## HANDGUARDS

### AK Handguard

Fight accessory envy with our INTRAFUSE® AK Handguard. This versatile handguard comes with a concealed Picatinny rail on the bottom and, on the quad rail version, two side rails pre-installed. Throw in a matching upper handguard with a Picatinny rail, and you’ve got the perfect handguard to install any light, laser, vertical grip, or whatever else your heart desires. *Counts as 1 U.S. 922r Compliant Part*

#### AVAILABLE COLORS

- STANDARD  
#STK06311 DARK EARTH. . . . . MSRP \$44.99  
#STK06311 BLACK . . . . . MSRP \$44.99
- QUAD RAIL  
#STK06312 DARK EARTH . . . . . MSRP \$49.99  
#STK06312 BLACK . . . . . MSRP \$49.99

### AK Galil Style Handguard

Our INTRAFUSE® Galil Style Handguard offers greater rifle control compared to factory handguards by widening the grip area. The result is more consistent shot placement. We’ve also designed this handguard to allow for better ventilation and reduced barrel heat. *Counts as 1 U.S. 922r Compliant Part.*

#### AVAILABLE COLORS

- #STK06310 DARK EARTH . . . . . MSRP \$26.99  
#STK06310 BLACK . . . . . MSRP \$26.99

## STOCKS

### AK T6™ Stock

We think the stock should change to fit you, not the other way around. Our INTRAFUSE® AK T6™ Stock offers six positions to choose from so the fit always feels custom-tailored. In addition, the stock and tube are constructed of the highest strength composite available, affording you durability and peace of mind in any tactical situation. *Counts as 1 U.S. 922r Compliant Part.*

*Milled Receiver only available in Black.*

#### AVAILABLE COLORS

- STAMPED RECEIVER  
#STK06160 DARK EARTH . . . . . MSRP \$49.99  
#STK06160 BLACK . . . . . MSRP \$49.99
- MILLED RECEIVER  
#STK06161 BLACK . . . . . MSRP \$49.99

### AK Folding Stock

In vehicles, enclosed areas, or any situation where space is at a premium, the INTRAFUSE® AK Folding Stock is the perfect option. In the open position it offers a standard, rigid shooting platform, but the stock also enables you to quickly fold it to the right, thereby drastically reducing the length of the rifle. Made of high strength composite, you can be sure that you’ve got the highest quality folding stock for any situation. *Counts as 1 U.S. 922r Compliant Part.*

#### AVAILABLE COLORS

- #STK06150 DARK EARTH . . . . . MSRP \$39.99  
#STK06150 BLACK . . . . . MSRP \$39.99

### AK Fixed Stock

For the AK purist. We modeled our AK Fixed Stock after the original Bulgarian design, allowing you to keep the look you’ve come to love but with some added features. The stock is marked as “TAPCO® USA”, so it will count toward your compliance parts, and it also comes outfitted with a metal buttplate and a sling swivel on the side. *Counts as 1 U.S. 922r Compliant Part.*

#### AVAILABLE COLORS

- #STK06101 DARK EARTH . . . . . MSRP \$34.99  
#STK06101 BLACK . . . . . MSRP \$34.99

### M70 Adapter Kit

This item is used on the Yugo M70B1 (also M72) with a collapsible stock and composite tube in place of the original wood buttstock. *Counts as 1 U.S. 922r Compliant Part.*

- #STK06170 . . . . . MSRP \$54.99

# MAGAZINES

## 30rd AK-47 Magazine & 30rd Smooth Side Mag

The two best words to describe our AK 30rd magazine are “rugged” and “reliable.” The reinforced composite material prevents corrosion while the heavy duty spring and anti-tilt follower ensure that every round will feed perfectly. When your Kalashnikov is thirsting for a magazine that can handle a beating, the INTRAFUSE® 30rd AK Magazine is the only choice. And now, we offer a smooth-sided finish, for an even faster and more confident pull from the pouch. Fits the AK-47 using 7.62 x 39mm ammunition. *Counts as 3 U.S. 922r Compliant Parts.*

### AVAILABLE COLORS – AGGRESSIVE GRIP

- #MAG0630 BLACK . . . . . MSRP \$10.00
- #MAG0630 DARK EARTH . . . . . MSRP \$12.99
- #MAG0630 ORANGE . . . . . MSRP \$12.99

