the model number and add 20% to List Price

5. Select visual display options (see page 66)

Ex: TE0721NK (The Trolley E-Class with Nova keyboard drawer)

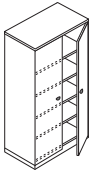

6. Select essential accessory options (see page 23)

Ex: 11205DP (Standard data port)

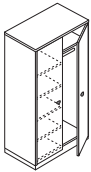

Storage Units

Framed and recessed back panel. Hidden anti-tip shelf device. 22" deep drawers. Specify edge detail and door/drawer pulls. 1 1/2" pedestal base trim color will match work surface color.

How To Order

1. Select model number

Ex: 65-SC303633CS (single sided study carrel)

2. Select laminate base and work surface color, and optional accent color (see page 96)

Accent color applies to drawer/door fronts and edge banding on all tops.

Ex: **008** **C24** **174** For no accent color, put "XXX" in place of
base work accent
surface No accent-XXX
accent color code.

3. Select door/drawer pull style and finish (if applicable)

Ex: WN (Wave pull with Nickel finish)

OPTIONS

4. Upgrade to 1 1/2" thick work surface

Add E, R, or I to the end of the model number and add 20% to List Price

5. Select visual display options (see page 66)

Ex: TE0721NK (The Trolley E-Class with Nova keyboard drawer)

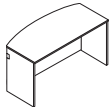

6. Select essential accessory options (see page 23)

Ex: 11205DP (Standard data port)

Features, Benefits and Solutions

- Solutions for all office environments
- Variety of filing and storage options
- Visual Display Options available
- Standard work surface thickness: 1 1/8"
- Standard edge detail: 2mm Flat PVC
- Optional work surface thickness: 1 1/2" available
- Three edge details: Flat, Reeded, Transitional
- Vertical wood graining on full-length modesty panels
- Bookmatched vertical grain on door and drawer fronts
- Matching edge banding colors
- Wire management system and power strip optional
- Optional work surface grommets
- Manufactured with recycled post-industrial materials

How To Order

1. Select model number

Ex: 35-RD367230GG (standard rectangular desk 36x72x30 with box/file left and box/file right)

2. Select laminate base and work surface color, and optional accent color (see page 96)

Accent color applies to drawer/door fronts and edge banding on all tops.

Ex: 008 C24 174 For no accent color, put "XXX" in place of accent
base work surface accent color code.

3. Select door/drawer pull style and finish

Ex: WN (Wave pull with Nickel finish)

OPTIONS

4. Upgrade to 1 1/2" thick work surface

Add E, R, or T to the end of the model number and add 20% to List Price

5. Select visual display options (see page 80)

Ex: TE0721NK (The TrolleyE-Class with Nova keyboard drawer)

6. Select essential accessory options (see page 20)

Ex: 11205DP (Standard data port)

Visual Display Options To order, see page 80.

The Trolley™ Personal Monitor Arm System

Maximum dimensions for flat panel display:

E-Class: 23 3/4" D x 18 1/2" W x 14" H (70mm D x 470mm W x 356mm H)

NOTE: Maximum distance from center of wall mount VESA plate to bottom of monitor is 6 3/4" (171mm)

Downview - Flat Panel Display

Maximum dimensions for flat panel display—

18x18 viewport: 17"W x 14 1/2"H (432mm W x 368mm H)

21x21 viewport: 20 1/8"W x 19" H (511mm W x 483mm H)

16x21 widescreen viewport: 19 1/2"W x 12 1/2"H (495mm W x 318mm H)

18x21 widescreen viewport: 20 1/8"W x 14 1/2"H (511mm W x 368mm H)

For CRT applications, please call Customer Support: 1-800-730-6682

24 x 72 x 30	35.7 / 241	35-CZ247230FF	\$1,406

How To Order

1. Select model number

Ex: 35-RD367230GG (double pedestal desk, 36x72x30 with box/file left and box/file right)

2. Select laminate base and work surface color, and optional accent color (see page 96)

Accent color applies to drawer/door fronts and edge banding on all tops.

