Our History

Smith McDonald is proud to offer the broadest assortment of desk, office and conference room accessory collections available today. These products were developed by two of the Contract Furniture Industry's most prolific and longest established manufacturers, Smith Metal Arts, and McDonald Products. With roots back to the late 1800's, Smith McDonald proudly remain the preeminent manufacturer of desk and office accessories to this day, offering the greatest selection of quality desk and office accessories available, as well as a history rich with firsts and innovations.

Smith Metal Arts

Smith Metal Arts was established in Buffalo, NY in 1889 by German immigrant and metal and leather goods craftsman Otto Heintz, as the Art Crafts Shop, and began producing a variety of items fabricated primarily from Copper. He changed the name to the Heintz Art Metal Shop in 1906, and switched from Copper as his base material to Bronze and Sterling Silver. Heintz manufactured such items as vases, bowls, candlesticks, smoking accessories, lamps, picture frames, jewelry, and desk accessories, such as desk blotters, pen and letter holders, envelope sealers and ink blotters, and in fact, developed the first "lay-flat" page type of desktop calendar base. Following Heintz's death in 1918, the company was purchased by Frederick Smith, their top salesman, and through collaboration with the noted silversmith and jewelry designer, Peter Muller-Munk, eventually evolved into the manufacture of "designer" lines of desk and office accessories and accoutrements. In fact, many Smith Metal Arts products in an Art Deco motif or with the SMA Silver Crest remain collector's items today. In the 1950's the company was purchased by William Donaldson, who, through collaboration with Skidmore, Owings and Merrill, designed a line of accessories known as the "202 Mirror Aluminum" series. This series became the de-facto standard architectural and design specification for almost every contemporary office in the United States, and remains on permanent display at the Museum of Modern Art in New York City. In more recent years, Donaldson collaborated with noted designer William Sklaroff, to develop, among other beautiful accessory collections, the highly acclaimed Radius One line of metal desk accessories. This line, which provided the inspiration for the Smith Metal Arts logo, remains a popular and integral part of our product line to this day.

McDonald Products

McDonald Products was also founded in Buffalo, NY, in 1930, by Edward McDonald, a metalworker, upon his purchase of the Serv-A-Light Co., a developer of smoker stands with attached battery-operated cigar lighters. With his background in metalworking, he led the company in their development of a wide variety of ornamental smoking stands, pipe racks, humidors, ash trays, floor stands, and a silent butler, which they marketed and sold primarily to gift shops. In 1934, Mr. McDonald put a small duck finger lever on top of his scissor-action ashtray, thus giving birth to what became one of the company's most well-known products, the Duk-It ashtray. In fact, the Duck icon, which originated from that specific group of products, eventually became the symbol for McDonald Products, and remains an integral part of our logo to this day. Despite the success and enduring popularity of the Duk-It ashtray however, the honors for arguably the most well-known product that McDonald Products ever offered fall to the Bean Bag Ashtray, which at one time, was sold at the rate of over one million units per year. Upon the sale of the company in 1961 to Adrian Bennett, the company shifted its focus from gift shops - which tended to be somewhat seasonal - to a more office-oriented product line. This shift in focus led to McDonald Products developing their own assortment of Metal and Plastic desk accessory lines, and in fact, Smith Metal Arts and McDonald Products were fierce competitors for many years. Over the next several years, ownership of McDonald Products changed hands several times, including a short stint as a wholly owned subsidiary of the Insilco Corporation, a Fortune 500 firm then headquartered in Meriden, CT. In 1982, a group of McDonald Products executives acquired the company back from Insilco in a leveraged buyout, and finally in 1986, controlling interest was acquired by Smith Metal Arts, which eventually led to the formation of Smith McDonald Corporation.

This comprehensive catalog is the result of many years of designing and manufacturing timeless, yet classic desk and office accessories for the contract furniture market. We are pleased to continue to offer the highest quality in both material and in workmanship, and look forward to being of service to you.