### AVAILABLE COLORS – SMOOTH SIDE

- #MAG0632 BLACK . . . . . MSRP \$14.99
- #MAG0632 DARK EARTH . . . . . MSRP \$14.99
- #MAG0632 ORANGE . . . . . MSRP \$14.99
- #MAG0632 PLUM . . . . . MSRP \$14.99
- #MAG0632 RED. . . . . MSRP \$14.99

## 20rd AK-47 Magazine

For enthusiasts in states that limit your magazine to no more than 20 rounds the INTRAFUSE® 20rd AK-47 Magazine is here to help. The reinforced composite material prevents corrosion while the heavy duty spring and anti-tilt follower ensure that every round will feed perfectly. Fits the AK-47 using 7.62 x 39mm ammunition. *Counts as 3 U.S. 922r Compliant Parts.*

### AVAILABLE COLORS

- #MAG0620 DARK EARTH . . . . . MSRP \$12.49
- #MAG0620 BLACK . . . . . MSRP \$12.49

## 5rd and 10rd AK-47 Magazine

The INTRAFUSE® AK 5rd and 10rd Magazines are for the enthusiast whose capacity is restricted by state law but still needs the rugged reliability that TAPCO® offers. The reinforced composite material prevents corrosion while the heavy duty spring and anti-tilt follower ensure that every round will feed perfectly. Fits the AK-47 using 7.62 x 39mm ammunition. *Counts as 3 U.S. 922r Compliant Parts.*

- #MAG0605 • 5 ROUND . . . . . MSRP \$12.49
- #MAG0610 • 10 ROUND. . . . . MSRP \$12.49

## AK-74 Magazine

Despite the popularity of the AK-74, reliable magazines are not that easy to find... until now. The INTRAFUSE® AK-74 magazine is the only choice for AK-74 owners who want a rugged and reliable magazine. The reinforced composite material prevents corrosion while the heavy duty spring and anti-tilt follower ensure that every round will feed perfectly. Fits the AK-74 using 5.45 x 39mm ammunition. *Counts as 3 U.S. 922r Compliant Parts.*

### AVAILABLE COLORS

- 30 ROUND
- #MAG0631 DARK EARTH. . . . . MSRP \$15.99
- #MAG0631 ORANGE . . . . . MSRP \$15.99
- #MAG0631 BLACK . . . . . MSRP \$15.99
- 10 ROUND
- #MAG0611 BLACK . . . . . MSRP \$12.49

## 30rd Galil/Golani Magazine

Reliable Galil magazines aren't the easiest mags to come by nowadays. That's why we created our own 5.56 30 round Galil/Golani magazine. The magazine is made of military grade composite, a military grade stainless steel spring and an anti-tilt follower, which ensure years of reliable use. *Counts as 3 U.S. 922r Compliant Parts*

- #MAG2630 . . . . . MSRP \$15.99

# GRIPS

## AK SAW Style Pistol Grip

We designed our INTRAFUSE® AK SAW Style Pistol Grip with ergonomics foremost in mind. Its increased width is not only comfortable but allows you more control over your rifle. The high-strength composite grip also houses an internal storage compartment for spare tools or cleaning supplies. *Counts as 1 U.S. 922r Compliant Part.*

### AVAILABLE COLORS

- #STK06220 DARK EARTH . . . . . MSRP \$19.99
- #STK06220 BLACK. . . . . MSRP \$19.99

## AK Original Style Pistol Grip

A perfect compliment to our fixed stock. With the AK Original Style Pistol Grip you get the look of the original while adding a U.S. made compliant part. The checkered sides provide an excellent gripping surface so you can make sure you always have a perfect grip on your AK. *Counts as 1 U.S. 922r Compliant Part.*

### AVAILABLE COLORS

- #STK06201 DARK EARTH . . . . . MSRP \$11.99
- #STK06201 ORANGE. . . . . MSRP \$11.99
- #STK06201 BLACK . . . . . MSRP \$11.99

# MUZZLE BRAKES

*Additional TAPCO muzzle devices can be found at [TAPCO.COM](http://TAPCO.COM)*

## AK Slant Muzzle Brake

Maintains the classic look of your AK while reducing muzzle climb. Features an ambidextrous design that's perfect for left and right handed shooters. Manufactured with the standard 14 x 1 LH threads. Stamped “TAPCO® USA” and finished in manganese phosphate. *Counts as 1 U.S. 922r Compliant Part.*

- #AK0684 . . . . . MSRP \$9.99

## AK Slot Muzzle Brake

Designed with 5 top slots and 6 side ports (3 on each side) to give you more control of your AK. Finished in manganese phosphate on high-strength steel, this brake can handle a lifetime of use, and features standard 14 X 1 LH threads. *Counts as 1 U.S. 922r Compliant Part.*

