

TOOL STORAGE CATALOG 2012

TOOL STORAGE CATALOG 2012

Back in 1935, we were known as the Waterloo Valve Spring Compressor Company, and our traditions of quality, innovation, superior value and exceptional customer service were already well established and evident in the very first tool box we created.

Today, Waterloo Industries has grown to become one of the world's largest suppliers of tool storage solutions—and that same early spirit is alive in everything we do. Whether you're a professional mechanic, tradesman, or a weekend do-it-yourselfer, we're committed to manufacturing the highest quality, reliable tool storage products to meet your needs.

From rugged professional grade chests and cabinets to durable portable hand boxes, you'll find quality features like our patented Posi-Latch® Latching System, full-extension ball-bearing drawer slides, and a choice of heavy-duty casters in a variety of tool box configurations. And, because we stand behind every one of our products with class-leading warranties, Waterloo Industries offers the best tool storage money can buy.

WATERLOO LIMITED WARRANTY

Our products have been manufactured to very high standards of quality and workmanship. We warrant our products to be free from defects in materials and workmanship under normal use for the following periods from original date of purchase: Professional Series: 7 years; Waterloo Series: 5 years; Shop Series, Project Centers, Workbenches, Portables, and all other products: 1 year.

If any product is found to be defective in material or workmanship during normal use within the applicable warranty period, your exclusive remedy is replacement of the defective product or parts. This warranty does not cover products that are damaged through any misuse, abuse, accident, neglect, modification or mishandling. Waterloo will not be responsible for any losses, injuries or costs of any nature, including indirect, incidental or consequential damages, relating to this product, including transportation charges. Except as provided by law, this warranty is in lieu of and excludes all other warranties, conditions and guarantees, whether expressed or implied, statutory or otherwise, including without restriction those of merchantability or fitness for a particular purpose.

Some states, provinces and nations do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from state to state, province to province, nation to nation. We will advise you of the procedure to follow in making warranty claims. Warranties do not cover units that are mounted or used in moving vehicles. Contact us, using the contact information below, with a model number/description of the product, description of the defect, proof of original purchase, and your name, address, area code and telephone number. Waterloo may request pictures identifying the product and showing the defect to qualify for return authorization.

(select models)

HEAVY-DUTY STORAGE FOR YOUR HEAVY-DUTY NEEDS

The Waterloo Professional line of tool storage is designed for work environments where solid construction and high-quality features aren't an option. From an automotive service bay to an industrial or commercial job site, this line accepts the challenge. The Professional Series features cabinets with full-width top drawers for long-tool storage, and chests with heavy-duty gas struts (select models). Offered in high-quality red or black (41" and 52" widths). A 41" stainless chest and cabinet combination completes the line. Options in this series include 6" x 2" industrial-strength casters and non-slip drawer liners.

CREATE THE PERFECT COMBINATION

Save space with a 26" chest and cabinet, or stretch out in a 41" combination. Available in red or black, the Waterloo Series provides the opportunity to mix-and-match with a selection of sizes and drawer counts. A heavy-duty MDF work surface and full-width top drawer assures the 41" cabinet will make the job easier. 50 lb. ball-bearing drawer slides (double slides on select drawers) are tested to assure drawers can withstand heavy usage. The Waterloo Series offers optional upgraded 5"x2" casters and non-slip drawer liners.

WATERLOO[®]

SPECIALTY SERIES

Bring convenient storage, complete with a work surface, directly to the job site with the 3-Drawer Utility Cart, designed with gas struts and the patented Posi-Latch[®] Latching System. Meet specialized storage needs with a Waterloo Project Center (5-Drawer unit includes integrated power strip). Organize the workspace with a stationery workbench. Or add drawer liner rolls to a chest or cabinet to keep stored tools in place (available in 16.5" and 22.5" widths, can be cut to fit).

WATERLOO

PORTABLE SERIES

For the professional to the DIY'er, the Waterloo Portable Series provides the benefit of tool organization in a compact mobile design offering easy transport of tools to the jobsite. Available in a variety of sizes, designs and configurations to fit every need. All units are lockable (padlocks not included), include full-width metal hinge pins and rust resistant latches. All units are individually packaged. The Waterloo Portable series is backed by a 1 year limited warranty.

Plastic Portables

For superior strength and durability, seven industrial-strength plastic portables offer a popular alternative to traditional steel tool boxes. This series includes a 23" 3-Drawer Plastic Portable Chest with steel drawers, 25 lb. full-extension friction drawer slides and a top tray; a 20" Great Tool Organizer; and Hand Boxes ranging from 14" to 26" in width (GTO and Hand Boxes include plastic tote trays). Rugged high-impact polypropylene and molded-in color assure these portables will stay looking like new for years, and will not dent, rust, or mar other surfaces. A comfort-grip handle tucks neatly into the lid, providing a flush top surface for convenient stacking and storing.

Shown: PP-2314BK

Metal Portables

Durable construction is the benchmark of the Waterloo Metal Portable Series. Highlighting this line is a 3-Drawer Portable Chest with steel drawers, 25 lb. full-extension friction drawer slides and a top tray for additional organization. Other items in this series include 16" and 20" traditional steel Hand Boxes that come complete with a tote tray. All units include a comfort-grip top handle.