The Arc Collection, designed by William Sklaroff, expresses a new geometry in desk accessories. This exceptional collection works equally well in transitional or contemporary office environments, and is destined to become a classic. The subtle, yet refined architectural detail inherent in Arc's graceful curvilinear form exudes elegance, and is certain to enhance the appearance of your desktop. Beautifully hand-crafted in genuine solid metal, the hallmark of Smith Metal Arts, Arc's many accessories are available in a variety of metals and finishes as shown herein.

The award-winning Radius One Metal Collection, designed by William Sklaroff, is a classic collection with universal appeal. Its unique curvilinear expression has been highly recognized as a handsome statement of contemporary design, rendering it the ideal accompaniment to today's contemporary office setting. Beautifully sculpted in fine metals, the careful attention to detail is a hallmark of the craftsmen who interpret this original classic. Each of the many accessories in the Radius One Metal Collection is available in the metals and finishes shown.

Replaces Standard (furnished) Plastic Separators.

Solid Metal - Furnished in the Same Material as the Console. (Used in Console Configuration Only.)

Refer to Radius Two Metal Series Ordering Information (below) for Metal Separator Ordering Instructions.

RADIUS TWO METAL SERIES ORDERING INFORMATION:

Standard Components:

To order standard components, simply use the part numbers shown above. If you would like optional Metal End Caps (shown in all photos) in place

of the Standard Plastic End Caps furnished on Memo Trays (D), Calendars (E), Pen Bases (A & F), Pencil Tray (B), Clip Tray (C), Address/Telephone Index (G), Utility Tray (K), or Message Holder (P), simply add the suffix "M" to the end of the Item No. (e.g. a Single Pen Base with Metal End Caps becomes Item No. 808AM, rather than the standard Item No. 808A, which is furnished with Plastic End Caps.)

Custom Console Arrangements:

Consoles comprised of specific Radius Two Metal Series desktop accessories are available factory assembled as per your specifications to meet your specific needs and/or applications. To construct the console Item No.:

1.) Start by selecting the desired finish, (e.g. 808 for Mirror Aluminum).

2.) Next, select the desired desktop accessories, (e.g. 808E: Book Style Calendar, 808D: Memo Tray, and 808A: Single Pen Base).

3.) The final part number consists of the desired finish (808) followed by the letter corresponding to the desired accessories (E, D, & A in this example), in the order in which you would like them, from left to right. (In this particular example, the Book Style Calendar (E) would be on the left, the Memo Tray (D) in the center, and the Single Pen Base (A) on the right.) Complete part number for this example would then be 808EDA. Note that it is NOT necessary to restate the desired metal/finish for each accessory in the console. If Metal End Caps are desired in place of the standard Plastic End Caps, the part number becomes 808EDAM. If Metal Separators are desired in place of the standard Plastic Separators, the part number becomes 808EDAS. If both Metal End Caps and Metal Separators are desired, the part number becomes 808EDAMS.

The Radius Two Leather Collection, designed by William Sklaroff, incorporates the same double waterfall design detail as does the Radius Two Metal Collection, and similarly, is ideally suited for use in traditional, transitional, and contemporary office environments. The Radius Two Leather accessories are meticulously hand-wrapped in supple full-grain upholstery leather, and are available as either individual components or factory-assembled into a console arrangement, a comprehensive desktop system customized to meet the needs of the individual that will be using it. Choose from our standard or antiqued leather colors as shown herein.

Important: Please scroll down for additional Radius Two Metal Series Ordering Information.

Refill No.01814AB.

RADIUS TWO LEATHER SERIES ORDERING INFORMATION:

Standard Components:

To order standard components, simply use the part numbers shown above.

Custom Console Arrangements:

Consoles comprised of specific Radius Two Leather Series desktop accessories are available factory assembled as per your specifications to meet your specific needs and/or applications.

To construct the console Item No.:

1.) Start by selecting the desired leather color, (e.g. 561 for Black).

2.) Next, select the desired desktop accessories, (e.g. 561E-808M: Book Style Calendar with Mirror Aluminum End Caps, 561D-808M: Memo Tray with Mirror Aluminum End Caps, and 561A-808M: Single Pen Base with Mirror Aluminum End Caps). Note that Metal End Caps and Separators (which separate the individual components) are provided as standard.