- #AK0688 . . . . . MSRP \$14.99

## AK-74 Style Muzzle Brake

Modeled after the popular AK-74 muzzle, this screw on brake is designed to easily attach to a standard AK barrel equipped with 14 x 1 LH threads. The classic design reduces recoil and muzzle rise during firing. Stamped “TAPCO® USA” and finished in manganese phosphate. *Counts as 1 U.S. 922r Compliant Part.*

- #AK0679 . . . . . MSRP \$22.99

## TOOLS & ACCESSORIES

### AK Retaining Plate

The INTRAFUSE® AK Retaining Plate installs in seconds, quickly securing pins in position to keep your trigger group in place. Works with all AKs, including the Tantal version, and is finished in a durable phosphate coating. An installation tab adds multi-directional control when inserting and removing the plate within the tight confines of AK receivers.

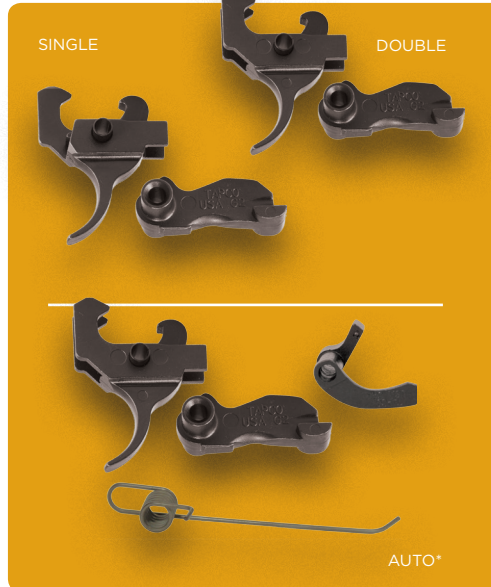

#AK0690 . . . . . MSRP \$5.99

### AK/SKS Front Sight Tool

This durable front sight adjustment tool works on both the AK and SKS weapons (except Yugo SKS). Reinforced with a metal insert, this tool allows for quick and easy elevation adjustments.

#TOOL0301 . . . . . MSRP \$4.99

### AK G2™ Trigger Group

The INTRAFUSE® AK G2™ Trigger Group offers an improved trigger pull of 3-4 pounds and eliminates painful trigger slap common with other designs. We've created a "no fumble" trigger sleeve which allows you to assemble the trigger group outside of your rifle and then drop it in as one piece. Manufactured out of 4140 tool-grade carbon steel and finished in black oxide, the AK G2™ is the most popular choice for OEM builders. *Counts as 3 U.S. 922r Compliant Parts.*

#AK0650 • SINGLE . . . . . MSRP \$32.99  
 #AK0650 • DOUBLE . . . . . MSRP \$32.99  
 #AK0650 • AUTO\* . . . . . MSRP \$45.99

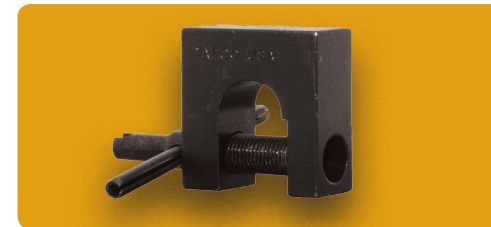

\*This is a **replacement** for existing full auto triggers.

### AK Screw Build Set

The AK ScrewBuild Set is an ideal alternative to standard rivets. The black oxide finish blends into the rifle for a cleaner look.

#AK0686 . . . . . MSRP \$4.99

### AK/SKS Military Grade Windage & Sight Elevation Tool

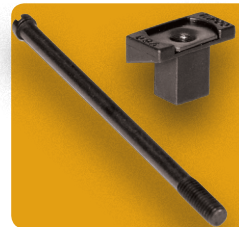

Designed by request by military services deployed overseas, our windage and elevation sight tool is the strongest on the market today. Manufactured from 4140 steel, this tool is as rugged as the weapon it was designed to work on. Easily make adjustments to nearly all AK and SKS variants. Marked "TAPCO® USA" and stamped with our CAGE Code 3E2Q7.

