

NuTone®

**Electric Bath Cabinets
Meridian**

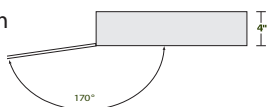

Electrical Convenience for your bath from NuTone

Style and convenience come together with the Meridian Collection. The premier series of cabinets includes two GFCI electrical outlets integral to each cabinet. Charge small appliances and grooming implements while discretely hidden from view, or plug them in and use with the door opening the internal mirrors. The four frameless mirror styles are sure to suit most any decor and storage needs.

- Two integral GFCI-protected electrical outlets.
- Hardwire applications.
- 3 electrical knockouts for convenient wire connections.
- 25" or 35" tall.
- Reversible for left- or right-hand door opening.
- Exterior mirrors are premium float glass. Available with polished edges or 1/2" beveled edges.
- Concealed hinges with 170° swing. Soft close mechanism included.

- Interior mirrors on back of the cabinet housing and inner side of the door add light and functionality.
- Adjustable glass shelves with locking shelf brackets.
- Formed and welded steel housing has crisp 90° corners and a white, rust resistant finish for a clean and contemporary look.
- Corner bumper cushions for a quiet door close.
- Flex mount designs are adaptable to surface or recess mounting. (Surface Mount Kit required for surface applications.)
- Cabinets can be mounted in tandem vertically and horizontally. (Ganging Kits required from accessories.)