Note also that Leather End Caps are available as a custom item - Please consult factory for pricing and availability.

3.) The final part number consists of the code for the selected leather color, black, (561) followed by the letters corresponding to the desired accessories (E, D, & A in this example), in the order in which you would like them, from left to right, (in this particular example, the Book Style Calendar (E) would be on the left, the Memo Tray (D) in the center, and the Single Pen Base (A) on the right.), followed by the chosen Metal End Cap and Separator Material and Finish, Mirror Aluminum, (808M). Complete part number for this example would then be 561EDA-808M. (Note that it is NOT necessary to restate the desired metal/finish for each accessory in the console.)

Desk Pads - Smith Metal Arts

[Arc Metal](#) | [Rectilinear Metal](#) | [Radius One Metal](#) | [Radius One Plastic](#) | [Radius Two Metal](#) | [Radius Two Leather](#) | [Duo Bronze Metal](#) | [Classic Leather](#)
[Desk Pads](#) | [Waste Receptacles](#) | [Replacement Pens & Pen Sockets](#) | [Calendar & Memo Refills](#)

Our coordinated desk pads were designed to complement our desk accessories, and to provide an ergonomically comfortable, yet enduring writing surface. In addition, they offer a high degree of protection for the surface of your desk, conference table, or wherever you choose to use them. The desk pads included with our accessories collections throughout both the Smith Metal Arts and McDonald Products sections of this website however, are offered as suggestions only. You are encouraged to peruse the other desk pads offered in both this section and in the McDonald Products Desk Pad section as well, before making your final selection.

Desk Pads are available in the standard sizes shown throughout our website. In addition, we can fabricate them in custom sizes - please refer to our Custom Products page or contact us at (800) 753-8548, for additional information. They are available in the following materials:

Linoleum: Typically the least costly material, linoleum is an all-natural product that provides a firm, yet comfortable non-porous writing surface.
Vinyl: Very similar in appearance to leather, vinyl is wrapped around an inner steel substrate (core) to provide a comfortable, yet slightly softer writing surface.

Leather: The ultimate desk pad. Top grain leather wrapped around a linoleum substrate (core) provides a textured look and feel that is simply not attainable with other materials.

Linoleum Desk Pad

McSort, designed by William Sklaroff, is the premier comprehensive paper-flow management system, and features the broadest range of wall or panel-mounted accessories available. Developed for use in open plan office environments (cubicles) as well as in solid wall or enclosed offices, McSort can result in productivity increases through both the facilitation of paper-flow management and the reduction of desktop or work surface clutter. McSort accessories are used in combination with our Load Bar, which can be easily affixed by means of the supplied brackets to any of the series of slots that run vertically from the top to the bottom of each end of most standard panel systems. (Contact us for a complete list of compatible systems.) The Load Bar can also be mounted directly to a solid wall, by screwing it either directly into a stud (preferred) or into a hollow-wall anchor. As another option, McSort can also be utilized by means of a "Top of Panel Mount" hanger system, which is also shown in this section of the catalog.

Once the Load Bar has been secured, the accessories themselves are then easily mounted to it's horizontal channel, thus allowing for easy repositioning or reconfiguration, and maximum versatility. In addition to being a visually appealing system, McSort accessories are fabricated almost entirely of metal, resulting in the strongest and highest capacity system available. (Data on capacity is available - please contact the factory for additional information.)

ORDERING:

- We recommend that prior to ordering, you measure the panel system wall from the center of the slots on one end to the center of those on the other, to ensure that the correct length Load Bar is ordered. Custom lengths are readily available - please specify the exact length needed, or call Customer Service for assistance.
- In order that we supply you with the correct Load Bar mounting brackets, please indicate on your order, the manufacturer and series name of the panel system that the McSort system will be mounted to. Click [here](#) to view our Load Bar mounting bracket compatibility matrix.