#TOOL0312\* . . . . . MSRP \$16.49

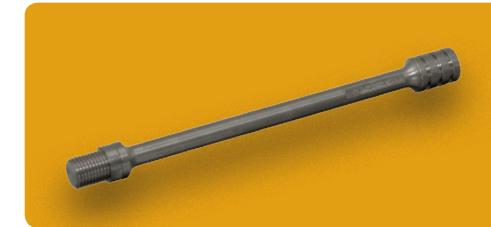

\*Will not work with Yugo SKS

### AK Grip Screw & T-Nut

A new production replacement AK grip screw and t-nut for use with the Original Style Pistol Grip.

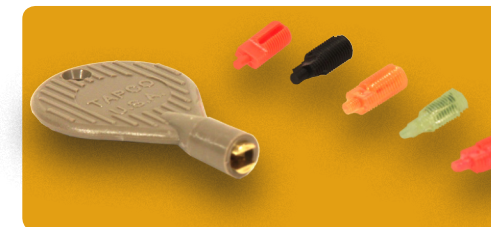

#AK06211 . . . . . MSRP \$6.99

### AK Gas Piston

Eliminate piston confusion from AK rifle variants. Our AK Gas Piston works with AK-47, AK-74, Tantal, and even Saiga® rifles. Each piston comes with a removable bushing that allows you to change the length of the piston to fit your specific style of rifle. *Counts as 1 U.S. 922r Compliant Part.*

#AK0659 . . . . . MSRP \$14.99  
 \*Saiga Shotgun models require a different piston.

### AK/SKS 5-Piece Colored Front Sight Posts Set

These composite front sight posts for the AK and SKS replace the original with a thicker single post for better visibility. Three of the five sight posts are made from a highly visible translucent material while the other two sight posts are a traditional black and highly visible solid red.

#TOOL0301 . . . . . MSRP \$4.99

### AK Magazine Dust Cover

Keep your AK-47 mags clean and in good working order with our INTRAFUSE® AK Magazine Dust Covers. Each cover is made of flexible rubber that securely fits and grips the top of your mag.

#MAG0601 • 10 PACK. . . . . MSRP \$11.99

### AK Vice Block

Keep your AK-47 secure with the TAPCO Magazine Vice Block. This block, made from a durable composite, locks into the mag well of the AK just as a magazine would. The block can then be inserted into a vice and locked into place, keeping your AK secure while you work on it. The block features a compact design and hang hole for your peg board for easy storage.

#TOOL0601 . . . . . MSRP \$12.99

## GUARDS & ADAPTERS

### AR Carbine Handguard

Our INTRAFUSE® AR Carbine Handguard offers a 50% weight reduction over a railed aluminum handguard. The lightweight but high-strength composite offers both weight reduction and durability in addition to something no aluminum handguard can match: **over 300 rounds in full auto and still cool to the touch.** We also think customization and choice is the specialty of the INTRAFUSE® line, so we molded in four Picatinny rails (located at the 3, 6, 9, and 12 positions) with removable side and bottom rails covers. This allows you to decide which ones you want to use, and which ones you want to keep hidden.

### AR End Plate Sling Adaptor

The INTRAFUSE® AR Locking Plate Sling Adaptor gives you a low-profile, single-point attachment on your AR. Replace your original locking plate with this and you have a perfect attachment point. The unique attachment opening allows for easy transition from one shoulder to the other without having to worry about the sling binding up, and the slim design ensures that it won't interfere with your hand while shooting. Made from hardened steel with a black phosphate finish.

#AR09107 . . . . . MSRP \$12.99

### Mil-Spec Profile AR T6™ Stock Assembly

Our Mil-Spec Profile AR T6™ Stock gives you 6 custom-fit positions. This gives you the best possible fit between the stock body and the tube, and cancels out the rattle that occurs with cheaper stocks.

Our stock is sold as a complete installation kit which includes a mil-spec profile extension tube, buffer, spring, locking nut, lock plate, and sling swivel.

#### AVAILABLE COLORS

### Commercial AR T6™ Stock Assembly

The INTRAFUSE® Commercial AR T6™ Stock is a vast improvement over traditional models. The six position stock, made of military grade composite, fits the weapon to you and can be more compact when needed. The latch supports are reinforced and the buttplate is thicker, giving you a more solid firing platform for acquiring your target. Our stock is sold separately or as a complete installation kit which includes extension tube, buffer, spring, locking nut, lock plate, and sling swivel.