Ex: 008 C24 174 For no accent color, put "XXX" in place of accent color code.
base work surface accent

3. Select door/drawer pull style and finish

Ex: WN (Wave pull with Nickel finish)

OPTIONS

4. Upgrade to 1 1/2" thick work surface

Add F, R, or I to the end of the model number and add 20% to List Price

5. Select visual display options (see page 80)

Ex: TE0721NK (The Trolley E-Class with Nova keyboard drawer)

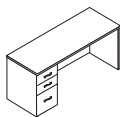

6. Select essential accessory options (see page 20)

Ex: 11205DP (Standard data port)

How To Order

1. Select model number

Ex: 35-RD367230GG (double pedestal desk, 36x72x30 with box/file left and box/file right)

2. Select laminate base and work surface color, and optional accent color (see page 96)

Accent color applies to drawer/door fronts and edge banding on all tops.
Ex: 008 C24 174 For no accent color, put "XXX" in place of accent color code.
base work surface accent

3. Select door/drawer pull style and finish

Ex: WN (Wave pull with Nickel finish)

OPTIONS

4. Upgrade to 1 1/2" thick work surface

Add F, R, or I to the end of the model number and add 20% to List Price

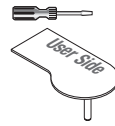

5. Select visual display options (see page 80)

Ex: TE0721NK (The Trolley E-Class with Nova keyboard drawer)

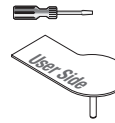

6. Select essential accessory options (see page 20)

Ex: 11205DP (Standard data port)

For 120" tables. (Order one per table)			
24 x 84 x 29	2.7 / 130	35-BB248429P	\$628
For 144" tables. (Order one per table)			
24 x 108 x 29	2.7 / 160	35-BB2410829P	\$712

How To Order

1. Select model number

Ex: 35-RD367230GG (double pedestal desk, 36x72x30 with box/file left and box/file right)

2. Select laminate base and work surface color, and optional accent color (see page 96)

Accent color applies to drawer/door fronts and edge banding on all tops.

Ex: 008 C24 174 For no accent color, put "XXX" in place of accent color code.
base work surface accent

3. Select door/drawer pull style and finish

Ex: WN (Wave pull with Nickel finish)

OPTIONS

4. Upgrade to 1 1/2" thick work surface

Add F, R, or I to the end of the model number and add 20% to List Price

5. Select visual display options (see page 80)

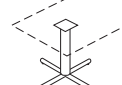

Ex: TE0721NK (The Trolley E-Class with Nova keyboard drawer)

6. Select essential accessory options (see page 20)

Ex: 11205DP (Standard data port)

Technology Description

The Trolley™ Personal Monitor Arm System

Maximum dimensions for flat panel display:

E-Class: 2¾" D x 18½" W x 14" H (70mm D x 470mm W x 356mm H)

NOTE: Maximum distance from center of wall mount VESA plate to bottom of monitor is 6 ¾" (171mm)

- Provides flexible, mainstream flat screen location when raised
- Low voltage motor to lift and lower monitor
- Intelligent Motion Technology™ provides operational intuition
- Clears line-of-sight when submerged
- Allows for multi-use workstations and classrooms
- Hides confidential information when necessary
- Reduces the risk of damage to flat panels displays
- Creates a clean, uncluttered look in the classroom or office
- Reduces the risk of damage to computer equipment
- Provides clean, ergonomical solutions
- Manage technology in your workspace environment

Downview - Flat Panel Display

Maximum dimensions for flat panel display —

18x18 viewport: 17"W x 18"H (432mm x 457.2mm)

21x21 viewport: 20-1/8" W x 19" H (511mm x 482mm)

16x21 widescreen viewport: 19½" W x 12½"H (495mm x 318mm)

18x21 widescreen viewport: 20-1/8" W x 14½"H (511 mm x 368 mm)

- Keeps monitor under glass below work surface
- Allows for multi-use working and learning environments
- Proven to be ergonomically beneficial, increase productivity
- Saves premium classroom and desktop space
- Hides confidential information
- Creates a clean, uncluttered look in the classroom or office
- Reduces the risk of damage to computer equipment

Surface Mount Flat Panel Display

Maximum weight for flat panel display: 21 lbs.

Maximum dimensions for flat panel display: Up to 24" diagonal wide screen

- Allows for multi-use working and learning environments
- Proven to be ergonomically beneficial, increase productivity
- Saves premium classroom and desktop space
- Creates a clean, uncluttered look in the classroom or office
- Reduces the risk of damage to computer equipment
- Height and tilt adjustable

RETROFIT KIT PRICING DOES NOT INCLUDE INSTALLATION.

NOVA Solutions' (NOVA) standard terms are net 30 days with approved credit. All prices are in U.S. Dollars. Prices herein are list prices effective with the date printed on the cover and supersede all other published price lists. NOVA reserves the right to change prices without prior notice.

SELLING INFORMATION

Distribution of this price list does not in itself constitute an offer to sell. Offers can be received only from authorized NOVA dealers.