Please call Customer Service for ordering assistance, or with any questions you may have.

Load Bar

| Description | Dimensions | Item # | List Price |
|-------------------------|-------------------------|----------|------------|
| To Fit 24" Wide Panels: | 3 1/2" x 24 1/4" x 3/4" | 3124XX * | \$86.00 |
| To Fit 30" Wide Panels: | 3 1/2" x 30 1/4" x 3/4" | 3130XX * | \$89.00 |
| To Fit 36" Wide Panels: | 3 1/2" x 36 1/4" x 3/4" | 3136XX * | \$98.00 |
| To Fit 42" Wide Panels: | 3 1/2" x 42 1/4" x 3/4" | 3142XX * | \$114.00 |
| To Fit 45" Wide Panels: | 3 1/2" x 45 1/4" x 3/4" | 3145XX * | \$122.00 |
| To Fit 48" Wide Panels: | 3 1/2" x 48 1/4" x 3/4" | 3148XX * | \$132.00 |
| To Fit 60" Wide Panels: | 3 1/2" x 60 1/4" x 3/4" | 3160XX * | \$151.00 |

* **McSort Colors:** (Substitute the code shown for the "XX" in the Item # shown above:

[XX = 01 \(Black\), 03 \(Charcoal\), 08 \(Desert Beige\), 10 \(Char Brown\), 12 \(Shale Gray\), 15 \(Burgundy\), 17 \(Hunter Green\),](#)
[18 \(Bone Gray\), 20 \(Matte Black\), 25 \(Clear Aluminum\).](#)

Material - Steel

NOTE: When ordering Load Bars, please indicate the Panel system manufacturer's name and series number on the order,

so that we can be sure to supply the correct mounting brackets. If you will be installing McSort directly to a wall, please let us know so that we can furnish our 330001 Wall Mounting Brackets - Click [here](#) to view or download installation instructions for wall mounting.

In most cases there is no additional charge for mounting brackets.

Custom lengths are readily available. Please specify the exact length needed, or call Customer Service for assistance.

Top of Panel Mount

The clean, crisp, rectilinear lines of the Executive Metal Collection are translated into leather with this presentation of the Executive Leather Collection. In this case, exceptional detail and expert craftsmanship are combined with the tactile and visual appeal of genuine leather to produce the Executive Leather Collection of desk accessories.

Handcrafted of the highest quality full grain upholstery leather, these hand-wrapped accessories are available in the leather colors shown herein, and work particularly well in a traditional office environment.

[Satellite Plastic](#) | [Executive Leather](#) | [Premier Leather](#) | [Presidential Leather](#) | [Desk Pads](#) | [Replacement Pens & Pen Sockets](#)
[Calendar & Memo Refills](#)

Our coordinated desk pads were designed to complement our desk accessories, and to provide an ergonomically comfortable, yet enduring writing surface. In addition, they offer a high degree of protection for the surface of your desk, conference table, or wherever you choose to use them. The desk pads included with our accessories collections throughout both the Smith Metal Arts and McDonald Products sections of this website however, are offered as suggestions only. You are encouraged to peruse the other desk pads offered in both this section and in the Smith Metal Arts Desk Pad section as well, before making your final selection.

Desk Pads are available in the standard sizes shown throughout our website. In addition, we can fabricate them in custom sizes - please refer to the Custom Products section of this website for additional information.

They are available in the following materials:

Linoleum - Typically the least costly material, linoleum is an all natural product that provides a firm, yet comfortable non-porous writing surface.

Vinyl- Very similar in appearance to leather, vinyl is wrapped around a steel substrate (core) to provide a comfortable, yet slightly softer writing surface.

Leather - The ultimate desk pad. Top grain leather wrapped around a linoleum substrate (core) provides a textured look and feel that is simply not attainable with other materials..

Linoleum Desk Pad

Custom Products Capabilities

We have the capability in-house to offer a great deal of flexibility in many areas. Please review the following, and be sure to call us at (800) 753-8548 if you ever find yourself in need of something other than a “standard product.” Generally speaking, there are no minimum order quantity requirements for either standard or custom products. Please be aware however, that once entered, orders for custom products are non-cancelable, and custom products are non-returnable.