### AR 5.56mm Smooth Side Gen II Magazine

The next generation of AR magazines has arrived and INTRAFUSE® is at the forefront with our 30rd Gen II AR Smooth Side Magazine. We have made vast changes to the interior components to improve the overall functionality of the magazine as well as adding a smooth surface on the exterior. Our smooth side magazine has a low profile floor plate and body texture that will allow easy insertion and removal from a magazine pouch. *Will fit in the Heckler & Koch HK416 platform.*

### AR 5.56mm Gen II Aggressive Magazine

Our 30rd Gen II AR Aggressive Magazine retains the rugged first gen body but features a re-engineered interior. The spring is formed from a premium 17-7 Stainless Steel, and the redesigned shape makes it smoother, quieter, and easier to load all 30 rounds. Plus, changes to the spring tension reduce stress to the mag body when fully loaded. In addition, the proven anti-tilt follower allows more dirt and debris to pass through the magazine to prevent misfeeds despite any kind of debris that may enter the magazine.

### AR Stock Wrench

Precision machined from heat treated steel, our multifunction tool is a necessity for any AR enthusiast. This tool includes a Mil-Spec castle nut wrench, a standard length receiver extension removal wrench, and an A1/A2 Flash Suppressor wrench. Offering increased ergonomics, each tool has a rubberized grip for both safety and comfort. Every tool is coated in manganese phosphate for corrosion resistance. Made in the USA from hardended steel and features a lifetime warranty.

#TOOL0904. . . . . MSRP \$9.99

### AR Front Sights & Tool Set

The INTRAFUSE® AR Front Sight Tool is a four post model designed to work with the square A2 front sight found on the M16A2/3/4 Rifle, the M4/M4A1 Carbine, or recent models of the AR-15 Rifle. Machined from 4140 steel and finished in black oxide, our tool will provide years of use and is backed by our lifetime warranty. The lanyard hole allows attachment to your key ring and provides a location to tie down the tool to prevent loss.

#TOOL0902. . . . . MSRP \$7.99

### AR Handguard Removal Tool

The AR Handguard Removal Tool is compatible with carbines and full-sized rifles with traditional handguards. Coated with a protective finish to prevent damage to the rifle's finish.

#TOOL0901. . . . . MSRP \$14.99

### AR A2 Style Muzzle Device

Standard A2 design that is extended to allow a 14.5 barrel to be a 16 inch barrel. Also allows for a blank firing adaptor to be used. Finished in manganese phosphate on high-strength steel, this device can handle a lifetime of use.

#AR0926 . . . . . MSRP \$29.99

### .223 Magazine Dust Covers

Keep your .223/5.56 mags clean and in good working condition with INTRAFUSE® Mag Dust Covers. Each cover is made of flexible rubber that securely fits and grips the top of your mag. Works with the INTRAFUSE® AR, Mini- 14, Galil/Golani and AK-74 Magazines.

#MAG0901 • 10 PACK. . . . . MSRP \$11.99

### AR Armorer's Tool

This all-in-one tool has a number of essential features, including a hammer, barrel nut, muzzle device, spanner wrench, forearm wrench, and flat tip screwdriver, just to name a few. Manufactured from heat treated alloy steel and powder coated with a matte olive drab finish, it has the strength and durability to perform any AR building need. The AR Armorer's Tool comes with a lifetime warranty and is 100% U.S. Made.

#TOOL0905. . . . . MSRP \$44.99

### 10/22® Tactical Trainer®

With the INTRAFUSE® 10/22® Tactical Trainer®, 10/22®s aren't just for beginners anymore. Our stock system adds a collection of four Picatinny rails to the forearm for easy attachment of lights, lasers, or vertical grips, and the inclusion of a SAW style pistol grip, 6 position collapsible stock and an INTRAFUSE® Rubber Buttpad makes for the most ergonomic stock system on the market. It also fits both the standard 10/22® barrel and the .920 "Heavy Barrel". 100% U.S. manufactured and made of our high-strength composite, this stock system is perfect for training, or for adding a tactical edge to your 10/22®. Bottom rail is concealable with included cover.

*Note: Iron sights on the standard 10/22® cannot be used when installed in the Tactical Trainer™*

### Mini-14®/Thirty® Stock System

Our INTRAFUSE® Mini-14®/Thirty® Stock System offers a wealth of options to customize your stock. The straight extension offers a perfectly aligned cheek weld whenshooting with optics and the angled extension gives you unrestricted use of the iron sights. The bottom Picatinny rail with removable cover can be fitted with a forward grip or covered for a sleek, concealed look, and our 6 position adjustable buttstock custom-fits your rifle to you for the most comfortable setup. It also includes a top barrel grip with Picatinny rail, SAW style pistol grip, military grade composite construction, and, as always with TAPCO®, is 100% U.S. made.

