

Wireless Office Headsets

Plantronics® CS70

Wireless Office Headset System

Communicate in executive-level style and all-day comfort with the Plantronics® CS70 Wireless Office Headset System. The lightweight sophisticated over-the-ear design and DECT 6.0 technology provide office executives with ultra-comfortable, digitally-secure communication up to 300 feet from their desk phone.

The discreet Voice Tube delivers superior audio clarity.

- Lightweight and sophisticated over-the-ear design delivers all-day wearing comfort
- Roam hands-free up to 300 feet from your desk phone
- One-step remote answering makes it easy to stay connected
- Discreet Voice Tube assures sound quality and comfort

Wireless Office Headsets

Plantronics® CS55

Wireless Office Headset System

The Plantronics CS55 wireless headset system combines the clarity of traditional corded technology with the mobility of wireless, so employees can move around the office to wherever business takes them—without interrupting or missing a call. Continuing our tradition as a technology leader, Plantronics presents CS55 as the first headset in the United States to implement 1.9GHz voice-dedicated wireless technology.

- Roam hands-free up to 300 feet
- Extended hands-free talk time—up to 10 full hours
- One-touch control over calls and volume
- Enjoy the flexibility of three convertible styles
- Ensure call privacy with digitally encrypted security
- Reduce the wait: battery recharges in three hours

Wireless and VoIP Office Systems

CS50 Wireless Office Headset System

Break free from the constraints of your office desk phone with this advanced wireless office headset system. Just plug the CS50 into your desk phone and take calls on this completely wireless headset anywhere in the office.

- 300-foot range from your phone with crystal clear reception using digital 900 MHz technology
- All-day freedom—8 hour continuous talk time
- New patented IntelliStand™ lets you pick up a call just by picking up your headset (HL10 Handset Lifter required)
- Convertible design for the wearing style that suits you best
- Add one-touch remote call answer/end convenience with the optional HL10 Handset Lifter (also available in a bundled package)