Desk & Conference Pads – Custom Sizes and Shapes

We are well-known for our ability to fabricate custom Desk Pads, so if you have a need for a specific shape or size desk or conference pad, please be sure to let us know. Although it may not be offered as a standard product, there is a good chance that we’ve already made it or something similar to it before. Depending on the shape or configuration, we may ask you to furnish us with a template. We do this only to ensure that you receive exactly what is desired. Overall size may be limited by the specific material desired.

Custom Leathers

If you desire accessories, desk pads, or wastebaskets manufactured in leather of a specific color or from a specific leather manufacturer, please let us know. We will work closely with you to either procure the requested leather or to ensure that we match the desired color as closely as possible.

Paint Color Matching

Should you desire any of our wastebaskets, our McSort Paper-Flow Management system products, or our metal or plastic accessories to be provided in a color other than those that we offer as standard, don’t hesitate to contact us. We have the ability to match most colors, however custom colors will involve an up-charge.

Embossing/Engraving of Logos

Nothing personalizes a desk/conference pad or a coaster set quite like an embossed company logo. We can emboss almost any logo onto either leather or vinyl using blind embossing (no color), or onto leather, vinyl or linoleum by way of bronze, silver or gold embossing. If your logo involves a specific color or color scheme, please know that we have the ability to custom match almost any color for the purpose of embossing, at a nominal up-charge. What we typically require is either clean, camera-ready art, or a scalable vector graphic file (such as an EPS file format) of the desired logo. If you would like to have a logo engraved into one of our metal desk accessories, please call us to ensure that it can be done on the desired item.

Accessories Not Offered

If you are looking for a specific accessory and can’t find it, or are interested in knowing if one of our standard accessories can be modified or provided in a different configuration or size, please let us know. As we control the manufacturing process, we are often able to accommodate such requests.

Corporate and Executive Gifts

Many of our items make wonderful corporate or executive gifts as well as gifts for those individuals with offices or dens at their residences. As many of our accessories can also be customized with embossed or engraved logos or monograms, they make ideal gifts for high-profile customers or clients. Our accessories have been purchased as gift items for doctors, lawyers, judges, federal, state and county executives, corporate executives and the like. Please contact us to discuss your specific needs.

Name Signs for Desks and Cubicle Partitions

Desktop name signs - Although we feature several desktop name signs throughout our various accessory collections, we have the ability to fabricate name signs in a variety of different shapes, sizes, and materials. Materials that we have fabricated name signs from in the recent past include mirror and satin stainless steel, aluminum, and brass – each of which is quite distinctive.

Cubicle Partition name signs – We can also manufacture name or department name signs that can either be hung flush with or a specified distance from, the top of a partition wall, or that can be adhered to the partition wall itself, by means of either Velcro or double-sided tape. Materials that we have fabricated such signs from in the recent past include mirror stainless steel and gloss black. Please contact us to discuss your specific needs.

Special Materials and Finishes

If there is an item we manufacture that you would like provided in either a material or finish not shown in this catalog, please contact us as we are often able to accommodate such requests.

Terms & Conditions

General Notes

The policies herein supersede all previous policies in any Smith McDonald Corporation, Smith Metal Arts, or McDonald Products Price Book or Catalog. Product specifications are subject to change without notice. Actual finishes may vary from the product photography shown herein.

Manufacturing Location

Our headquarters and manufacturing facility are located at:

Smith McDonald Corporation
1270 Niagara Street, Buffalo, NY 14213 USA

Order Placement

If you are a dealer and have an open account with us, you may place your order with a Smith McDonald sales representative or send it directly to us at:

Smith McDonald Corporation
1270 Niagara Street, Buffalo, NY 14213 USA
Telephone: (716) 362-8960

Toll-Free: (800) 753-8548
Fax: (716) 362-8963
Email: info@smithmcdonald.com

Order entry hours are Monday through Friday, 8 am to 5 pm, EST. If you have not yet established an account with us, please see the section below entitled "Credit", or contact us for assistance.