#SG0703 . . . . . MSRP \$8.99

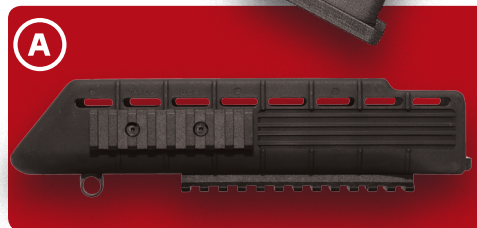

**Saiga® Rifle Gas Piston**

Our 100% U.S. made stainless steel piston is a high quality, inexpensive way to add a compliance part to your Saiga® rifle. Backed by a lifetime guarantee and clearly marked "TAPCO® USA" for compliance reassurance. *Counts as 1 U.S. 922r Compliant Part.*

#AK0659 . . . . . MSRP \$14.99

*\*Saiga® Shotgun models require the use of SG0703*

**Saiga® Handguard**

Our INTRAFUSE® Saiga® Handguard replaces your factory one-piece handguard and includes a sling nut and three removable accessory rails that allow you to customize your weapon as you see fit. Includes adapters for all rifles and shotguns except the .410. *Counts as 1 U.S. 922r Compliant Part.*

**AVAILABLE COLORS**

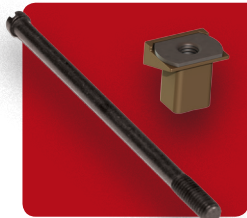

#STK07320 DARK EARTH . . . . . MSRP \$49.99

#STK07320 BLACK . . . . . MSRP \$49.99

**Saiga® Grip Screw & T-Nut**

A new, production replacement grip-screw and t-nut designed specifically for your converted Saiga®.

#SG07211 . . . . . MSRP \$7.99

**Saiga® T6™ Stock Set**

Our INTRAFUSE® Saiga® T6™ Stock Set was designed for easy installation on your non-converted Saiga®. Simply pop off the standard buttstock assembly and replace with our stock system. This system includes our popular T6™ 6 position adjustable buttstock, a SAW Style Pistol Grip that installs directly into the stock adaptor, an INTRAFUSE® T6™ Rubber Buttpad, and all mounting hardware. *Counts as 2 U.S. 922r Compliant Parts.*

**AVAILABLE COLORS**

#STK07160 DARK EARTH . . . . . MSRP \$69.99

#STK07160 BLACK . . . . . MSRP \$69.99

**Saiga® Stronghold Muzzle Device**

This muzzle device features an aggressive design to penetrate wood, sheet-rock, and glass for any tactical situation. Made of high-strength steel with a manganese phosphate coating, and uses standard 14 X 1 LH threads. *Counts as 1 U.S. 922r Compliant Part.*

#STK07420 . . . . . MSRP \$49.99

**Saiga® Thread Protector**

Protects the threads on the end of a 12 Gauge Saiga® shotgun barrel. Steel, manganese phosphate finish. *Counts as 1 U.S. 922r Compliant Part.*

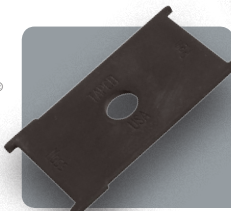

#SG07401 . . . . . MSRP \$12.99

**Shotgun Slide Nut Wrench**

This tool is used to loosen or tighten the slide nut on a Mossberg® or Remington® shotgun. It is made from heat treated steel with a manganese phosphate coating. It also features a hang hole.

#TOOL90301 . . . . . MSRP \$7.99

**Shotgun Forend & TGS-12 Stock Set**

The form-fitting shape of our INTRAFUSE® Shotgun Forend provides ample gripping surface and also flares out at the top to keep your fingers from getting pinched or burned. Four ports along the bottom can be opened to allow an included Picatinny rail for flashlights or vertical grips, or to attach the included adjustable hand strap. The hand strap allows your strong hand to draw your sidearm or perform other tasks while maintaining control of your shotgun. Works with most side saddle shell holders. In addition, our TGS-12 replaces your fixed stock with a six position T6™ stock. Includes a SAW style pistol grip and an INTRAFUSE® T6™ Rubber Buttpad for extra control and comfort.

*\*SKS Magazines will not fit the Russian SKS without modification to the magazine.*

*\*\* 5 Round SKS Magazine has a non-metal, non-removable floorplate*

### SKS Extended Magazine Catch

Our longer-than-original INTRAFUSE® SKS Extended Mag Catch allows you quick and easy removal of your mag, even when wearing gloves.