PRICES

All prices listed are suggested retail prices, F.O.B. point of shipment, freight allowed (included in list prices) when shipping within the continental United States. Orders are accepted subject to prices and taxes prevailing at the time of shipment. Prices and taxes are subject to change without notice. If shipping date requested is more than 90 days from date of order, NOVA shall have the right to use the published list prices effective at time of shipment.

ORDER PLACEMENT

NOVA requires that all orders be in writing and accompanied by a layout/drawing. This is to insure that orders are complete, avoid errors, and avoid duplication. Please order products by model numbers specified to avoid any possible error. Telephone orders will not be processed for production without proper written confirmation. NOVA cannot be held responsible for errors, omissions, and order duplication due to non-compliance with this procedure.

ORDERING INFORMATION

Mail, fax or e-mail all orders to:

NOVA Solutions, Inc.
421 W. Industrial Avenue
P.O. Box 725
Effingham, Illinois 62401
Phone: 217-342-7070
Phone: 800-730-6682
Fax: 217-342-7006
Fax: 800-940-6682
E-mail: orders@novasolutionsinc.com

For prompt delivery, all orders must include:

- 1) Purchase order number
- 2) Attached layout/drawing
- 3) Billing address
- 4) Ship-to information and e-mail address
- 5) Special handling instructions
- 6) Complete model and finish number
- 7) Correct pricing

ORDER ACKNOWLEDGMENT

Please notify NOVA immediately of any discrepancies in your order acknowledgement. The customer assumes all responsibility for order accuracy. NOVA does not assume responsibility for errors caused by miscommunications from the customer. Orders are accepted only by issuance of NOVA's formal acknowledgement. Orders are subject to the terms and conditions set forth herein, notwithstanding any variance in terms and conditions set forth on buyer's order forms. The order acknowledgement is the final confirmation of the agreement between the customer and NOVA and supersedes all prior oral and written statements regarding the order. Once the order confirmation has been sent, only NOVA approved and signed modifications will supersede the original confirmation.

QUOTATIONS

Quotations are valid for a period of ninety (90) days.

CHANGES

NOVA reserves the right to make changes in design, specifications, construction, pricing or to discontinue products without prior notice. Prices shown in price book have priority over electronic catalog contents. Dimensions are approximate and are within normal industry standards.

ORDER CHANGES

Upon acknowledgement of an order, NOVA may not be able to accept a change order. NOVA will not accept changes on specials or customer items once production begins. Every attempt to make the requested change will be made and the following conditions apply:

- 1) Requested changes must be submitted in writing
- 2) Additional charges for materials, labor, and administrative costs may be charged
- 3) Completion dates may be rescheduled as required based on changes

ORDER CANCELLATIONS

Order cancellations must be requested in writing no later than 48 hours after receipt of original order and are subject to approval of NOVA Solutions, Inc. Cancellations cannot be accepted otherwise.

STORAGE

Orders in which shipment is delayed by the customer beyond 30 days after acknowledged shipping date are subject to a 3% weekly storage fee. Such transfer to storage will be deemed delivery to purchaser for all purposes including invoicing and payment. Customer must provide notification of "shipment delay" at least two weeks prior to the originally scheduled ship date.

SHIPPING INFORMATION

Freight

All shipments are Free On Board (F.O.B.) point of shipment, freight prepaid and allowed (included in list prices) when shipping within the continental United States. Please contact Customer Support for shipments to Alaska, Hawaii, and international. NOVA reserves the right to select the most appropriate carrier and routing on all shipments.

NOVA's product pricing is dock delivered, based on standard delivery between normal business hours Monday through Friday, excluding weekends and holidays. Any charge arising from failure to accept a shipment, rerouting while in transit, or carrier storage charges are not included in prices shown and will be billed to "Sold To" account number on the order. Detention charges will be incurred for untimely off-loading of product or other time delays incurred.

Any orders under list pricing shown below or requiring Special Delivery Services will incur additional charges. All such requirements must be noted on the purchase order. Examples of such services include:

Handling Fee (all orders not able to be shipped via UPS): All orders under \$15,000 list will incur \$100 handling fee

Multiple site deliveries: \$75 per order and location drop charge

Non-Standard Detention Time: \$75 per hour after two hours for each delivery location

Delivery Time (outside normal delivery hours): Contact Customer Support for charges and availability

Carriage

NOVA reserves the right to choose the best method of delivery. All furniture is carefully inspected and securely packed before shipment. The carrier will only accept packages in good condition and agrees to deliver it in the same condition. NOVA relinquishes all responsibility for goods shipped upon a signed receiving document from the carrier. It is the customer's responsibility to inspect merchandise immediately upon receipt.