Credit

Credit is extended at the sole discretion of Smith McDonald Corporation. Please call our Customer Service Department for a credit application. Typical requirements for the extension of credit include three current and satisfactory trade references and one bank reference. We reserve the right to change our credit terms, to require prepayment or to deny credit at our discretion.

International Orders

Orders received from and destined to overseas locations may be transacted at our sole discretion, by means of an electronic Wire Transfer (preferred) or through an International Letter of Credit, with funds drawn against a U.S. bank. Full payment in advance or an initial deposit may apply.

Order Acknowledgement

All orders are subject to acceptance. Orders will be acknowledged to the customer once entered, to serve as confirmation of items ordered, quantities ordered, special conditions (if any) and pricing. It is the customer's responsibility to review the acknowledgment promptly and carefully to ensure that there are no errors, and to let us know immediately if there are. Changes may not be possible once an order has entered the manufacturing process.

Order Minimums

There is no minimum order quantity or dollar amount.

Order Cancellation

Our product offering is largely comprised of high quality, hand-crafted items, the majority of which are made-to-order. As such, we regret that in most cases, once entered, an order cannot be cancelled. Should an exception be made, a cancellation charge will apply.

Discounts on Large Quantity Orders

Additional discounts may be available on larger quantity orders of any of our products. Please call the factory for assistance.

Pricing

These prices are current and effective as of July 1, 2011. All prices herein are list prices and are in U.S. Dollars. All orders received are subject to the prices prevailing upon acknowledgement. Prices shown are for standard products in standard packaging only. Smith McDonald Corporation reserves the right to implement price changes, modifications in design and/or construction, and to discontinue existing products without prior notification. While every effort has been made to ensure consistency between the website pricing and the prices contained in this pdf document, in the event of a discrepancy, the prices shown on the website shall prevail. This pricing supercedes all other/previous Smith McDonald pricing, whether in digital or print format.

Standard Payment Terms

The full net amount of the invoice is due within 30 days of the invoice date. Smith McDonald Corporation reserves the right to assess a late payment penalty of 1.5% per month on any balances remaining unpaid after 30 days. In addition to any late payment penalties, costs associated with the collection of past due amounts, including reasonable attorney's fees, shall be added to amounts past due.

Terms & Conditions (cont.)

Sales Tax

Prices shown do not include sales, use or other taxes. The customer is required to pay any applicable taxes unless a valid resale certificate is provided from the "ship-to" state or province.

Shipping

Standard shipping within the 48 contiguous United States and the contiguous provinces of Canada is via "best way", which is typically FedEx Ground, however larger volume orders may be shipped via common carrier. These charges will be prepaid and charged to the ordering party. Expedited shipping service will be provided if requested, but remains the responsibility of the ordering party. Shipping elsewhere will be via the "best way" possible as mutually agreed upon prior to shipping. Smith McDonald Corporation does not "mark up" freight charges, and as such, the customer is responsible for any difference between the freight charges that are quoted and the actual freight charge that is assessed and invoiced.

Additional Shipping Related Charges

The sole responsibility for any and all additional shipping-related charges, such as customs, duties, taxes, tariffs, brokerage fees, drayage, demurrage, etc., lies with the ordering party.

Ship-Complete Orders

Orders that are required to ship "complete" must state so on the original purchase order. Orders not marked as "ship complete" may be released and invoiced incrementally.

Freight Terms

All orders are shipped on an FOB factory (origin) basis, regardless of the final destination.

Warranty

Smith McDonald Corporation warrants to the original purchaser only, that products manufactured by us and sold to that purchaser, are free of defects in workmanship and materials for a period of one year from the date of shipment. Should any failure to conform with this limited warranty appear to a product manufactured by Smith McDonald Corporation during this warranty period, Smith McDonald Corporation shall, upon prompt written notice, repair or replace, at its sole discretion, the affected part or parts.