**#MAG6603 . . . . . MSRP \$5.99**

### SKS Gas Tube

Upgrade your aging gas system with our precision-machined, steel INTRAFUSE® SKS Gas Tube. The handguard on this gas tube is the same as on the INTRAFUSE® SKS Stock System, which provides a Picatinny rail on top of your SKS for a solid optics mounting platform. The handguard comes preinstalled, making for quick and easy installation. *Counts as 1 U.S. 922r Compliant Part.*

#### AVAILABLE COLORS

FOR THE STANDARD SKS

**#SKS6632 OLIVE DRAB . . . . . MSRP \$59.99**

**#SKS6632 DARK EARTH . . . . . MSRP \$59.99**

**#SKS6601 DARK EARTH . . . . . MSRP \$59.99**

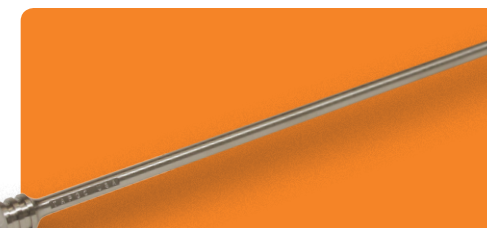

**#SKS6601 BLACK. . . . . MSRP \$59.99**

### SKS Shell Deflector

The INTRAFUSE® SKS Shell deflector features a universal design compatible with most receiver scope mounts on the market, including the Tri Rail Receiver Cover Mount. Deflects spent cartridge casings to prevent damage to optics and loss of weapon's zero.

**#MNT6608 . . . . . MSRP \$6.99**

### SKS Gas Piston

Our 100% U.S. made stainless steel piston is a high quality, inexpensive way to add a compliance part to your SKS rifle. Backed by a lifetime guarantee and clearly marked "TAPCO® USA" for compliance reassurance. *Counts as 1 U.S. 922r Compliant Part.*

**#SKS6602 . . . . . MSRP \$39.99**

### AK/SKS 5-Piece Colored Front Sight Posts Set

These composite front sight posts for the AK and SKS replace the original with a thicker single post for better visibility. Three of the five sight posts are made from a highly visible translucent material while the other two sight posts are a traditional black and highly visible solid red.

**#TOOL0301 . . . . . MSRP \$4.99**

### SKS Vice Block

Keep your SKS secure with the TAPCO Magazine Vice Block. This block, made from a durable composite, locks into the mag well of the SKS just as a magazine would. The block can then be inserted into a vice and locked into place, keeping your SKS secure while you work on it. The block features a compact design and hang hole for your peg board for easy storage.

**#TOOL6601 . . . . . MSRP \$12.99**

**#TOOL9302 • SHOTGUN  
& .50 BMG TOOL**

 20 PACK . . . . . **MSRP \$19.99**  
 150 PACK . . . . . **MSRP \$124.99**

### Chamber Safety Tools™

Our Chamber Safety Tools™ are designed to easily fit in the chamber of your weapon. As a chamber flag, the tool's yellow color clearly indicates that the weapon is unloaded. In addition to serving as a chamber flag, the flattened edge on the corner of the head allows you to adjust the windage and elevation of your scope. All tools come with a strengthened head for increased durability and the rifle tool features a strengthened punch to push out the takedown pins on your AR-15/M16 without scratching the rifle.

### T6™ Rubber Buttpad

Easily installed on any T6™ or M4 style collapsible stock. This rubber buttpad reduces the weapon's felt recoil while positioning the stock to the shoulder for better control. Added texturing ensures a proper stock weld to the shoulder.

**#STK90161. . . . . MSRP \$11.99**

### Sling System

Our INTRAFUSE® Sling System comes with everything needed to attach as a single point or a 2-point sling to a wide variety of weapons. The old HK® style hook adaptor has been replaced with a new MASH Hook, making it easier to use with gloves and allowing it to fit almost any size connector, and it's covered with an elastic sock that protects the weapon from scratches and reduces noise. Our sling system will also work with all popular stocks, fixed and collapsible, with the addition of the included short or long loop attachment.

**#SLG9001 . . . . . MSRP \$39.99**

### STEN/MPA & MAC/M3 Mag Loader

Quickly and easily load your magazines with our INTRAFUSE® MPA magazine loader. Depress the loader with one hand and position the next cartridge with the other. The textured surface provides grip, and there are no moving parts to break, lubricate, or maintain. Features opening for key chain or lanyard. STEN/MPA for 9mm versions, MAC/M3 for .45 Cal versions.

