

PURELL® Instant Hand Sanitizer Foam

The power of PURELL in a non-aerosol foam

Experience luxurious hand sanitizing with PURELL Foam

The U.S. Centers for Disease Control and Prevention (CDC) recommends the use of alcohol-based hand sanitizers to help prevent the spread of germs in hospitals, offices, and schools.

In one recent study, healthcare workers sanitized their hands 20% more often when PURELL was provided in a touch-free dispenser.¹

America's #1 brand of hand sanitizer in a non-aerosol foaming formula

- Kills 99.99% of most common germs that may cause illness
- Thick foam clings to your hand
- Patent-pending formula, free of fluorinated chemicals
- Contains 62% ethyl alcohol
- Contains moisturizers to help keep skin healthy

PURELL Instant Hand Sanitizer Foam is part of a complete line of gentle and effective hand hygiene products from GOJO Industries. For more information, call GOJO Industries at 800-321-9647 or visit www.GOJO.com.

PURELL® Instant Hand Sanitizer Foam available in:

**1200 mL
Touchless TFX™
Dispensing
System**

Perfect for high traffic placement in hospitals, office buildings, education, foodservice or general public restrooms - anywhere automatic, touchless dispensing is preferred.

**1200 mL
Manual FMX™
Dispensing
System**

Ideal for those who prefer manual dispensing in environments such as healthcare, education, workplaces, health & fitness, and foodservice.

**535 mL Pump
Bottle**

Just right for counters, desktops or any tabletop where convenient sanitizing is desired

**45 mL Pump
Bottle**

Great for on-the-go use – a portable PURELL solution anytime, anywhere.

Thick foam clings
to your hand