Terms & Conditions

SHIPPING INFORMATION (continued)

Loss, Damage or Delay

NOVA shall not be liable for loss, damage, or delay resulting from causes beyond its reasonable control, including but not limited to fire, strike, inclement weather, accidents, or delay in transportation. In the event of a delay, due to any such cause, the delivery date will be postponed.

Shortages

If the shipment is not delivered in accordance with the quantity of cartons and packages shown on the Bill of Lading and/or Freight Bill, do not accept it until such shortages are noted on both documents.

FREIGHT CLAIMS

The merchandise is carefully packed and thoroughly inspected before shipment. The carrier upon acceptance of the shipment assumes responsibility for its safe delivery. Claims for loss or damage sustained in transit must therefore, be made upon the carrier as follows:

Signing the Bill of Lading as "Subject to Inspection" does not make the carrier liable for damage.

Concealed Loss or Damage

Concealed loss or damage means loss or damage that does not become apparent until the merchandise has been unpacked. The contents may be damaged in transit due to rough handling even though the carton may not show external damage. When damage is discovered upon unpacking, make a written request for inspection by the carrier's agent within 7 days of the delivery date. Then file a claim with the carrier since such damage is the carrier's responsibility.

Visible Damage or Shortage

Any external evidence of damage or shortage must be noted on the freight bill or express receipts and signed by the carrier's agent. Failure to adequately describe such external evidence of damage or shortage may result in the carrier refusing to honor a damage claim. The carrier will supply the form required to file such a claim. **All cartons and packaging must be kept with the merchandise at the delivered location. Failure to do so constitutes acceptance and a waiver of any such claim.**

RETURNS

NOVA will not accept the return of any merchandise without a Returned Material Authorization (RMA). Special order items may not be returned for credit. No returns will be allowed after sixty (60) days from the ship date. If merchandise is approved for return, a restocking fee will be applied. Upon receipt, all returned merchandise will be thoroughly inspected, and any discrepancies will result in an adjustment to the amount of credit issued.

LIMITED LIFETIME WARRANTY

NOVA Solutions warrants that its products are free from defects in materials and workmanship given normal use and care for the lifetime of service; proof of delivery being the only official document accepted by NOVA for any claim. In the event that a product is used more than normal use, the applicable warranty period may be reduced.

This warranty is made by NOVA Solutions to the original customer for as long as the original customer owns and uses the product. NOVA Solutions' warranty is only valid if the products are given normal and proper use, and installed in accordance with NOVA Solutions' installation and/or application guidelines, and installed by an authorized NOVA Solutions' dealer or agent. NOVA Solutions assumes no responsibility for repairs to products sustaining damages resulting from end-user modifications, attachments to a product, misuse, abuse, alteration, or negligence.

This warranty is subject to the limitations, exclusions, and other provisions provided below:

- Twenty-five years: Thermofused laminate
- Twenty years: Drawer slides
- Ten years: Locks
- Five years: Downview technology with flat panel monitor Flat Panel Display Security Arm, high pressure laminate, casters, fabrics, metal frame doors, electrical components, PVC extrusions, adjustable surface mechanisms, and accessories.
- Five years: The Trolley E-Class with Intelligent Motion Technology:
 - Two years for parts and repair labor; third, fourth, and fifth year for parts only. Additional installation labor charges may not be covered by this warranty. Variation in finishes is characteristic, in terms of color & texture, and does not constitute a defect.
- Five years: Electric Hydraulic Lift for Sit-Stand Lectern:
 - Two years for parts and repair labor; third, fourth, and fifth year for parts only. Additional installation labor charges may not be covered by this warranty. Variation in finishes is characteristic, in terms of color & texture, and does not constitute a defect.

As your manufacturer, we stand behind our quality products and will do everything possible to resolve any problems that might arise within the terms of this warranty.

For more information, or to file a warranty claim, please contact NOVA Solutions' Customer Support at 800-730-6682.

GOVERNING LAWS

This contract shall be construed and governed in accordance with the laws and regulations of the state of Illinois.

www.novadesk.com

This image shows a full page of blank, lined paper. It features approximately 20 evenly spaced horizontal blue or grey lines across its entire width, typical of notebook paper. The lines are uniform in thickness and spacing, providing a guide for handwriting. There are no margins, text, or other markings on the page.