**#TOOL6701 • STEN/MPA 9MM . . . . . MSRP \$9.99**  
**#TOOL6801 • MAC/M3 .45ACP . . . . . MSRP \$9.99**

### MPA 9mm 32rd Magazine

Replace your older MPA magazines with our new design. Molded of military grade composite, our magazine will provide many years of service. Designed for use in the MasterPiece Arms® (MPA) 9mm Defender®, our 32rd magazine is very reliable and features aggressive grooves on each side for easy insertion and removal. The stainless steel spring provides constant force and is corrosion resistant.

**#MAG3532. . . . . MSRP \$19.99**

### Vertical Grip (Short & Standard)

Our INTRAFUSE® Vertical Grips are designed to increase command of your rifle and speed target acquisition. Flat sides allow for a solid attachment of tactical light tape switches, and a waterproof storage compartment within the grip allows for safe storage.

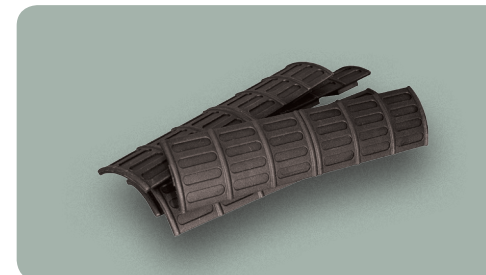

SHORT  
**#STK90202 . . . . . MSRP \$21.99**  
 STANDARD  
**#STK90201 . . . . . MSRP \$21.99**

### Vertical Grip Bipod

The INTRAFUSE® Vertical Grip Bipod provides a steady shooting platform by attaching securely to either our short or our standard-size INTRAFUSE® Vertical Grip.

**#BIP90201. . . . . MSRP \$24.99**  
**#ZBIP90201 • Vert. Grip & Bipod Kit . . . MSRP \$34.99**

### Rail Panel Covers, 5 Pack

Avoid rail damage and hand injuries with our INTRAFUSE® Rail Panel Covers. These panels can be used as shown, or cut for placement around accessories. Each flexible panel is patterned with an aggressive texture for a solid grip. Designed for use with Picatinny Rails.

#### AVAILABLE COLORS

DARK EARTH

BLACK

**#MNT90301 DARK EARTH . . . . . MSRP \$14.99**  
**#MNT90301 BLACK. . . . . MSRP \$14.99**

### Sling Nut

This nut provides an attachment loop for a "hook style" single point sling on many of our INTRAFUSE® Stock Systems. Installs in seconds and replaces the standard nut. Works with MASH hook sling attachment. Machined steel with a matte black finish.

**#STK6601 . . . . . MSRP \$7.99**

### Ultimate Rail Kit

The Ultimate Rail Kit will provide you with any and all the lightweight polymer picatinny rails your weapon could possibly need. Includes two 5" rails, two 3.5" rails, and two mini-side rails. All mounting tools and hardware included.

**#MNT90302. . . . . MSRP \$19.99**

### Displayed Product

Throughout this catalog, products are shown on the rifle and with extra accessories. Unless otherwise noted in the text, all magazines, rifles, and accessories are sold separately.

MODERN PERFORMANCE. TIMELESS BEAUTY.

30

TimberSmith™ is dedicated to providing the highest quality wooden rifle stocks and pistol grips available. Our rationale was simple: no one else was delivering what our customers were demanding; so we heeded the call. Our commitment to quality can be seen in the superior craftsmanship of every piece we produce, and in the satisfaction we bring to customers who will accept nothing less than the absolute best for their cherished weapons.

On top of our unmatched quality, every TimberSmith™ component is crafted in the United States. American-made means that while you're bringing your weapon to better-than-new condition, you're also adding 922r compliant parts.

Modern performance with timeless beauty. That's TimberSmith™.

### 1911 Pistol Grip

The model 1911 is one of the most respected and recognized handguns in America, so it only made sense for TimberSmith™ to craft a beautiful wooden grip that matches perfectly with this timeless piece.

The grips are made of a highly engineered wood/plastic composite that has the physical and mechanical properties of high density hardwood with the strength of acrylic, polycarbonate and brass. Brightly dyed hardwood veneers are combined with engineering grade resins, then heated and pressurized to create a product that has the best characteristics of each. The new grips possess unique strength, durability, dimensional stability, weather and moisture resistance to ensure a lifetime of use.

*On top of all of these features, every piece is 100% crafted in the U.S.A.. Counts as 3 U.S. 922r Compliant Parts.*
