

WELDITE™ Weldmite™

FLAME RETARDANT COTTON CLOTHING

Steiner's cotton fabric is processed and treated to be permanently flame retardant, and maintaining it for as many as 50 home washings or 25 commercial washings, without taking away from its natural lightweight, comfortable characteristics. It is a cooler, lighter, economical solution for light exposure to sparks and spatter.

Available in either:

- **WELDITE™** : 9 oz. FR cotton
- **Weldmite™** : 12 oz. FR cotton

WELD-COOL™

All **WELD-RITE™** garments are made from premium side split cowhide or grain pigskin genuine leather.

Steiner's **WELD-COOL™** and **Weld-Cool Lite™** jacket designs feature underarm ventilation and riveted open seam upper back to increase air circulation and provide cool comfort in warm environments.

- Super durability with reinforced snaps and Kevlar® stitched seams
- Slips on/off easily with satin lined shoulders and upper arm
- Stand-up/roll down leather collar snaps securely in place to protect neck
- Adjustable waist cinch straps for comfortable tapered fit
- Inside patch pocket prevents spatter from puddling and burning thru pocketed items
- Soap stone holder on each upper arm
- Riveted at all stress points & seams
- Non-reflective snaps along front closure, wrist and collar

**Steiner
Exclusive**

Weld-Cool Lite™

Leather Jackets featuring the **WELD-COOL™** Design

LEATHER JACKETS

WELD-COOL™ side split cowhide jackets

- Naturally strong, **WELD-RITE™** flexible leather resists cuts, sparks and slag
- Extremely durable yet economical compared to high temperature synthetic fabrics
- Available in 26" or 30" length

The Original Weld-Cool® Style

Weld-Cool Lite™

grain pigskin jackets

- **50% lighter in weight than split cowhide**
- Superior flexibility and lightweight comfort allows freedom of movement
- Naturally breathable pigskin leather stays soft and flexible under wet conditions, drying to its original softness
- Smooth grain leather sheds sparks and spatter
- 30" length

Item	Length	Jackets	Sizes

CAPE SLEEVES & BIBS

WELD-RITE™ CAPE SLEEVES protect shoulders, arms, neck, and upper body, while the back is left open to maximize ventilation for all-day comfort, and freedom of movement.

- Snap front closure, wrist, collar and bib attachment
- Longer length chest leather than industry standard to allow for shorter bib, yet provide full coverage
- Underarm elastic holds cape close to body when bending
- Sewn with Kevlar® thread
- Weltd shoulder and arm seams
- Rivet reinforced stress points
- Snap-off bib for easy replacement
- Adjustable bib strap across your back holds bib in place while bending, or for out of position work