This warranty does not apply to:

- Damage caused by a carrier during shipment.
- Normal wear and tear or acts or omissions of parties other than Smith McDonald Corporation.
- Damage caused as a result of either user modification or improper cleaning. (Smith McDonald Corporation will not assume responsibility for damage resulting from the use of any cleaning chemicals.)
- Damages that may occur as the result of a product being utilized for purposes other than those for which it was originally intended.
- Customer requested, specified or provided materials, when they are other than the standard materials used by Smith McDonald Corporation in its manufacturing processes.
- Exposure to or use in unusual conditions or under unusual circumstances.
- Leather – as leather is a natural material, it is subject to naturally occurring markings, differing grain patterns and dye variations, none of which constitutes a defect under the terms of this warranty. The express warranties contained herein are in lieu of all other warranties, express or implied, including any warranties of merchantability and fitness for a particular purpose, and all other warranties arising from course of dealing or usage of trade. The remedies provided above are the purchaser's sole remedies for any failure of Smith McDonald Corporation to comply with its obligations regarding the workmanship of its products. Correction of any nonconformity in the manner decided and within the period of time referenced herein, shall constitute complete fulfillment of all liabilities of Smith McDonald Corporation, with respect to, or arising out of, the product furnished hereunder. In no case, does Smith McDonald Corporation's responsibility extend beyond the specific Smith McDonald Corporation product(s) involved. We will not assume any responsibility for claimed damage to other products, as well as for any incidental costs relative to installation, replacement, removal, or other similarly associated costs.

Terms & Conditions (cont.)

Return Policy

Returns are considered on a case-by-case basis, and all requests must be submitted to our Customer Service Department for approval prior to the material being returned. Returns received without prior approval will be refused. Upon approval, we will assign a Return Authorization number. Returns received without this number will be refused.

Authorized returns must be returned within 30 days of the product's initial shipment from the factory. No return will be allowed, nor credit issued, on returns received 30 days or more after the product's initial shipment from the factory. Material is to be returned freight prepaid, in resaleable ("as new") condition, unused, and properly packaged in its original packaging material and cartons. Collect shipments will be refused. It is advised that returned material be insured prior to shipping, as we assume no liability for lost or damaged return shipments. Retain any tracking numbers in the event your return is lost in transit to us.

Our standard restocking charge on allowed returns is 25%. Credit for any approved return will be issued, without exception, in the form of a credit applied to the ordering party's account with Smith McDonald Corporation. Credit will be issued only after the material has been received and inspected for compliance with the above conditions. Non-compliance with any of the above conditions is cause for denial of return credit.

Please note that the following items are non-returnable:

- Any Leather item in a color other than Black.
- Any Accessories or Wastebaskets painted in a color other than Black.
- Custom Products of any nature (Please refer to the Customs section of this catalog/website for a partial definition of what constitutes a custom product.)
- Dated Materials (e. g. Calendar Refills)
- Any material ordered on which the original acknowledgement or invoice states "Non-Cancelable, Non-Returnable".

Incorrect or Defective Product

Although rare in occurrence, should incorrect or defective product be received, the product will either be repaired or replaced at Smith McDonald Corporation's sole discretion, provided we are notified within 30 days of the product's initial shipment from the factory. As with returns, all requests must be submitted to our Customer Service Department for approval prior to the material being returned. Returns received without prior approval will be refused. Upon approval, we will assign a Return Authorization number. Returns received without this number will be refused.

The material must be returned unused and properly packaged in its original packaging material and cartons. Collect shipments will be refused. It is advised that returned material be insured prior to shipping, as we assume no liability for lost or damaged return shipments. Retain any tracking numbers in the event your return is lost in transit to us.

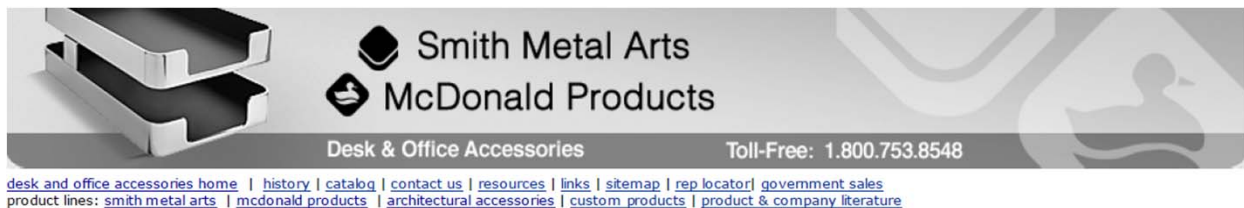

Freight Damage or Shortage Claims

All merchandise must be carefully inspected upon receipt, noting the following:

- a.) FedEx Shipments: Shortage or damage claims must be made within 10 days of receipt. If necessary, we will file the appropriate claim on FedEx shipments. If a damage claim is required, all cartons and packaging material MUST be retained until the items have been inspected by a FedEx representative. If these packaging materials are or have been discarded, neither Smith McDonald Corporation nor FedEx will be financially responsible for any loss incurred. Smith McDonald Corporation will not assume responsibility for any loss, damage or pilferage in transit.
- b.) Common Carrier Shipments: Shortage or damage claims must be noted as such on the carrier's Bill of Lading, and reported immediately upon delivery. In this case, it is the responsibility of the consignee to file the appropriate claim. If a damage claim is required, all cartons and packaging material MUST be retained until the items have been inspected by the carrier's representative. If these packaging materials are or have been discarded, neither Smith McDonald Corporation nor the carrier will be financially responsible for any loss incurred. Smith McDonald Corporation will not assume responsibility for any loss, damage or pilferage in transit.

Delay/Force Majeure

Smith McDonald Corporation shall not be liable for failure to perform or for delay in performance due to fire, flood, weather, strike or other labor difficulty, act of God, act of any governmental authority or of the purchaser, riot, embargo, fuel or energy shortage, wrecks or delay in transportation, inability to obtain necessary labor, materials, or manufacturing facilities from usual sources, failure of suppliers to meet their contractual obligations, or due to any other cause beyond its reasonable control. If any such event occurs, Smith McDonald Corporation may extend delivery dates by the period of time necessary to overcome the effect of such delay, allocate available product, or cancel any purchase order.

Terms & Conditions (cont.)

Minimum Order Size:

A \$25.00 processing fee will be added to orders that total less than \$100.00 net (exclusive of freight or any other non-product expense).

Set-Up Charges:

Orders for Duo Bronze products regardless of size, as well as orders for any items with either an Antique Brass or a Statuary Bronze finish that net to \$1,500.00 or less (exclusive of freight or any other non-product expense) will be assessed a \$200.00 set-up charge.

General Product Notes

Pens supplied with Pen Bases and Combination Desk Sets

The finish of the Pens and the Pen Sockets that are furnished with our Pen Bases and Combination Desk Sets are selected to match as closely as possible, the finish of those items with which they're furnished, as indicated below. Please note that Leather wrapped Pen Bases will be furnished with Pens and Sockets in whichever of the two finishes (Chrome or Gold) best complements the selected Leather color.

Chrome Finished Pens and Sockets:

Are furnished with the following finishes: Mirror and Satin Stainless Steel, Mirror and Satin Aluminum, Black, Black/Mirror Stainless Steel and Black/Satin Stainless Steel.

Gold Finished Pens and Sockets:

Are furnished with the following finishes: Mirror, Satin, and Antique Brass, Mirror, Satin, and Statuary Bronze, Black/Mirror Brass, and Black/Satin Brass.

Black Plastic Pens and Chrome Sockets:

Are furnished with all colors in the following product lines: Progressive Metal, ConTrac Plastic, Satellite Plastic, and McSort.

Should you desire a Chrome Finished Pen and Socket rather than a Gold Finished Pen and Socket, or vice versa, please let us know at order placement.

Cleaning

Should cleaning ever be necessary, we recommend the use of a soft, damp cloth. If that doesn't prove effective, please contact us for assistance and/or recommendations, prior to proceeding further.
